**Rosezinda** John F. Parker,2003-06-23 *Rosezinda Riding Rainbows* is a fanciful tale that literally starts out with a bang Within seconds of being struck by a speeding van Cora a plucky outspoken 13 year old is taken on the thrill ride of her young life Arriving in a new reality called E and renamed Rosezinda she encounters a collection of colorful individuals who take her on a series of hair raising adventures This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending I didn t want to put it down until I had read the last word even then I found myself turning the page wanting more The evocative imagery and eccentric characters are worthy of a Spielberg movie especially the wonderful basketball game which is unlike any basketball game the reader could ever imagine Though the story s intended audience is children who I believe will be entranced by it it may be enjoyed on multiple levels by older readers Parents may wish to read *Rosezinda Riding Rainbows* with their children and discuss some of the provocative questions it brings up I m anxious to read more of Rosezinda s adventures I applaud Parker on his originality and creativity Linda R Thompson Ed D Director of Student Support Services Harding University Arkansas John Parker s book is exciting because it includes the things that are important in life When I grow up I will make a movie out of it if there isn t one by then 12 year old Alex in grade six Vancouver BC Parker has created a wonderful magical world that is totally against the readers perception of reality but which seems entirely plausible Monique Trottier Raincoast Publishers I predict that *Rosezinda* will become a classic Dr Jennifer Hurd Senior Consultant Houghton Mifflin I can size *Rosezinda* up in one word BRILLIANT R Rudolph Harmony House Publishers More Praise for *Rosezinda* inside
