Rainer Maria Rilke His Life Work:

The Poet's Guide to Life Rainer Maria Rilke, 2005 Presents a selection of observations and reflections on the topics of illness and death dreams and religion language and art love and happiness work and ambition and childhood and old age

Rainer Maria Rilke F. W. van Heerikhuizen, 2020-01-30 Originally published in English in 1951 this biography of one of Germany's foremost mystical poets disproves many of the myths surrounding Rainer Maria Rilke and examines his life and work from social historical and psychological perspectives while all the time referencing Rilke's works to his complex personality The legacy of his work on younger generations is also examined All German prose quotations have been translated into English for this edition existing translations used for the German poetry *Letters of Rainer Maria Rilke, 1910-1926* Rainer Maria Rilke, 2014-04-07 This volume of Rilke's letters covers the years from the completion of The Notebooks of Malte Laurids Brigge to Rilke's death in December 1926 nearly five years after he had written the Duino Elegies and the Sonnets to Orpheus his last major works There are important letters here to Muzot Lou Andreas Salome to Princess Marie of Thurn and Taxis Hohenlohe and many others The most significant of the Wartime Letters 1914-1921 are also included An Introduction briefly traces the development of Rilke's work during these years the Notes provide the necessary framework of biographical details and point up significant references to the poetry **The Life of the Virgin**

Mary Rainer Maria Rilke, 1972 The German poet Rainer Maria Rilke began work on these poems in 1900 with three short pieces while he was engaged in The Book of Hours but it wasn't completed until 1911 The impulse for it may have come from his memory of Russian icons depicting the Mother of God This slight work has the framework of a biblical narrative and charts the unfolding of the divine drama culminating in Mary's assumption into heaven A feeling of reverence pervades the sequence of thirteen poems Although he did not hold any orthodox beliefs as a poet he was of the firm conviction that his work was dictated from above One can read in the wonder and mystery conveyed in the poems Rilke's belief in the presence of a transpersonal wisdom to which every man has access and which mediates between the ego and the Higher Self Christine McNeill is a poet Kissing the Night and translator and works as a tutor of German The Waxwing Series *Rainer Maria Rilke* F. Heerikhuizen, 1957 *Ahead of All Parting* Rainer Maria Rilke, 2015-01-21 The reputation of Rainer Maria Rilke has grown steadily since his death in 1926 today he is widely considered to be the greatest poet of the twentieth century This Modern Library edition presents Stephen Mitchell's acclaimed translations of Rilke which have won praise for their recreation of the poet's rich formal music and depth of thought If Rilke had written in English Denis Donoghue wrote in The New York Times Book Review he would have written in this English *Ahead of All Parting* is an abundant selection of Rilke's lifework It contains representative poems from his early collections The Book of Hours and The Book of Pictures many selections from the revolutionary New Poems which drew inspiration from Rodin and Cezanne the hitherto little known Requiem for a Friend and a generous selection of the late uncollected poems which constitute some of his finest work

Included too are passages from Rilke's influential novel *The Notebooks of Malte Laurids Brigge* and nine of his brilliant uncollected prose pieces. Finally the book presents the poet's two greatest masterpieces in their entirety: the *Duino Elegies* and *The Sonnets to Orpheus*. Rilke's voice with its extraordinary combination of formality, power, speed and lightness can be heard in Mr Mitchell's versions more clearly than in any others, said W S Merwin. His work is masterful.

Rilke's Book of Hours Rainer Maria Rilke, 1997-04-01 At the beginning of this century a young German poet returned from a journey to Russia where he had immersed himself in the spirituality he discovered there. He received a series of poems about which he did not speak for a long time; he considered them sacred and different from anything else he ever had done and ever would do again. This poet saw the coming darkness of the century and saw the struggle we would have in our relationship to the divine. The poet was Rainer Maria Rilke and these love poems to God make up his *Book of Hours*.

Letters to a Young Poet Rainer Maria Rilke, 2014-03-24 Rilke's timeless letters about poetry, sensitive observation and the complicated workings of the human heart. Born in 1875, the great German lyric poet Rainer Maria Rilke published his first collection of poems in 1898 and went on to become renowned for his delicate depiction of the workings of the human heart. Drawn by some sympathetic note in his poems, young people often wrote to Rilke with their problems and hopes. From 1903 to 1908 Rilke wrote a series of remarkable responses to a young would-be poet on poetry and on surviving as a sensitive observer in a harsh world. Those letters still a fresh source of inspiration and insight are accompanied here by a chronicle of Rilke's life that shows what he was experiencing in his own relationship to life and work when he wrote them.

Letters to a Young Poet - Rilke Rainer Maria Rilke, 2025-05-12 *Letters to a Young Poet* by Rainer Maria Rilke is a profound and introspective collection of ten letters written between 1903 and 1908 to Franz Xaver Kappus, a young aspiring poet. In these letters Rilke offers deeply personal reflections on the creative process, solitude, love and the challenges of artistic life. Rather than providing conventional advice, he encourages Kappus to look inward, to trust in his own experiences and to embrace uncertainty as a vital part of artistic and personal growth. Since its publication, *Letters to a Young Poet* has resonated with generations of readers, artists and thinkers. Its meditative tone and timeless insights extend beyond poetry, offering guidance to anyone navigating the complexities of life and self-expression. Rilke's emphasis on patience, authenticity and inner development has made the book a cherished companion for those seeking meaning in their creative or emotional journeys. The enduring appeal of *Letters to a Young Poet* lies in its quiet wisdom and its invitation to embrace solitude as a space for transformation. Rilke's words continue to inspire by affirming the power of introspection and the necessity of living one's questions fully with openness and courage.

Rainer Maria Rilke's The Book of Hours Rainer Maria Rilke, 2008 The *Book of Hours*, written in three bursts between 1899-1903, is Rilke's most formative work, covering a crucial period in his rapid ascent from fin de siècle epigone to distinctive modern voice. The poems are crucial documents of Rilke's development: from his tour around Russia with Lou Andreas Salome through his hasty marriage to Clara Westhoff in the artists' community of Worpswede to his turn toward the

urban modernity of Paris Rilke assumes the persona of an artist monk undertaking the Romantic's journey into the self speaking to God as part transcendent deity part needy neighbor Echoes of his juvenile style persist yet by the end of the book the influence of the sculptor Rodin is discernible in the distinctive idiom of urbanity in the terminology of things and in Rilke's turn to the everyday world around him Jacket flap

Immerse yourself in the artistry of words with is expressive creation, **Rainer Maria Rilke His Life Work** .
