Nixon's Shadow: The History of an Image David

Greenberg,2004-10-17 How an image obsessed president transformed the way we think about politics and politicians To his conservative supporters in 1940s southern California Richard Nixon was a populist everyman to liberal intellectuals of the 1950s he was Tricky Dick a devious manipulator to 1960s radicals a shadowy conspirator to the Washington press corps a pioneering spin doctor to his loyal Middle Americans a victim of liberal hatred to recent historians an unlikely liberal Nixon s Shadow rediscovers these competing images of the protean Nixon showing how each was created and disseminated in American culture and how Nixon s tinkering with his own image often backfired During Nixon s long tenure on the national stage and through the succession of new Nixons so brilliantly described here Americans came to realize how thoroughly politics relies on manipulation Since Nixon it has become impossible to discuss politics without asking What is the politician s real character How authentic or inauthentic is he What image is he trying to project More than what Nixon did this fascinating book reveals what Nixon meant *Nixon's Darkest Secrets* Don Fulsom,2024-09-04 Fulsom digs deeper into the mire of the Nixon presidency a book which bristles with revelations about the most disgraced American leader in history Muriel Dobbin author and former White House correspondent Richard Nixon left the White House in 1974 as our most disgraced president but the American people never knew the full extent of his demons deceptions paranoia prejudices hatreds and chicanery Calling on his work in covering Nixon scores of interviews with members of Congress White House staffers and others close to our nation s thirty seventh president and invaluable newly declassified documents and recordings veteran journalist Don Fulsom sheds new light on Tricky Dick The author s revelations include That the future president sabotaged the 1968 peace talks for political gain By the time Nixon became president in 1969 he had linked to the mob for more than two decades and as president had a close connection with New Orleans boss Carlos Marcello the most powerful Mafioso in the nation The president had a drinking problem and top aides referred to him as Our Drunk Nixon had a misogynist streak and was abusive toward first lady Pat Nixon The intimate and possibly homosexual nature of Nixon s relationship with confidante Charles Bebe Rebozo a banker with mob ties Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom s examination of these and other startling aspects of Nixon s personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world Nixon s Darkest Secrets provides a chilling final chapter in literature on our most troubled president **Richard Nixon and the Rise of Affirmative Action** Kevin L. Yuill,2006 Nixon s efforts in moving the focus of U S race relations from reform to indemnifying damages Yuill argues at least equal his contributions to the origins of affirmative action through policy innovations Jacket **The Handbook of Political Behavior** Samuel Long,2013-11-11 On Revolutions That Never Were If

you want to understand what a science is the anthropologist Clifford Geertz 1973 p 5 has written you should look in the first instance not at its theories or its findings and certainly not at what its apologists say about it you should look at what the practitioners of it do If it is not always possible to follow this instruction it is because the rate of change in scientific work is rapid and the growth of publications reporting on this work is great It is therefore the task of a handbook like this Hand book of Political Behavior to summarize and evaluate what the practitioners report But it is always prudent to keep in mind that a handbook is only a shortcut and that there is no substitute for looking directly at what the practitioners of a science do For when scientists are at work Walter 1971 the image of what they are doing is often quite different from that conveyed in the briefs that in their own way make a hand book so valuable that we cannot do without it These reflections set the stage

Emile de Antonio Randolph Lewis,2000-11-01 Emile de Antonio 1919 1989 was the most important political filmmaker in the United States during the Cold War Director of such controversial films as Point of Order 1963 In the Year of the Pig 1969 Millhouse A White Comedy 1971 and Mr Hoover and I 1989 de Antonio lived a remarkable life in dissent De Antonio was a womanizing raconteur upper class Marxist Harvard classmate of John F Kennedy World War II bomber pilot and failed English professor who lived a colorful life even before he stumbled headfirst into the New York art world of the 1950s Everything I learned about painting I learned from De Andy Warhol said about his friend who famously drank himself unconscious in Warhol s film Drink De Antonio also was important to the early careers of Jasper Johns Robert Rauschenburg and John Cage Then in 1959 de Antonio took on the chance to distribute the Beat film Pull My Daisy and discovered filmmaking In the first book on de Antonio s life and work Randolph Lewis traces the turbulent development of the filmmaker s career Lewis follows de Antonio s struggle to make films about Joseph McCarthy Richard Nixon and J Edgar Hoover under whose direction the FBI compiled a 10 000 page file on de Antonio and to work with such political allies as Mark Lane Martin Sheen Bertrand Russell Daniel Berrigan and members of the Weather Underground whose activities he documented in the film Underground Blending biography with critical insights about art literature and film Lewis offers de Antonio as a lens to focus on the complex terrain of post World War II America A Do-it-yourself Dystopia Steven Carter,2002 The essence of

