Ringma, 2023-05-31 How are we to sustain activism and compassion amidst the never ending crises of the twenty first century While the concern for social justice is deeply biblical cynicism burnout and despair are all too common side effects when action is divorced from contemplation To effectively serve as the hands and feet of Jesus the church must attend to the revitalization of its inner life through the spiritual practices which feed support and sustain the work of the kingdom Rather than the fragmentation and dualism that have led denominations to choose between prayer and service evangelization and justice the church must integrate heart mind and body in order to fulfil its calling to transform the world from within Drawing from Scripture and a wide range of Christian traditions from the monastic to the evangelical this book inspires its readers to integrate spiritual renewal and prophetic witness for the glory of God and the good of his creation Apocalypse, Prophecy, and Pseudepigraphy John J. Collins, 2015 A highly regarded expert on the Jewish apocalyptic tradition John J. Collins has written extensively on the subject Nineteen of his essays written over the last fifteen years including previously

Disavowing Constantine Nigel G. Wright,2007-01-01 Disavowing Constantine draws upon the work of two highly influential modern theologians Jürgen Moltmann and John Howard Yoder to develop an independent and constructive understanding of the relation of the church to the state Its aim is to restate for modern understanding the insights of the Believers Church tradition and to work out their implications for Christian participation in the civil order In this complex realm positive insights are located in traditions usually regarded as incompatible but the thesis of the book concerns disavowing Constantine renouncing the reliance of the church upon coercive power to further its mission in order to rediscover how a faithful church might nonetheless participate as a witness within the power structures of human society

Leaning into the Future Poul F Gutesen,2011-05-26 Leaning into the Future seeks to explore what it may mean to believe in the Kingship of God and wait for his Kingdom by considering the fundamental role the Kingdom of God plays in the theology of Jürgen Moltmann and in the book of Revelation Part one is devoted to how Moltmann understands The Kingdom of God as the fundamental symbol of hope for humanity and how he sees the presence of God s reign and kingdom in history as hidden and paradoxical Part two turns to the way the Book of Revelation uses royal and other political language in its portrait of the future and God s presence in history In this second part the book also seeks to explore how Moltmann and the Apocalypse may mutually inform each other how Moltmann may help us read this biblical book today and how it in turn may overcome some of the weaknesses in Moltmann s proposal God, Order, and Chaos Stephen Finamore,2009-04-01 The ideas of René Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard s theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day **The Social Ethos of the Corinthian Correspondence** David G. Horrell,1996-01-01 An exemplary study focussing on the Corinthian correspondence of the social ethos of early Christian teaching and its development
