Preventive Counseling Helping People To Become Empowered In Systems And Settings:

Preventive Counseling Robert K. Conyne,2004-08-02 Among the new features in this edition are an entire section devoted to the practical applications of preventive counseling a comprehensive guide to useful resources and a self check assessment tool Written for both students and practitioners this wholly updated and revised edition is sure to become a standard resource within the growing fields of counseling and counseling psychology in particular and within the human services professions in general Jacket

Counseling for Wellness and Prevention Robert K. Conyne,2015-05-01 Counseling for Wellness and Prevention brings Preventative Counseling one of prevention s founding texts firmly into the twenty first century Counseling for Wellness and Prevention thoroughly updates and significantly expands on discussions of practical applications and emerging best practices Counselors and counseling psychologists will find evidence based contemporary guidance to help them engage in needed efforts to help clients and the general population to enhance their overall wellness and ward off future dysfunction Author Robert Conyne demonstrates the ways in which the traditional model of one to one therapy can be expanded to embrace wellness and prevention as well as strategies for putting into practice a broad range of environmental and system change strategies such as advocacy and community organization The book is well suited for adoption in counselor education courses and includes explicit connections to CACREP accreditation standards It s also an excellent choice for programs in psychology where the APA approved prevention guidelines for psychologists are now available and in social work where prevention and community change have long been hallmarks

Prevention in Psychology Robert K. Conyne,Arthur M. Horne,Katherine Raczynski,2012-12-20 This first book in the Prevention Practice Kit overviews the prevention field and Kit contents and highlights key points emerging through the historical evolution of prevention It gives special attention to elements that are infused throughout all books a systemic ecological approach and community and multi disciplinary collaboration Essential competencies needed for delivering prevention programs are identified such as the collaborative attitude and skills necessary to cross boundaries between health and mental health professionals and between scientific and community experts All this attention to prevention concepts and skills culminates in an extensive application of prevention focused on bullying so that readers can see an illustration of how prevention practice can occur Finally to further boost applied practice examples are sprinkled throughout the book accompanied by a set of learning exercises An extensive set of references concludes the book This book is part of the Prevention Practice Kit Action Guides for Mental Health a collection of eight books each authored by scholars in the specific field of prevention and edited by Dr Robert K Conyne and Dr Arthur M Horne The books in the collection conform to the editors outline to promote a consistent reading experience Designed to provide human services practitioners counselors psychologists social workers instructors and students with concrete direction for spreading and improving the practice of prevention the series provides thorough coverage of prevention application including a general overview of prevention best practices diversity and cultural

relevance psychoeducational groups consultation program development and evaluation evidence base and public policy This book is endorsed by the Prevention Section of the Society of Counseling Psychology of the American Psychological Association Fifty percent of all royalties are donated to Division 17 of the APA

Counseling for Wellness and Prevention Robert K. Conyne, 2015-05-01 Counseling for Wellness and Prevention brings Preventative Counseling one of prevention's founding texts firmly into the twenty-first century Counseling for Wellness and Prevention thoroughly updates and significantly expands on discussions of practical applications and emerging best practices Counselors and counseling psychologists will find evidence-based contemporary guidance to help them engage in needed efforts to help clients and the general population to enhance their overall wellness and ward off future dysfunction Author Robert Conyne demonstrates the ways in which the traditional model of one-to-one therapy can be expanded to embrace wellness and prevention as well as strategies for putting into practice a broad range of environmental and system change strategies such as advocacy and community organization The book is well suited for adoption in counselor education courses and includes explicit connections to CACREP accreditation standards It's also an excellent choice for programs in psychology where the APA approved prevention guidelines for psychologists are now available and in social work where prevention and community change have long been hallmarks

Prevention Program Development and Evaluation Robert K. Conyne, 2009-06-12 The use of seatbelts the requirements for smoke detectors and other kinds of public health interventions have been highly successful in reducing disability injuries and premature mortality Prevention in mental health identifying and treating mental illnesses before they become full-blown syndromes or identifying people at risk for a condition is just as critical to public mental health This research-based resource gives practitioners a nuts and bolts guide to designing and evaluating prevention programs in mental health that are culturally relevant and aimed at reducing the number of new problems that occur Key Features Employs a 10-step prevention program development and evaluation model that emphasizes the concepts of community collaboration and cultural relevance Offers a brief practical how-to approach that is based on rigorous research Identifies specific prevention program development and evaluation steps Highlights examples of everyday prevention practices as well as concrete prevention programs that have proven effective implementation Promotes hands-on learning with practical exercises instructive figures and a comprehensive reference list Intended Audience Written in a straightforward and accessible style Prevention Program Development and Evaluation can be used as a core text in undergraduate courses devoted to prevention or in graduate programs aimed at practice issues Current practitioners or policymakers interested in designing prevention programs will find this book to be an affable guide
