

The background of the cover is a detailed geometric construction on a light tan, aged paper. It features a large central circle with a black dot at its center. From this center, numerous lines radiate outwards, intersecting with other circles and lines to form a complex web of geometric shapes. Some lines are black, while others are red. There are also smaller circles and arcs scattered throughout the construction. The overall style is that of a technical drawing or a mathematical proof from a historical text.
