Private Lives Of Victorian Women Autobiography In Nineteenth Century England:

The Private Lives of Victorian Women Valerie Sanders,1989 **Women and Literature in Britain 1800-1900**

Joanne Shattock,2001-08-30 These new essays by leading scholars explore nineteenth century women s writing across a spectrum of genres The book s focus is on women s role in and access to literary culture in the broadest sense as consumers and interpreters as well as practitioners of that culture Individual chapters consider women as journalists editors translators scholars actresses playwrights autobiographers biographers writers for children and religious writers as well as novelists and poets A unique chronology offers a woman centered perspective on literary and historical events and there is a guide to further reading *British Women's Life Writing, 1760-1840* A. Culley,2014-07-22

British Women's Life Writing 1760 1840 brings together for the first time a wide range of print and manuscript sources to demonstrate women s innovative approach to self representation It examines canonical writers such as Mary Wollstonecraft Mary Robinson and Helen Maria Williams amongst others **The Cambridge Companion to Victorian Women's Writing** Linda H. Peterson,2015-10-15

Innovative and comprehensive coverage of women writers careers and literary achievements spanning many literary genres during the Victorian period **Women's Life Writing, 1700-1850** D. Cook,A. Culley,2016-04-13 This collection discusses British and Irish life writings by women in the period 1700 1850 It argues for the importance of women s life writing as part of the culture and practice of eighteenth century and Romantic auto biography exploring the complex relationships between constructions of femininity life writing forms and models of authorship **Women and the Autobiographical Impulse**

Barbara Caine,2023-09-07 Forming a critical introduction to the history of women s autobiography from the mid 18th century to the present this book analyses the most important changes in women s autobiography exploring their motivation context style and the role of life experiences Caine effortlessly segues across three centuries of history from the emergence of the modern autobiography in the 18th century which laid bare the scandalous lives of fallen women to the literary and suffragist autobiographies of the 19th century to the establishment of feminist publishers in the 20th century and the taboo shattering autobiographies they produced The result is a much needed history one which provides a different way of thinking about the trajectory of genre information Caine s compelling study fills an important gap in the genre of autobiography by embracing a wide range of women and offering an extensive discussion of the autobiographies of women across the 19th and 20th centuries making it ideal for classroom use **Julia Wedgwood, The Unexpected Victorian** Sue Brown,2022-03-08

Though Julia Wedgwood is still remembered as a commentator on the work of her uncle Charles Darwin and for her brief but intense friendship with Browning her contemporary standing as a writer the thoughtful woman par excellence has been obscured as has her role in the pioneering days of women s higher education and the first campaigns for female suffrage Based on her extensive correspondence and unusually wide ranging work this biography unites the private person and the public writer It also looks at her many relationships with leading Victorian cultural figures including not only Darwin and

Browning but George Eliot Mrs Gaskell Harriet Martineau Frances Power Cobbe F D Maurice Richard Hutton Arthur Munby and the young E M Forster It considers the challenges facing a single deaf Victorian woman in establishing her own independent but unconventional life *The Selected Works of Margaret Oliphant, Part I Volume 1* Joanne Shattock,2024-05-31 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty five works of non fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work English Prose of the Nineteenth Century Hilary Fraser,Daniel Brown,2017-07-12 Hilary Fraser provides a comprehensive and thorough survey of English prose in the nineteenth century which draws from a wide variety of fields including art literary theory and criticism biography letters journals sermons and travel reportage Through these works the cultural social literary and political life of the nineteenth century a period of great intellectual activity can be charted discussed and assessed For the first time an inclusive critical survey of nineteenth century non fiction is presented that traces the century's ideological and cultural upheavals as they are registered in the literary textures of some of its most widely read and influential writings The book explores the relations between writers who are generally perceived as occupying different discursive spheres for example between John Stuart Mill Florence Nightingale and Mrs Beeton between Cardinal Newman Elizabeth Gaskell and Hannah Cullwick and between Charles Darwin David Livingstone and Henry Mayhew The establishment and development of different genres and their interactions over the century are clearly mapped The genre of the periodical essay a distinctively modern and flexible form catering to the mass readership is the subject of the introduction and then more specialist fields are discussed covering scientific writing travel and exploration literature social reportage biography autobiography journals letters religious and philosophical prose political writing and history **The Origin of the Modern Jewish Woman Writer** Michael Galchinsky,2018-02-05 Analyses the development of Jewish women's writing in relation to Victorian literary history women's cultural history and Jewish cultural history Between 1830 and 1880 the Jewish community flourished in England During this time known as *haskalah* or the Anglo Jewish Enlightenment Jewish women in England became the first Jewish women anywhere to publish novels histories periodicals theological tracts and conduct manuals The Origin of the Modern Jewish Woman Writer analyzes this critical but forgotten period in the development of Jewish women's writing in relation to Victorian literary history women's cultural history and Jewish cultural history Michael Galchinsky demonstrates that these women writers were the most widely recognized spokespersons for the *haskalah* Their romances some of which sold as well as novels by Dickens argued for Jew's emancipation in the Victorian world and women's emancipation in the Jewish world