life in an oligarchy like George Orwell presents in 1984 is that freedom of choice is virtually non existent But what happens when so many trivial and meaningless choices inundate a culture such as our own and freedom itself becomes devalued In A Do It Yourself Dystopia through a variety of essays Steven Carter addresses this and other issues in a wide ranging search for hidden oligarchies of the American self **Presidents of the United States--their Written Measure** James Sayler,1996

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 Richard M. Nixon, 1913 Richard Milhous Nixon,United States. President (1969-1974 : Nixon),1975 A chronology of the life of former president Richard M Nixon a compilation of twenty four of his speeches and a bibliography of books articles and documents by and about him The Rehabilitation of Richard Nixon Thomas J. Johnson,1995 **American Social and Political**

Movements, 1945-2000 Robert J. Allison, Benjamin Frankel, 2000 This guide presents differing perspectives on the Cold War drawn from all parts of the world

Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70

Richard M. Nixon Dale E. Casper, 1988

Psychohistorical Inquiry William J. Gilmore-Lehne, 1984

Psychohistory Jacques Szaluta, 1999 Some may be surprised to see a work on psychoanalysis coming out of the US Merchant Marine Academy In this outgrowth of his 1987 La Psychohistoire Academy historian Szaluta overviews the issues and growth in psychohistory the fundamentals of psychoanalytic theory and post Freudian developments the case for and critics of psychohistory and the genre's methods of interpreting the past With the resurgence of psychoanalysis in Russia and Eastern Europe the author concludes optimistically about the interdisciplinary field's future

Toxic Leaders Marcia L. Whicker, 1996-04-16 Drawing on her extensive experience and research in various types of organizations business political even religious organizations Dr Whicker looks closely at three distinct types of leaders which she categorizes as trustworthy transitional and toxic leaders In a clear and readable style she describes leadership subtypes for transitional and toxic types the absentee leaders the busybodies controllers enforcers streetfighters and the bullies all of whom are dangerous to their organizations and are directly responsible in many cases for an organization's decline Whicker makes clear however that there are ways to protect oneself from such leaders and shows exactly what these strategies are A compelling anecdotal authoritative analysis for anyone in any organization who has ever wondered why did the boss do that and why to me As Dr Whicker sees it trustworthy leaders are good moral green light leaders They can be trusted to put the goals of the organization and the well being of their followers first Organizations with trustworthy leaders at the helm have a green light to advance in productivity growth and progress Three types of trustworthy leaders are consensus builders team leaders and commanders Transitional leaders are self absorbed egotistical yellow light leaders They are focused on the approval of others and concerned with their personal role as leaders Organizations headed by transitional leaders have a cautionary yellow light to growth and lurch along at the mercy of the ebb and flow of external currents and trends Three types of transitional leaders are absentee leaders busybodies and controllers Toxic leaders are maladjusted malcontent and often malevolent and malicious They succeed by tearing others down They glory in turf protection fighting and controlling others rather than uplifting followers They are red light leaders who destroy productivity and apply brakes to organizational progress They have a deep seated but well disguised sense of personal inadequacy selfish values and cleverness at concealing deceit Three types of toxic leaders are enforcers streetfighters and bullies This book gives the reader strategies for surviving transitional and toxic leaders and for restoring organizational health
