Curtis, 2015-10-19 This military history chronicles a time during the Vietnam War when fighting stopped and the 101st Airborne helped those in need during a natural disaster For three days during the Vietnam War it wasn't rockets or artillery that came through the skies but a horrific force of nature that suddenly put both sides in awe When Super Typhoon Joan arrived in October 1970 an unofficial truce began Air crewman faced masses of Vietnamese civilians outside their base perimeters for the first time Could we trust them not to shoot Could they trust us not to drop them off in a detention camp Truces never last but while they do life changes for everyone involved The typhoon truce stopped the war for three days in northern I Corps that area bordering the demilitarized zone separating South Vietnam from North Then less than a week later Super Typhoon Kate hit the same area with renewed fury As the entire countryside was flooded the people faced war and natural disaster at the same time No one but the Americans had the resources to help the people who lived in the lowlands and so they did The everyday dangers they faced were only magnified by low clouds and poor visibility But the aircrews of the 101st Airborne went out to help anyway In this book we see how for a brief period during an otherwise vicious war saving life took precedence over bloody conflict

Love Warps the Mind a Little: A Novel John Dufresne, 2008-01-17 Reissue of a favorite novel by a generous and lyric storyteller San Francisco Chronicle known for his tragicomic voice and unforgettable characters Ever since Lafayette Proulx quit his day job left his wife hauled his dog and his Royal portable across town to Judi Dubey's house and set out at last to be a fiction writer his life has been a sordid mess Judi's exotically dysfunctional family isn't all to blame Sure the murders are disconcerting And yes Judi's father's gone off the deep end Worse are the vicious rejection letters Laf gets from editors To top it off Laf's falling for Judi at the same time he's nettled with guilt is in marriage counseling with his wife and is writing his long hoped for novel When Judi is diagnosed with stage IV cancer they both struggle to find the memory that will comfort the truth that will redeem in a world where everyone suffers some kind of love disorder John Dufresne called a highly readable Faulkner will once again take the literary world by storm with this new tragicomic tale **Talking Hawaii's Story** Michiko Kodama-Nishimoto, Warren Nishimoto, Cynthia A. Oshiro, 2009-05-01 Talking Hawaii's Story is the first major book in over a

generation to present a rich sampling of the landmark work of Hawaii's Center for Oral History. Twenty-nine extensive oral histories introduce readers to the sights and sounds of territorial Waikiki to the feeling of community in Palama in Kona or on the island of Lanai and even to the experience of a German national interned by the military government after Pearl Harbor. The result is a collection that preserves Hawaii's social and cultural history through the narratives of the people who lived it: co-workers, neighbors, family members and friends. An Introduction by Warren Nishimoto and Michi Kodama Nishimoto provides historical context and information about the selection and collection methods. Photos of the interview subjects accompany each oral history. For further reading, an appendix also provides information about the Center for Oral History's major projects.
