Presidentialization Of Politics A Comparative Study Of Modern Democracies:

The Presidentialization of Politics Thomas Poguntke, Paul Webb, 2005 This book examines the changing role of political parties and political leadership in fourteen modern democracies As well as examining cross national differences it also analyses how modern democracies are increasingly following a presidential logic of governance Provided by publisher

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another It considers the effects of constitutional structures as well as the party's original features and argues that the degree of party presidentialization varies as a function of the party's genetics **The**

Personalisation of Politics Lauri Karvonen, 2014-12-01 With the weakening of the structural determinants of politics in Western democracies it is commonly assumed that individual politicians and politicians as individuals have come to mean more for voter behaviour and party choice Many observers argue that politics has become more personalised in the course of the last few decades Although considerable research on the various aspects of personalisation has been carried out no single study so far has approached the question from a broad comparative perspective By examining four central dimensions of personalisation institutions candidates party leaders and media and by including data from most stable parliamentary democracies this book attempts to fill part of that gap The book demonstrates clearly that there is no linear trend towards more personalisation among the cases studied From the point of view of the general personalisation thesis the findings are mixed at best in some important respects they are negative While the media tend to focus more on individual politicians the idea that party leaders increasingly determine the party choice of voters finds little support in empirical evidence Most researchers seem to agree that the position of the prime minister has become more dominant A closer look at comparative evidence results in a more complex picture There has been a certain tendency to develop the most party centred electoral systems in a more candidate centred direction On the other hand recent reforms have altered some of the most candidate centred systems in the opposite direction Individual candidates seem to mean more to voters in systems where preferential voting has been practiced for a long time This change is by no means dramatic nor does it seem to apply to other electoral systems Karvonen shows that the personalisation thesis while not completely erroneous has been overstated not just by the media but in some of the research literature as well *The Oxford Handbook of Political Institutions* R. A. W. Rhodes, Sarah

A. Binder, Bert A. Rockman, 2008-06-13 The study of political institutions is among the founding pillars of political science With the rise of the new institutionalism the study of institutions has returned to its place in the sun This volume provides a comprehensive survey of where we are in the study of political institutions covering both the traditional concerns of political science with constitutions federalism and bureaucracy and more recent interest in theory and the constructed nature of institutions The Oxford Handbook of Political Institutions draws together a galaxy of distinguished contributors drawn from leading universities across the world Authoritative reviews of the literature and assessments of future research directions

will help to set the research agenda for the next decade *The Oxford Handbook of Danish Politics* Peter Munk Christiansen, Jørgen Elklit, Peter Nedergaard, 2020-06-26 The Oxford Handbook of Danish Politics provides the most comprehensive and thorough English language book on Danish politics ever written It features chapters by 50 leading experts who have contributed extensively to the field they write about Why is Denmark an interesting topic for a Handbook In some respects Danish political institutions and political life are very similar to that of other small North European countries such as the other Scandinavian countries and Netherlands However in other respects Danish politics is interesting in its own right For instance Denmark has a world record in minority governments According to standard scholarly knowledge this should result in unstable governments and a bad economy This is not the case however since Denmark has a rather stable political system and a strong and robust economy among the strongest in Europe How The Danes have continued reservations towards the EU despite close to 50 years of EC EU membership and the Danes rejected the Maastricht Treaty in 1992 Still the EU issue is handled in ways that do not call for large political battles How A third example is that Denmark used to be known as a tolerant and liberal society its Jews were almost all saved during German occupation during WWII Denmark was the first country to free pornography and the first country to formally register same sex couples Yet recent Danish politics has also been associated with xenophobia and anti Muslim sentiments Why **Discourse and Political Culture** Michael Kranert, 2019-10-15 This book presents a new approach to comparative politico linguistic discourse analysis It takes a transdisciplinary stance and combines analytical tools from linguistic discourse analysis keywords metaphors argumentation genre and political science political culture comparative politics ideologies It is comprehensive in its introduction of approaches from the German tradition of politico linguistics This tradition has not thus far been accessible to a non German speaking readership and hence the volume adds insights into the mechanics of political discourse from a diverse set of viewpoints The book analyses the modernisation discourses in social democratic parties in Britain and Germany between 1994 and 2003 a project that was named Third Way It demonstrates how political language and political culture are related and how politicians will adapt a global ideology to local political circumstances in order to convince the electorate At the same time the book presents new insights into the German political culture and the version of Third Way discourses in the Social Democratic Party of Germany SPD under the leadership of Gerhard Schröder which have played a key role in shaping current political discourse in Germany It concludes with a model for the study of political discourse which makes the work relevant to scholars in Social Sciences and beyond *Handbook of International and Cross-Cultural Leadership Research Processes* Yulia Tolstikov-Mast, Franziska Bieri, Jennie L. Walker, 2021-11-29 An invaluable contribution to the area of leadership studies the Handbook of International and Cross Cultural Leadership Research Processes Perspectives Practice Instruction brings together renowned authors with diverse cultural academic and practitioner backgrounds to provide a comprehensive overview and analysis of all stages of the research process The

