Press And Abortion

Katherine J. Parkin

Press And Abortion:

The Press and Abortion, 1838-1988 Marvin N. Olasky, 1988 Marvin Olasky covers the affect the press had on abortion in 1838 1988 Regardless of their position readers will reap rich dividends from this book **Media Bias** Wm. David Sloan, Jenn Burleson Mackay, 2016-03-24 In this book scholars examine the many prevailing arguments about media bias from a non polemical perspective Essays cover individual forms of bias including ideology politics television photography religion abortion homosexuality gender race crime environment region military corporate ownership labor and health Each essay introduces the topic presents arguments for and against the specific bias assesses the evidence for all arguments and includes a list of suggested readings Two additional essays discuss the broader aspects of the bias debate and give a personal perspective on reporting the controversial Israeli Palestinian conflict Instructors considering this book for use in a course may request an examination copy here *Abortion and America's Churches* Daniel K. Williams, 2025-10-01 Abortion and America s Churches explores the surprising history of how American Christians think about abortion Many people assume that Christians have steadfastly condemned abortion throughout the United States s history Daniel K Williams overthrows all assumptions about the unity consistency or simplicity of American Christian thought and belief in this groundbreaking new book He demonstrates that churches in the United States have fought among themselves and with the wider culture as they developed and enforced their stance on abortion revealing major struggles to define their often changing positions Far from a cynical exercise of political interest changes and disagreements arose from serious theological considerations informed by each tradition s approach to the faith These theological shifts and corresponding shifts in interreligious political alliances led to the changing fortunes of Roe v Wade By capturing the fascinating and complicated history informing each faith s position Abortion and America s Churches restores much needed context to the sharp polarization over abortion today

Anti-Abortion Activism in the UK Pam Lowe, Sarah-Jane Page, 2022-04-19 Taking a lived religion approach that draws on extensive ethnographic research on abortion debates in public spaces Anti Abortion Activism in the UK explores the sacred and profane commitments of anti abortion activists and counter demonstrations outside clinics examining the contestations over space *Representing Abortion* Rachel Alpha Johnston Hurst, 2020-11-23 Representing Abortion analyses how artists writers performers and activists make abortion visible audible and palpable within contexts dominated by anti abortion imagery centred on the fetus and the erasure of the pregnant person challenging the polarisation of conversations about abortion This book illuminates the manifold ways that abortion is depicted and narrated by artists performers clinicians writers and activists This representational work offers nuanced and complex understandings of abortion personally and politically Analyses of such representations are urgently needed as access to abortion is diminished and anti abortion representations of the fetus continue to dominate the cultural horizon for thinking about abortion Expanding the frame of reference for understanding abortion beyond the anti abortion use of the fetal image contributors to this collection push

beyond narrow abstractions to examine representations of the experience and procedure of abortion within grounded histories politics and social contexts The collection is organized into sections around seeing and not seeing abortion fetal materiality abortion storytelling and memoir and representations for new arguments These themes cover a range of topics including abortion visibility anti abortion discourse pro choice engagements with the fetus personal experience and media representations The analyses of such representations counteract anti abortion rhetoric carving out space for new arguments for abortion that are more representative and inclusive and asking audiences to envision new ways to advocate for safe abortion access through reproductive justice frameworks This is an innovative and challenging collection that will be of key interest for scholars studying reproductive rights and reproductive justice as well as women and gender studies *Representing Abortion* is organized to structure upper year undergraduate and graduate courses on reproductive rights and reproductive justice in a new and engaging way *Abortion in the Age of Unreason* Warren M. Hern, 2024-09-30 This vivid account by a nationally prominent doctor reports the daily challenges of offering and receiving abortion services in a volatile political and social atmosphere In stories from the front lines from protecting patients and staff from protesters attacks to the dangers to women of restricted access to abortion services and the pertinent findings of his remote research in Latin America Hern's book is strikingly detailed just as it exposes the needs of women and the U S national interest Dr Hern an abortion specialist researcher scholar and highly visible public advocate shows how abortion saves women's lives given the many risks that arise during pregnancy remarkably more than most people realize He points to political and national solutions to reverse a reawakened crisis that now threatens democracy Throughout the book Dr Hern shows how the current emergency was largely created by political actors who have exploited and distorted the abortion issue to increase and consolidate their power A vital component of women's health care the crisis over abortion is not new Yet the reversal of *Roe v Wade* and the steady accumulation of power by America's right wing has put the issue at a level of urgency and national prominence not seen since the days before legalization Women's need for safe abortion services will continue as the struggle to secure their rights intensifies This book is about that struggle during what has evolved over the last 50 years to an Age of Unreason

