Prey For My Sins:

Pray While You're Prey Toni L. Wortherly, 2004 Where do I begin with this review I think I should take my sisters advice and repeat what she often tells me If I cant say amen just say ouch Keeping that in mind Im over here saying ouch because author Toni L Wortherly is on my toe stomping pretty hard with this petite but powerful book As a single Christian woman combating some of the issues of loneliness and frustration associated with living a single life this book speaks volumes to me There is nothing like reading what youre going through to let the reader know they are not alone on this journey As Ive pledged my life to following the tenants of my faith its good to have confirmation in the form of a book which I can reference from time to time Ill admit that Im not crazy about the title I dont like to be referred to as prey or as the hunted The Word of God says He that finds a wife finds a good thing so a loose translation would mean that I am prey I would hope that my mate wouldnt refer to me in this manner The translation would also imply that Im weak or defenseless I feel that Im a strong vessel who patiently awaits capture Pray While Youre Prey is a great read for single women Those of us who have the desire to be spiritually grounded in all that we do can draw strength from the scripture interpretation and study questions found at the end of each chapter This is a book to share with your entire cadre of single sister friends as we journey down the path to closeness with God and the quest to be a virtuous woman and wife *Leaves of Healing* ,1902 **The Dublin review** ,1847 *The Dublin Review* Nicholas Patrick Wiseman,1847 A Complete Concordance to the American Standard Version of the Holy Bible ... Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon,2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky **Study Through the Ages** Robert Wyeth,2017-10-19 All the authors had their way of writing down what they thought the place where they lived the current ideas the situation of the times and the concept of what they were expecting to happen Suddenly the words they used over several centuries regardless of where they stayed was left by God to them to find a way of creating by hand a script which eventually led to the sixty six books that we know of as the Bible And suddenly looking through it we find similarities of thought and a pattern that stretches over the whole Bible that tells us what the Lord would have us do Its like Gods manual for living Take for example the word angel they would be messengers of God The Lord planned it so Therere no wings They do not marry They are invisible They are like winds and fires and they can no longer die Therere several subjects most authors would be pleased to write down but God knew and decided they were angels of God