handbook centers around authors international research reflections and experiences with chapters that reflect and analyze various research experiences in order to help readers learn about the integrity of each stage of the international leadership research process with examples and discussions Part I introduces philosophical traditions of the leadership field and discusses how established leadership and followership theories and approaches sometimes fail to capture leadership realities of different cultures and societies Part II focuses on methodological challenges and opportunities Scholars share insights on their research practices in different stages of international and cross cultural studies Part III is forward looking in preparing readers to respond to complex realities of the leadership field teaching learning publishing and applying international and cross cultural leadership research standards with integrity The unifying thread amongst all the chapters is a shared intent to build knowledge of diverse and evolving leadership practices and phenomena across cultures and societies The handbook is an excellent resource for a broad audience including scholars across disciplines and fields such as psychology management history cognitive science economics anthropology sociology and medicine as well as educators consultants and graduate and doctoral students who are interested in understanding authentic leadership practices outside of the traditional Western paradigm

Compound Democracies Sergio Fabbrini, 2010-08-19 A major and broad ranging new comparison of the American and European political systems that argues provocatively that they are growing increasingly similar and offers a compelling new model for understanding them

The Oxford Handbook of Political Representation in Liberal Democracies Robert Rohrschneider, Jacques Thomassen, 2020-07-28 The Handbook of Political Representation in Liberal Democracies offers a state of the art assessment of the functioning of political representation in liberal democracies In 34 chapters the world's leading scholars on the various aspects of political representation address eight broad themes The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people The various chapters offer a comprehensive review of the literature on the various aspects of political representation The main organizing principle of the Handbook is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government Most of the chapters assessing the functioning of the chain of political representation and its various links are based on original comparative political research Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even

ten years ago a Handbook like this would have looked totally different **Democracy Within Parties** Reuven Y. Hazan, Gideon Rahat, 2010-07 This text presents a new approach to understanding political parties It sheds light on the inner dynamics of party politics and offers a comprehensive analysis of one of the most important processes any party undertakes its process of candidate selection *The Politics of Party Leadership* William Paul Cross, Jean-Benoît Pilet, 2015 This book examines the ways in which political parties choose their leaders and the implications of the different choices they make

Comparative Political Leadership Ludger Helms, 2012-07-25 This volume has been designed as a key resource in the field of international political leadership research Written by a team of distinguished leadership scholars from three continents and nine countries the original chapters gathered in this volume cover all the major fields of political leadership from executive legislative and party leadership to leadership in social movements and international organizations The special value and appeal of this book relates to its genuinely comparative focus that characterizes all chapters **The Oxford Handbook of Australian Politics** Jenny M. Lewis, Anne Tiernan, 2021-10-20 The Oxford Handbook of Australian Politics is a comprehensive collection that considers Australia's distinctive politics both ancient and modern at all levels and across many themes It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation's Indigenous and imported heritage and global engagement The book presents an account of Australian politics that recognizes and celebrates its inherent diversity by taking a thematic approach in six parts The first theme addresses Australia's unique inheritances examining the development of its political culture in relation to the arrival of British colonists and their conflicts with First Nations peoples as well as the resulting geopolitics The second theme improvisation focuses on Australia's political institutions and how they have evolved Place making is then considered to assess how geography distance Indigenous presence and migration shape Australian politics Recurrent dilemmas centres on a range of complex political problems and their influence on contemporary political practice Politics policy and public administration covers how Australia has been a world leader in some respects and a laggard in others when dealing with important policy challenges The final theme studying Australian politics introduces some key areas in the study of Australian politics and identifies the strengths and shortcomings of the discipline The Oxford Handbook of Australian Politics is an opportunity for others to consider the nation's unique politics from the perspective of leading and emerging scholars and to gain a strong sense of its imperfections its enduring challenges and its strengths **The Oxford Handbook of Swedish Politics** Jon Pierre, 2016 The Handbook provides a broad introduction to Swedish politics and how Sweden's political system and policies have evolved over the past few decades *The Oxford Handbook of Political Executives* Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives

marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research *Political Leaders Beyond Party Politics* Fortunato Musella, 2017-07-31 This book studies party leaders from selection to post presidency Based on data covering a large set of Western countries and focusing on the trends of personalisation of politics the volume is one of the first empirical investigations into how party leaders are elected how long they stay in office and whether they enter and guide democratic governments It also provides novel data on how leaders end their career in a broad and diverse range of business activities Topics covered include political leaders increasing autonomy their reinforcement of popular legitimation often through the introduction of direct election by party rank and file and their grip on party organization The book will appeal to students and scholars interested in political parties political leadership the transformation of democracy and comparative politics European Politics Tim Bale, 2017-04-28 A fully revised fourth edition of a popular introduction to the comparative politics of Europe written by a highly respected authority on the subject This lively and thematically organised text provides an accessible guide to the institutions and the issues that matter in a continent where the boundaries between East and West and between domestic and European affairs are increasingly breaking down Covering a wide array of countries it is a concise yet comprehensive overview of one of the world's most important and fascinating regions Written in an approachable style and packed with up to date real world examples and information this is the ideal place for students to begin and to deepen their understanding of Europe's politics It can be adapted as a standalone text on modules on Comparative European Politics and will be of use as a key reading on undergraduate courses on Comparative Politics more broadly as well as European Union Politics New to this Edition Updated throughout to provide coverage of developments such as the Eurozone crisis the growth of left and right wing populism the rise of nationalism and Europe's on going immigration challenge Includes a short concluding chapter rounding up and considering the future of the book's core themes of Europeanization and multilevel governance Additional country profiles on Croatia and Greece to ensure representative treatment of the key countries in Europe today **The Presidentialisation of Political Parties in the Western Balkans** Gianluca Passarelli, 2018-08-24 This book examines the process of presidentialisation of political parties in the Western Balkans The Western Balkan countries deserve to be analysed in a comparative perspective due to their distinctive features in terms of processes of democratization forms of government and institutional assets the presence of social cleavages religious linguistic ethnic and of course the nature of political parties which differs from other European cases especially in terms of origins organization and structure However Western Balkan political parties do show certain similarities with other West European cases where power is centralised and held by the parties leadership The book ultimately attempts to test whether and to what extent the influence of institutional variables affects the level of presidentialisation of political parties also considering the parties organization features *The Oxford Handbook of Israeli Politics and Society* Reuven Y.

Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments **The Personalization of Democratic Politics and the Challenge for Political Parties** William P Cross, Richard S Katz, Scott Pruyers, 2018-09-16 The implications of the personalization of politics are necessarily widespread and can be found across many different aspects of contemporary democracies Personalization should influence the way campaigns are waged how voters determine their preferences how officials e g MPs and institutions e g legislatures and governments function and the place and operations of political parties in democratic life However in an effort to quantify the precise degree of personalization over time and to uncover the various causes of personalization the existing literature has paid little attention to many of the important questions regarding the consequences of personalization While the chapters throughout this volume certainly document the extent of personalization they also seek to address some fundamental questions about the nature of personalization how it is manifested and its consequences for political parties governance representation and the state of democracy more generally Indeed one of the primary objectives of this volume is to speak to a very broad audience about the implications of personalization Those interested in election campaigns voting gender governance legislative behaviour and political parties will all find something of value in the contributions that follow

Presidentialization Of Politics A Comparative Study Of Modern Democracies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presidentialization Of Politics A Comparative Study Of Modern Democracies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidentialization Of Politics A Comparative Study Of Modern Democracies is one of the best book in our library for free trial. We provide copy of Presidentialization Of Politics A Comparative Study Of Modern Democracies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidentialization Of Politics A Comparative Study Of Modern Democracies. Where to download Presidentialization Of Politics A Comparative Study Of Modern Democracies online for free? Are you looking for Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidentialization Of Politics A Comparative Study Of Modern Democracies. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then

you really should consider finding to assist you try this. Several of Presidentialization Of Politics A Comparative Study Of Modern Democracies are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidentialization Of Politics A Comparative Study Of Modern Democracies. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Presidentialization Of Politics A Comparative Study Of Modern Democracies To get started finding Presidentialization Of Politics A Comparative Study Of Modern Democracies, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidentialization Of Politics A Comparative Study Of Modern Democracies So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Presidentialization Of Politics A Comparative Study Of Modern Democracies. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidentialization Of Politics A Comparative Study Of Modern Democracies, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidentialization Of Politics A Comparative Study Of Modern Democracies is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Presidentialization Of Politics A Comparative Study Of Modern Democracies is universally compatible with any devices to read.