Evangelicals and Abortion J. Cameron Fraser, 2024-04-18 *Evangelicals and Abortion* traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of *Roe v Wade* in 2022 *Abortion* Tamara Thompson, 2015-02-19 Nearly half of all pregnancies among U S women are unintended and about four in ten of these are terminated by abortion The writings in this anthology have been selected to introduce the reader to the broadest possible spectrum of viewpoints on the abortion debate A question and response format prompts readers to examine complex issues from multiple angles Students are encouraged to see the validity of divergent opinions so that they may understand the debate inclusively Fact boxes are included to summarize important information for researchers *Liberty and Sexuality*

David J. Garrow, 2015-07-07 Pulitzer Prize winning author David J Garrow's stirring and essential history of the politics of abortion and America's battle for the right to choose. In 1973 the Supreme Court handed down its landmark Roe v Wade decision legalizing abortion and more than forty years later the issue continues to spark controversy and divisiveness. But behind this historic legal case lie the battles women fought to establish their rights to use contraceptives and choose to have an abortion. Liberty and Sexuality traces these political and legal struggles in the decades leading up to Roe v Wade including the momentous 1965 Supreme Court ruling in Griswold v Connecticut that established a constitutional right to privacy. Garrow personalizes the struggles by detailing the vital contributions made by dozens of crusaders who tirelessly paved the way. This expansive and substantial work also addresses the threats to sexual privacy and the legality of abortion that have risen since Roe v Wade. With abortion still a contentious subject on the national political landscape, Liberty and Sexuality is not just a historical account of the right to choose but an indispensable read about preserving a freedom that continues to divide America.

The Abortion Market Katherine J. Parkin, 2025-09-16 The abortion market was a powerful economic force in American life. Before legalization lowered the cost, one million women each year collectively paid upward of 750 million for abortions. In this illuminating book, Katherine Parkin reveals the strength of a massive consumer market that involved loans, advertising, and travel, as well as the costs associated with the procedure itself. Laying the foundation for the emergence of a public market that facilitated the buying and selling of abortions, wealthy population control ideologists encouraged positive public discourse on abortion, funded medical studies, and waged legal battles. White, middle, and upper class women sought out abortions and paid exorbitantly for them. Male entrepreneurs emerged to capitalize on the booming market and profit from the incredible demand. Advertising on billboards and in college newspapers, men profited by providing the phone number, getting kickbacks for delivering patients, and arranging for women's travel to Mexico, Puerto Rico, England, and Japan. Students demanded abortion access and organized when it came at a steep cost, especially to the poorest among them. Abortion providers in Kansas, California, and Washington D.C. attracted out-of-state consumers, with some women aided by their universities or by medical insurance. Between 1970 and 1973, entrepreneurs, providers, and hundreds of thousands of women seeking to buy abortions headed to New York City, heralded by some as the abortion capital of the world. While we may have imagined that securing an abortion was best understood as a hidden, woman-only experience, *The Abortion Market* reveals the extent to which businesses and businessmen openly selling abortion access shaped the experience of buying abortions for millions of women.

Happy Abortions Erica Millar, 2017-12-15 A provocative and important book that every pro-choice advocate should read. Since the Kennedy Coalition to Repeal the 8th Amendment, when it comes to abortion, today's liberal climate has produced a common sense that is both pro-choice and anti-abortion. The public are fed an unchanging version of what the abortion choice entails and how women experience it. While it would prove highly unpopular to insist that all pregnant women should carry their pregnancy to term, the idea that abortion could or should be a happy experience for

women is virtually unspeakable In this careful and intelligent work Erica Millar shows how the emotions of abortion are constructed in sharp contrast to the emotional position occupied by motherhood the unassailable placeholder for women s happiness Through an exposition of the cultural and political forces that continue to influence the decisions women make about their pregnancies forces that are synonymous with the rhetoric of choice Millar argues for a radical reinterpretation of women s freedom

Catholicism and Historical Narrative Kevin Schmiesing,2014-01-30 Stories about the past shape not only the way people think about history but also the way they act in the present Nowhere is this truer than in the area of religion which has been and continues to be a powerful motivating force in the lives of billions around the globe In this volume Catholicism and Historical Narrative A Catholic Engagement with Historical Scholarship contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras Editor Kevin Schmiesing has gathered a distinguished group of scholars who in various ways call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals Built on ample evidence and employing keen insight each essay is the result of cutting edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth century papacy Students and scholars of religious history Catholic historians and anyone interested in the intersection of religion and history will all find here much to interest and maybe even surprise in the chapters arguments concerning the deficiencies of history s dominant narratives The volume s focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story

Communicating for Social Justice in Health Contexts: Creating Opportunities for Inclusivity Among Marginalized Groups Elizabeth M. Glowacki Vinita Agarwal,Vinita Agarwal,2023-10-19

