Dad for Teens, **The Mindset Required for the Teens** PRAVEEN BV, 2024-05-12. We are building a house in our old age but they are becoming billionaires during this period. This made me wonder how did these things work? How do they do this? What are we missing? This way of thinking transformed my life in ways I never expected, which is why I wrote this book. All humans are born with the same brain, so why do some people's cars cost more than some could ever earn in their lifetime? Why do car companies quote prices that exceed some people's lifetime wealth? After considering all of these factors, super wealthy people figured out something about the world that I don't yet understand. But once I knew all of this, my perspective shifted dramatically. I can no longer view things in the same way I did previously. These thoughts followed me around wherever I went. Until now, I've stated that those things shifted my perspective, but I've never described what it was. So what is that? If you want to figure out what's going on, start reading this book right away. **Rich Dad's Advisors®: The ABC's of Getting Out of Debt** Garrett Sutton, 2007-11-01.
