Rock Of Ages:

Rock of Ages Tonya Bolden, 2012-12-19 In her moving homage to the Black Church Tonya Bolden has written a poem spanning centuries of oppression freedom prejudice and joy From times when slaves worshipped secretly in fields at night to the grand city churches of today the Church has been there to help its community inspire its congregants and teach us what is possible when people join together

Rock of Ages Timothy Hallinan, 2022-06-14 Junior Bender Los Angeles burglar and off the books detective to the felonious is reminded that rock and roll will never die no matter how fervently he wishes some of it would when Hollywood s most dangerous geriatric mobster Irwin Dressler retains Junior s investigative services to solve a rather unharmonious problem Four of Dressler s old gangster colleagues have put together a national tour of once popular rock bands they own a piece of three nights of concerts by guys and a few gals who were big shots back in the 1960s and 1970s and who are now hoping for one more gasp of glory with this nostalgia exhibition The Rock of Ages tour has proved itself to be anything but a love fest plenty of the bandmates have been feuding for forty years and perhaps unsurprisingly drugs and bad behavior have created health wellness and legal problems for the musicians and managers Plus there have been two near fatal accidents that might have been attempted murders But they re not what Irwin Dressler is concerned about It s that someone one of his own colleagues is using the tour as a front to steal Dressler s money And that simply cannot be allowed Now the tour has pulled into LA and Junior has one weekend to figure out who s to blame a weekend that begins with his tires being slashed threatening notes left on his car and a theatrical backdrop falling on a drummer during the truly terrible first set of the first concert To make things worse Junior is saddled for the weekend with his teenage daughter Rina who lately has been much much too interested in how her father earns his living Can Junior recover Dressler s money prevent a murder talk his daughter out of pursuing a life of crime and somehow survive all that bad music

Rock of Ages John Butler, 2013-06-27 Far from being the immutable Rock of Ages He is often assumed to be the God of Christian history and tradition has had many different and often conflicting faces Rock of Ages opens with the emergence of the Biblical God from the pantheon of deities in bronze age Canaan and culminates in the radical images of God that were appearing at the end of the twentieth century providing a historical overview of the different and sometimes conflicting ways in which He has been understood By examining the ideas of key writers down the ages whose ecclesiastical or intellectual power has allowed their insights to become embedded in the mainstream traditions of the Christian churches Butler seeks to answer one central question Why is it that people across the ages have claimed to have seen so many different and sometimes contradictory faces of the Christian God Or more specifically If there is one true God and if He is known to those who believe in him through the revelation of Himself in history why hasn t a consistent and unified understanding of Him emerged in the witness and testimony of those who claim to have seen his face In the best of scholarly traditions Butler presents his work as a clear account of his own quest for an answer but although suggesting possibilities he leaves others to