The Philosophy of Sex Raja Halwani,Alan Soble,Sarah Hoffman,Jacob M. Held,2017-09-15 This best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Culture Wars and Local Politics Elaine B. Sharp,1999 This collection offers alternative explanations of local actions with a focus on conflict It features examples of experiences selected from various cities It examines how the responses of local governments to specific issues are influenced by such factors as political culture and intitutions

Abortion and Ireland David Ralph,2020-10-21 This book asks the crucial question of how it came to pass that on the 25 May 2018 the Irish electorate voted by a landslide in favour of changing its abortion legislation that for the previous thirty five years had been one of the most restrictive regimes in Europe The author shows how alongside traditional campaigning tactics such as street demonstrations door to door canvassing and the distribution of pro choice merchandise and information leaflets a key strategy of pro choice advocacy groups was to encourage first person abortion story sharing by women in their efforts to repeal the Eighth Amendment which had effectively banned abortion provision in the country The book argues that

a normalizing of abortion talk took place in the lead up to the referendum with women speaking publicly in unprecedented numbers about their abortion histories These women storytellers were mirroring certain pro choice movements in other contexts where a new sound it loud say it proud narrative around abortion experiences has emerged as a central contemporary strategy for destigmatizing abortion discourse Students and scholars across a range of disciplines including law gender studies sociology and human geography will find this book of interest

Global Perspectives on the Health Inequities in Sexual, Reproductive, and Maternal Health Post Roe v. Wade Lucy Ingram, Deborah L.

Billings, Ndidiamaka Amutah-Onukagha, Andrea Swartzendruber, Chelsea Morroni, Stephen Kennedy, Ana Langer, Supriya Dinesh Mehta, Janet Seeley, 2024-10-07 In June 2022 the United States U S Supreme Court overturned Roe v Wade 1973 with the Dobbs v Jackson Women s Health Organization case thereby eliminating the constitutional right to abortion As a result authority now resides with individual states to regulate abortion access Currently abortion is banned in several states severely restricted in some and protected in others While the impact of the Dobbs decision has yet to be fully realized it has severe implications for sexual and reproductive health rights and justice population health and health equity nationally and globally The impact of the ruling is expected to exacerbate existing health disparities and produce new inequities in sexual reproductive and maternal health outcomes disproportionately affecting pregnant people who are already minoritized or disenfranchised e g people of color people with low incomes young people people living in rural areas immigrants people who identify as LGBTQIA justice involved and unhoused communities living in states where abortion access has been banned or restricted This Research Topic aims to elucidate actual short term potential long term global and domestic health inequities produced by the Dobbs decision and to describe efforts and interventions designed and undertaken to reduce health impacts and inequities in advance or directly after the decision Recent data from countries that have restricted access to abortion over the past 30 years reveal that such laws actually increase rates of unsafe abortion which in many instances leads to pregnant people becoming severely ill or dying from preventable causes In an era of maternal health crisis for people of color in the U S and other disadvantaged populations around the world eliminating the constitutional right to abortion in the U S will have a reactionary impact on underserved and minoritized groups everywhere The implications will be felt globally as the Dobbs decision has triggered the development of restrictive policies increasing inequalities by social and demographic characteristics Many groups disproportionately experience social disadvantage yielding socially distributed negative exposures including severely limited access to care The goal of the article collection is to identify threats to results of and protections against inequities in reproductive health rights and justice Devoting a Special Issue to this topic brings vital and robust discourse about reproductive justice and health inequity to the forefront of public health

Reproduction and Society: Interdisciplinary Readings Carole Joffe, Jennifer Reich, 2014-09-04 A collection of essays framed with original introductions Reproduction and Society Interdisciplinary Readings helps students to think critically about reproduction as a

social phenomenon Divided into six rich and varied sections this book offers students and instructors a broad overview of the social meanings of reproduction and offers opportunities to explore significant questions of how resources are allocated individuals are regulated and how very much is at stake as people and communities aim to determine their own family size and reproductive experiences This is an ideal core text for courses on reproduction sexuality gender the family and public health Life After Roe David Closson,2025-04-01 Life After Roe equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the Dobbs v Jackson decision **Population Policy and Demographic Prospects in the People's Republic of China** John Shields Aird,1972

Press And Abortion Introduction

In the digital age, access to information has become easier than ever before. The ability to download Press And Abortion has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Press And Abortion has opened up a world of possibilities. Downloading Press And Abortion provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Press And Abortion has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Press And Abortion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Press And Abortion. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Press And Abortion, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Press And Abortion has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Press And Abortion Books

What is a Press And Abortion PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Press And Abortion PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Press And Abortion PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Press And Abortion PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Press And Abortion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
