Private Lives Of Sherlock Holmes:

The Private Lives of Sherlock Holmes Michael Lambe, 1988* **The Private Life of Sherlock Holmes** Vincent Starrett, 2014-11-25 An indispensable biography of the world's most famous detective from Mystery Writers of America Grand Master Vincent Starrett. In a boarding house at 221B Baker Street a genius is at work. With the help of his tireless companion Dr Watson the peerless Sherlock Holmes solves one impossible mystery after the next. Many of his adventures such as *The Hound of the Baskervilles* and *The Red Headed League* are world famous while others including *The Adventure of the Tired Captain* and *The Singular Affair of the Aluminum Crutch* remain strictly private simply because Watson cannot find the time to write them down. This glimpse into the secret case files of England's greatest detective is just one of the fascinating tidbits included in Vincent Starrett's landmark book of Sherlockiana. A founding member of the Baker Street Irregulars Starrett enriches his meticulous research with a true fan's delight. Whether he is discussing Arthur Conan Doyle's real life criminal investigations or detailing the layout of 221B Baker Street and its surrounding neighborhood Starrett's deep appreciation for the stories and their inimitable hero is infectious. Countless companion volumes to the series have been published but none offers as much insight and entertainment as *The Private Life of Sherlock Holmes* does. This ebook has been professionally proofread to ensure accuracy and readability on all devices. **The Private Life of Sherlock Holmes.**

Cover *Some Like It Wilder* Gene D. Phillips, 2010-02-05 A biography of the six time Oscar winning director of films like *Some Like It Hot* and *Double Indemnity* featuring analysis of his work. Although his career spanned fifty years and included more than fifty films Austrian American film director Billy Wilder 1906-2002 may be best known for the legendary

shot of Marilyn Monroe's dress billowing over a subway grating in *The Seven Year Itch* 1955. This shot seen round the world is representative not only of Hollywood's golden era of cinema but also of one of its most prolific and brilliant directors Wilder whose filmography includes such classics as *Sunset Boulevard* 1950 *Sabrina* 1954 *Witness for the Prosecution* 1957 and *Some Like It Hot* 1959 is often remembered for his versatility biting wit and passion for challenging social and moral conventions. Author Gene D Phillips departs from the traditional biography in *Some Like It Wilder* offering new insights into the acclaimed director's professional and private life. In preparation for the book Phillips conducted personal interviews with Wilder and other key players from the legendary director's life and times. Phillips's unique combination of analysis and biographical detail brings Wilder to life as both an artist and man. Phillips traces Wilder's path from Berlin where he worked as a scriptwriter for one of the city's largest studios to Hollywood where he would quickly establish himself as a premier film director. Forming a partnership with writer/producer Charles Brackett Wilder directed the classic films *Five Graves to Cairo* 1943 *Double Indemnity* 1945 and *The Lost Weekend* 1945 which earned Academy Awards for best picture best director and best screenplay. During the 1960s Wilder continued to direct and produce controversial comedies including *Kiss Me Stupid* 1964 and *The Apartment* 1960. *The Apartment* brought Wilder another round of Oscars for best picture best director and best screenplay. Wilder's maverick approach and independent artistic vision pushed boundaries and ensured his legacy as one of the Hollywood greats. Sharply written *Some Like It Wilder* serves as a comprehensive companion to Wilder's films offering a personalized and heartfelt account of the life and genius of this compelling director. Praise for *Some Like It Wilder* Featuring Gene D Phillips unique in depth critical approach *Some Like It Wilder* provides a groundbreaking overview of a filmmaking icon. This definitive biography reveals that Wilder was and remains one of the most influential directors in filmmaking. Turner Classic Movies Phillips goes beyond the surface and deep into the complex mind and soul of the famous film director. This book is in my view definitive. Vincent LoBrutto author of *Martin Scorsese: A Biography* **Jules Verne Lives!** Gary Westfahl, 2023-07-05 This volume is a fresh examination of the works of Jules Verne the pioneering and enduringly popular science fiction writer. Essays study Verne's various novels including *Around the World in Eighty Days* *The Mysterious Island* and *The Adventures of Captain Hatteras*. Included essays offer analyses of literary responses to Verne's work assessments of film adaptations of his novels and discussions of steampunk the Verne inspired science fiction subgenre that has influenced writers like Philip Jose Farmer Caleb Carr and Adam Roberts **The Continuity Girl** Patrick Kincaid, 2018-03-09 The *Continuity Girl* is centred on the supposed discovery of an uncut print of Billy Wilder's celebrated film *The Private Life of Sherlock Holmes* 1970. It begins in the run up to 2014's Scottish independence referendum when Gemma MacDonald a London based Film Studies lecturer of Scottish heritage is tasked with presenting the new print at a festival screening in Inverness. She seeks out April Korzeniowski the movie's Californian continuity supervisor. NB in reality this role fell to Elaine Schreyeck whose remarkable career deserves another and quite different book. We then switch to 1969 and learn of the affair

that develops between April and a young English scientist Jim Outhwaite Jim is a member of the Loch Ness Research Group and thus a dedicated seeker of evidence for the Loch Ness monster But in life as in a Billy Wilder movie nothing goes to plan and nobody is quite who they seem While men are landing on the moon and the 1960s approaches its bitter gloriously sound tracked end fault lines begin to appear between the director and his stars between Jim and his colleagues and their wives and between lovers brought together by extreme circumstances It s a long wait for golden time to alight on Urquhart Castle and when it does the moment must be snatched before it s gone Hammer Complete Howard Maxford,2018-12-31 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution
