Revolutionary Russia New Approaches To The Russian Revolution Of 1917

Daniel Orlovsky

Revolutionary Russia New Approaches To The Russian Revolution Of 1917:

Revolutionary Russia Rex A. Wade, 2004 Presenting major writings on the revolution and its context bringing together key texts to illustrate interpretive approaches and covering the central topics and themes this volume forms a coherent representation of both the events and the theories and debates that relate to them *The Russian Revolution, 1917* Rex A. Wade, 2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history Revolutionary Russia Rex A. Wade, 2004 Presenting major writings on the revolution and its context bringing together key texts to illustrate interpretive approaches and covering the central topics and themes this volume forms a coherent representation of both the events and the theories and debates that relate to them The Russian Revolution, 1917 Rex A. Wade, 2017-02-02 This book explores the 1917 Russian Revolution from its February Revolution beginning to the victory of Lenin and the Bolsheviks in October **Politics and the People in Revolutionary Russia** Sarah Badcock, 2007-10-04 After the collapse of the Romanov dynasty in February 1917 Russia was subject to an eight month experiment in democracy Sarah Badcock studies its failure through an exploration of the experiences and motivations of ordinary men and women urban and rural military and civilian Using previously neglected documents from regional archives this text offers a history of the revolution as experienced in the two Volga provinces of Nizhegorod and Kazan Badcock exposes the confusions and contradictions between political elites and ordinary people and emphasises the role of the latter as political actors By looking beyond Petersburg and Moscow she shows how local concerns conditions and interests were foremost in shaping how the revolution was received and understood She also reveals the ways in which the small group of intellectuals who dominated the high political scene of 1917 had their political alternatives circumscribed by the desires and demands of ordinary people A Companion to the Russian Revolution Daniel Orlovsky, 2020-10-19 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original

essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon [The Bloomsbury Handbook of the Russian Revolution](#) Geoffrey Swain,Charlotte Alston,Michael C. Hickey,Boris Kolonitskii,Franziska Schedewie,2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia s revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture **The Secret History of Soviet Russia's Police State** Martyn Whittock,2020-07-23 Readable and thoughtful does an excellent job of exploring how the murderous political police in all its incarnations defined the Soviet Union and left a poisonous legacy still with us today Professor Mark Galeotti author of The Vory and A Short History of Russia Repression control manipulation and elimination of enemies assisted in the establishment of the Soviet state and helped maintain it in power but could not in the end prevent its collapse Citizens of the West have for the most part been told a very simplified story of the repressive totalitarian state that was the USSR In fact it was sustained by more than just policing and force No amount of revisionist history can erase the reality of millions controlled imprisoned and killed but there was much more to the USSR s one party state than this Whittock tells a more complex story of the combination of cruelty co operation and compromise required to

build and run a one party state Much of this is the story of the role played by the secret police in creating and sustaining such a form of government but it is much more than simply a history of the secret police This is because the police state which emerged in which dissent both real and imaginary was undoubtedly policed threatened and ruthlessly eliminated was more than just the product of the arrests interrogations executions and imprisonments carried out by the secret police The USSR was also made possible by a battle for hearts and minds which led millions of people to feel that they really had benefited from the system and had a stake in the new society

Competing Voices from the Russian Revolution Michael C. Hickey, 2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it Competing Voices from the Russian Revolution Fighting Words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals

Reinterpreting Revolutionary Russia I. Thatcher, 2006-08-04 This is a stimulating and highly original collection of essays from a team of internationally renowned experts The contributors reinterpret key issues and debates including political social cultural and international aspects of the Russian revolution stretching from the late imperial period into the early Soviet state

Political Power and Social Theory Diane E. Davis, Christina Proenza-Coles, 2008-09-07 Deals with the comparative and historical social science This title focuses on a variety of questions relating to states citizenship and power common themes examined with divergent analytical entry points and through deep knowledge of country cases as diverse as Russia the United States El Salvador South Africa and Israel

Russia in Revolution S. A. Smith, 2017-01-19 The Russian Revolution of 1917 transformed the face of the Russian empire politically economically socially and culturally and also profoundly affected the course of world history for the rest of the twentieth century Historian S A Smith presents a panoramic account of the history of the Russian empire from the last years of the nineteenth century through the First World War and the revolutions of 1917 and the establishment of the Bolshevik regime to the end of the 1920s when Stalin simultaneously unleashed violent collectivization of agriculture and crash industrialization upon Russian society Drawing on recent archivally based scholarship *Russia in Revolution* pays particular attention to the varying impact of the Revolution on the various groups that made up society peasants workers non Russian nationalities the army women and the family young people and the Church In doing so it provides a fresh way into the big perennial questions about the Revolution and its consequences why did the

attempt by the tsarist government to implement political reform after the 1905 Revolution fail why did the First World War bring about the collapse of the tsarist system why did the attempt to create a democratic system after the February Revolution of 1917 not get off the ground why did the Bolsheviks succeed in seizing and holding on to power why did they come out victorious from a punishing civil war why did the New Economic Policy they introduced in 1921 fail and why did Stalin come out on top in the power struggle inside the Bolshevik party after Lenin's death in 1924 A final chapter then reflects on the larger significance of 1917 for the history of the twentieth century and for all its terrible flaws what the promise of the Revolution might mean for us today

The Communist Youth League and the Transformation of the Soviet Union, 1917-1932 Matthias Neumann, 2012-05-23 The study of Soviet youth has long lagged behind the comprehensive research conducted on Western European youth culture In an era that saw the emergence of youth movements of all sorts across Europe the Soviet Komsomol was the first state sponsored youth organization in the first communist country Born out of an autonomous youth movement that emerged in 1917 the Komsomol eventually became the last link in a chain of Soviet socializing agencies which organized the young Based on extensive archival research and building upon recent research on Soviet youth this book broadens our understanding of the social and political dimension of Komsomol membership during the momentous period 1917-1932 It sheds light on the complicated interchange between ideology policy and reality in the league's evolution highlighting the important role ordinary members played The transformation of the country shaped Komsomol members and their league's social identity institutional structure and social psychology and vice versa the organization itself became a crucial force in the dramatic changes of that time The book investigates the complex dialogue between the Communist Youth League and the regime unravelling the intricate process that transformed the Komsomol into a mere institution for political socialization serving the regime's quest for social engineering and control

A Prison Without Walls? Sarah Badcock, 2016-09-22 A Prison Without Walls presents a snapshot of daily life for exiles and their dependents in eastern Siberia during the very last years of the Tsarist regime from the 1905 revolution to the collapse of the Tsarist regime in 1917 This was an extraordinary period in Siberia's history as a place of punishment There was an unprecedented rise of Siberia's penal use in this fifteen year window and a dramatic increase in the number of exiles punished for political offences This work focuses on the region of Eastern Siberia taking the regions of Irkutsk and Yakutsk in north eastern Siberia as its focal points Siberian exile was the antithesis of Foucault's modern prison The State did not observe monitor and control its exiles closely often not even knowing where the exiles were Exiles were free to govern their daily lives free of fences and free from close observation and supervision but despite these freedoms Siberian exile represented one of Russia's most feared punishments In this volume Sarah Badcock seeks to humanise the individuals who made up the mass of exiles and the men women and children who followed them voluntarily into exile A Prison Without Walls is structured in a broad narrative arc that moves from travel to exile life and communities in

exile work and escape and finally illness in exile The book gives a personal human empathetic insight into what exilic experience entailed and allows us to comprehend why eastern Siberia was regarded as a terrible punishment despite its apparent freedoms *Beyond the Revolution in Russia: Narratives – Concepts – Spaces* Jaromír Mrňka, 2021-09-01 The book sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917 To mark the centennial of the Russian Revolution an international team of both junior and experienced scholars from Austria Belarus Brazil the Czech Republic France Israel Poland Russia and Slovakia brought together contributions from the surprisingly broad interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture **A History Of Russia Volume 2** Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world *Readings on the Russian Revolution* Melissa K. Stockdale, 2020-09-03 *Readings on the Russian Revolution* brings together 15 important post Cold War writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then structured around four parts Actors Language Symbols War Revolution and the State Revolutionary Dreams and Identities and Outcomes and Impacts that explore the beginnings events and outcomes of the Russian Revolution as well as examinations of central figures critical topics and major historiographical battlegrounds Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary chronology and thematic bibliography to further aid study *Readings on the Russian Revolution* is an essential collection for anyone studying the Russian Revolution *The Rise and Fall of the Soviet Union* Martin McCauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned

economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia *Russia in the Twentieth Century* David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example Religion in Rebellions, Revolutions, and Social Movements Warren S. Goldstein, Jean-Pierre Reed, 2022-05-19 Religion in Rebellions Revolutions and Social Movements demonstrates that while religion is often a social force that maintains if not legitimates the sociopolitical order it is also a decisive factor in economic social and political conflict The book explores how and under what conditions religion functions as a progressive and or reactionary force that compels people to challenge or protect social orders The authors focus on the role that religion has played in peasant slave and plebeian rebellions revolutions including the Chinese English French Russian and Iranian and modern social movements In addition to these case studies the book also contains theoretical chapters that explore the relationship religious thought has with the politics of liberation and oppression It examines the institutional organizational ritualistic discursive ideological and or framing mechanisms that give religion its oppressive and liberating structures Many scholars of religion continue very conventional modes of thinking ignoring how religion has been and continues to be both a hegemonic and counterhegemonic force in conflict This book looks at both sides of the equation This international and interdisciplinary volume will be of interest to students and scholars in the fields of politics of religion sociology of religion religious studies gender studies and history

This is likewise one of the factors by obtaining the soft documents of this **Revolutionary Russia New Approaches To The Russian Revolution Of 1917** by online. You might not require more epoch to spend to go to the books instigation as well as search for them. Revolutionary Russia New Approaches To The Russian Revolution Of 1917 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolutionary Russia New Approaches To The Russian Revolution Of 1917 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolutionary Russia New Approaches To The Russian Revolution Of 1917 has opened up a world of possibilities. Downloading Revolutionary Russia New Approaches To The Russian Revolution Of 1917 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolutionary Russia New Approaches To The Russian Revolution Of 1917 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolutionary Russia New Approaches To The Russian Revolution Of 1917. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolutionary Russia New Approaches To The Russian Revolution Of 1917. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such

activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolutionary Russia New Approaches To The Russian Revolution Of 1917, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolutionary Russia New Approaches To The Russian Revolution Of 1917 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolutionary Russia New Approaches To The Russian Revolution Of 1917 Books

What is a Revolutionary Russia New Approaches To The Russian Revolution Of 1917 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Revolutionary Russia New Approaches To The Russian Revolution Of 1917 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Revolutionary Russia New Approaches To The Russian Revolution Of 1917 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Revolutionary Russia New Approaches To The Russian Revolution Of 1917 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Revolutionary Russia New Approaches To The Russian Revolution Of 1917 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
