

The Changing Welfare State Agenda of Radical Right Parties in Europe

Alexandre Afonso, Leiden University

Line Rennwald, European University Institute

Abstract

The chapter explores the importance of the welfare state as a political issue for radical right parties, a party family that is usually considered to mobilize their voters on cultural issues such as immigration, rather than socio-economic issues such as welfare. Since their constituency has become increasingly working-class, a constituency traditionally supportive of welfare programmes, understanding how radical right parties position themselves on this issue is important. Afonso and Rennwald consider the role of the class setup of parties, party competition and issue salience as possible determinants of welfare state positions. Coalition considerations forces right-wing populist parties to take a clearer stance towards the welfare state, either because they wish to depart from their image as single-issue parties in an attempt to normalize their image, or to increase their attractiveness as coalition partners. Based on an analysis of voter profiles and the economic agendas of right-wing populist parties in recent years, they find that the welfare state tends to gain in importance for a number of right-wing populist parties, and their electorate has become increasingly working class. Yet, there is no mechanistic relationship between voter profiles and the welfare position of parties. Salience is an important determinant in their agenda: the more prominent redistribution is in their agenda, the more left-wing they are. This relationship cannot be observed for other right-wing parties.

1. Introduction

While the left generally stands for state redistribution and the right generally stands for lower taxes, it is difficult to say what the radical right really stands for in the domain of welfare and redistribution. While other party families based on longstanding cleavages usually display a fair degree of consistency in their socio-economic policy positioning, the radical right party family seems to display a much greater degree of variation across countries and across time. Indeed, the economic policies of radical right parties have spanned from libertarian to socialist, with different shades of welfare chauvinism in-between. The objective of this chapter is to assess the socio-economic positioning of radical right parties and to examine the determinants of their turn towards more pro-welfare state positions. We shed light on this mechanism by looking at the composition of their electorate, and the strategic context they find themselves in vis-à-vis other parties.

The ambiguity of the socio-economic positioning of the radical right appears regularly. In the lead-up to the European Parliament elections of June 2014, for instance, UKIP's Nigel Farage said that his party was very different from other parties also labelled as "far right" in

Radical Right And The Welfare State

Alexander Anievas, Richard Saul

Radical Right And The Welfare State:

How the Radical Right Has Changed Capitalism and Welfare in Europe and the USA Philip Rathgeb, 2024

Combining insights from comparative politics party politics comparative political economy and welfare state research the book provides novel insights into how the radical right manufactures consent for authoritarian rule

Radical Right-Wing Populism in Western Europe Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today

The Developing of the Radical Rights in France Edward J. Arnold, 2000-05-23 This book traces the origins and evolution of extreme right wing thought in France from the end of the nineteenth century to the present day It establishes the presence of an ideological tradition or organicist exclusive nationalism initiated at the end of the nineteenth century which adapts itself to the post First World War and re emerges forcibly during the Occupation Elements of this same tradition are present in the modern discourse of the extreme right in post war France This helps the student of modern French politics to see movements like the Front National in their historical perspective

The Routledge Handbook of Far-Right Extremism in Europe Katherine Kondor, Mark Littler, 2023-09-12 The Routledge Handbook of Far Right Extremism in Europe is a timely and important study of the far and extreme right wing phenomenon across a broad spectrum of European countries and in relation to a selected list of core areas and topics such as anti gender identitarian politics hooliganism and protest mobilisation The handbook deals with the rise and the developments of far right movements parties and organisations across diverse countries in Europe Crucially it discusses the main topics and issues pertaining to far right ideology and positioning and considers how central and less central actors of far right milieus have fared within the given context Comprising a wide range of subject expertise the contributors focus on far right organisations on the margins of the electoral sphere as well as street level movements and the relationship between them and electoral politics The handbook spans nearly twenty European country cases grouped according to geographical regional area It includes case studies where the far right has gained increased momentum as well as countries where it has been much less successful in mobilising public opinion and the electorate e g Ireland and Portugal Another important feature is the inclusion of street level mobilisations such as football firms thereby expanding and updating existing research which is primarily focused on political parties and organisations Multidisciplinary and comprehensive this handbook will be of great interest to scholars and students of Criminology Political Science Extremism Studies European Studies Media and Communication and Sociology This project has received funding from the European Union s Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 101029801

