Preuben 2001 The Prubian Yearbook An Almanac

Maciej Piotr Michałowski

Preuben 2001 The Prubian Yearbook An Almanac:

The Prussian Yearbook Edelgard Abenstein,2000 *The Erotics of War in German Romanticism* Patricia Anne Simpson,2006 In *The Erotics of War in German Romanticism* Patricia Anne Simpson explores the ways early nineteenth century German philosophers poets and artists represent war and erotic desire The author argues that gender is connected to a larger debate about the construction of the self in relation to a community at a time that this definition is under revision She analyzes the culture of war as it shapes the bonds of fraternal familial and eventually national identity Simpson defines the erotics of war as discursive attempts to assert the priority of ethical identity and citizenship over individualized desire The seemingly ancillary problem of female desire emerges not as a marginal issue but as the focal point of a debate about identity **Mitteilungen aus dem botanischen Garten und Museum Berlin-Dahlem** ,2000 **Galeria Atanazego Raczynskiego** Maciej Piotr Michałowski,2005 **The Prussian Yearbook** Edelgard Abenstein,2000
