Julio/El Sabio Ratón Y Su Amigo Julio Antonieta Máximo,2018-12-17 This is a children's work with good humor appropriate for children so as not to get bored with a sophisticated text that is not available to them The intention is to project a positive image to ensure that the children of now continue with traditional customs worry about what the teacher and the mother can think that is respect for the elderly and also very interested in being like the mouse with much interest in reading as well as a greater interest in learning If the mouse is so intelligent by eating the books he wants to imitate it by wanting to read the books he has heard from them but he has not read them We know that reading has lost interest in the new generation and with the advanced technology they neglect reading even with advanced technology Esta es una obra infantil con buen humor propio para niños para no aburrirse con un texto sofisticado que no está al alcance de ellos La intención es de proyectar una imagen positiva para lograr que los niños de ahora continúen con las costumbres tradicionales preocuparse lo que puede pensar la maestra y la madre ese es respeto a los mayores y además muy interesado en ser como el ratón con mucho interés en la lectura como también un mayor interés en aprender si el ratón es tan inteligente por comerse los libros quiere imitarlo queriendo leer los libros que ha escuchado de ellos pero no los ha leído Sabemos que la lectura ha perdido interés en la nueva generación y con la avanzada tecnología desatienden la lectura aun con la tecnología avanzada