Handbook on the Political Economy of Social Policy Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy

in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research The Repoliticization of the Welfare State Ian P McManus,2022-07-12 The Repoliticization of the Welfare State grapples with the evolving nature of political conflict over social spending after the Great Recession While the severity of the economic crisis encouraged strong social spending responses to protect millions of individuals governments have faced growing pressure to reduce budgets and make deep cuts to the welfare state Whereas conservative parties have embraced fiscal discipline and welfare state cuts left wing parties have turned away from austerity in favor of higher social spending These political differences represent a return of traditional left right beliefs over social spending and economic governance This book is one of the first to systematically compare welfare state politics before and after the Great Recession arguing that a new and lasting post crisis dynamic has emerged where political parties once again matter for social spending At the heart of this repoliticization are intense ideological debates over market regulation social inequality redistribution and the role of the state The book analyzes social spending dynamics for 28 countries before and after the crisis It also includes in depth country case studies representing five distinct welfare state types Germany the United Kingdom Sweden Spain and the Czech Republic **Theoretical Criminology from Modernity to Post-Modernism** Wayne Morrison,2014-12-18 This book incorporates many of the exciting debates in the social sciences and philosophy of knowledge concerning the issues of modernity and post modernism It sets out a new project for criminology a criminology of modernity and offers a sustained critique of theorizing without a concern for social totalities This book is designed to place criminological theory at the cutting edge of contemporary debates Wayne Morrison reviews the history and present state of criminology and identifies a range of social problems and large scale social processes which must be addressed if the subject is to attain intellectual commitment This book marks a new development in criminological texts and will serve a valuable function not only for students and academics but for all those interested in the project of understanding crime in contemporary conditions *The Radical Right* Klaus Wahl,2019-10-31 This book analyses the rise in xenophobia racism and radical right political parties movements and violent groups over recent years The author provides a summary of the current state of international and interdisciplinary research on the multilevel explanations of right wing radical thought comparing similarities and differences across Europe and the United States By integrating findings from psychology history social and life sciences he proposes a biopsychosociological model of the conditions causes catalysts and triggers of phenomena of the radical right across the world Following a demand and supply analysis Wahl explores the interaction of evolutionary emotional mechanisms and socialization processes with various environmental conditions and consequent manifestations of radical right groups to identify strategies to slow down the rise

and effects of the radical right **The Far-Right in World Politics** Alexander Anievas, Richard Saull, 2024-11-01 This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South The rise of far right forms of politics in recent years throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics indicating a common set of enabling conditions and characteristics It is this unprecedented context in the history of the post war liberal international order that this edited volume aims to address In doing so it brings together a diverse range of scholars many of whom have developed an internationally recognized expertise in the study of the far right and International Relations IR Reflecting a plurality of methodological and theoretical perspectives the chapters cover a variety of theoretical and conceptual issues including analyses of different geopolitical and national expressions of the contemporary far right Notwithstanding such diversity the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations especially with respect to the development of and crises within the contemporary international order From this perspective the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and reproduced within the sinews of an evolving liberal international order even as the far right also represents an antagonism to some elements of said order Providing a much needed global perspective this book will be of great interest to students and scholars of populism far right politics conservatism and international relations The chapters in this book were originally published as a special issue of *Globalizations* and are accompanied by a new epilogue [The Radical Right in Switzerland](#) Damir Skenderovic, 2009-09-01 There has been a tendency amongst scholars to view Switzerland as a unique case and comparative scholarship on the radical right has therefore shown little interest in the country Yet as the author convincingly argues there is little justification for maintaining the notion of Swiss exceptionalism and excluding the Swiss radical right from cross national research His book presents the first comprehensive study of the development of the radical right in Switzerland since the end of the Second World War and therefore fills a significant gap in our knowledge It examines the role that parties and political entrepreneurs of the populist right intellectuals and publications of the New Right as well as propagandists and militant groups of the extreme right assume in Swiss politics and society The author shows that post war Switzerland has had an electorally and discursively important radical right since the 1960s that has exhibited continuity and persistence in its organizations and activities Recently this has resulted in the consolidation of a diverse Swiss radical right that is now established at various levels within the political and public arena

Radical Right And The Welfare State Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Radical Right And The Welfare State free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Radical Right And The Welfare State free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Radical Right And The Welfare State free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Radical Right And The Welfare State. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Radical Right And The Welfare State any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Radical Right And The Welfare State Books

1. Where can I buy Radical Right And The Welfare State books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
