and what you can skip The best hotels and restaurants for every budget Lots of detailed maps *Newcastle and Hunter Rockclimbing* Timothy Haasnoot,2013-11-20 Full colour guide to all the climbing and bouldering spots around the Newcastle and Hunter region **Fodor's Australia** Margaret Kelly,Kelly Kealy,2010-04-13 Examines the cultural attractions of Vienna Salzburg and other areas of Austria and offers tips on accommodations restaurants walking and driving tours sightseeing shopping and seasonal festivals and events **Rock Climbing the San Francisco Bay Area** Tresa Black,2014-10-07 Offers options for multiple ascents in more than 20 areas around the San Francisco Bay Information on coffee shops and brewpubs and other amenities in each area is included *Taxonomy and Ecology of Climbers: Climbing Plants of India* Vivek Pandi,2023-02-13 This book brings out the most comprehensive and up to date information on the taxonomy biodiversity and ecology of climbers in India Climbing is one of the principal plant growth habits that have long attracted the interests of ecologists and evolutionary biologists Climbing plants can add significantly to the species richness of many tropical forests ecosystems yet they receive relatively lesser attention than trees in ecological studies The difficulties in taxonomic assertions and lack of standard methodologies overlook climbers in plant inventories resulting in the underrepresentation of climbers in regional floras There is a growing consensus about the increasing abundance of climbers and their multifaceted role in tropical forests worldwide Therefore it is essential to understand the taxonomic diversity and ecology of climbers at the regional scale to substantiate our efforts towards constructing a global climber database which serves as a reference for fundamental research in climber ecology and evolution This book is of interest to biodiversity researchers taxonomists ecologists and evolutionary biologists Field biologists forest managers and naturalists will also find this a useful read

Sydney & Australia's New South Wales Holly Smith,2011-04-15 Following is an excerpt from this extensive little wonder with attractions ranging from famous museums gardens and zoos to dozens of dazzling beaches And the activities are endless Bush hiking and bike tracks harbor cruises and water excursions and high powered flights above the whole scene In short Sydney is the country s showpiece for holiday and adventure The continent s most active port city Sydney actually sits inland of the Pacific around nine mi 15 km inland from the coast along the Port Jackson waterway which itself is carved into numerous smaller islands and bays Surrounding the harbor are great patches of pine and semi tropical forests which quickly lead up into the bumpy foothills of the Great Dividing Ranges This is eucalyptus territory where the arid environment of blue gums is colored by a heated haze given off from the leaves hence the region s name OCo the Blue Mountains Also of the more than 70 national parks throughout New South Wales more than a handful are settled right around Sydney itself OCo the coastal Royal National Park the northern Wollemi National Park and the western Blue Mountains National Park among them With its diverse personalities multicultural flavors and sophisticated yet down to earth airs Sydney offers something for every traveler It s a place where history culture activities and adventure are blended into a well run and engaging metropolis where locals take pride in their heritage and guests are welcomed like friends Massive transport systems provide a choice of

city wide links that are clean quick and cheap food runs from simple Australian to worldly gourmet and endless accommodation options spread from ocean to mountains With 224 million acres 80 million plus hectares the large state of New South Wales has a continually changing landscape which delves into some of Australia s best scenes The classic golden sand beaches form a string along the east coast getting more tropical the farther north you travel toward Queens land or becoming more rocky and chilled the farther south you head toward Victoria The mighty Murray River forms the southern border stretching a watery band of blue along the northern edge of Victoria and providing sustenance to some of both states richest farms grazing grounds and wine regions The Darling and Murrumbidgee also feed the dry western plains and offer a string of charming settlements to explore along their edges The Great Dividing Range runs parallel to the continent s edge curving down all the way from the far north tip of Queensland through New South Wales and on down to Melbourne Included within the peaks are the Blue Mountains just outside of Sydney as well as the Snowy Mountains in the far south of the state And the mountains are indeed a dividing factor in the country s atmosphere not only in visual landscape from eastern beaches to western plains and deserts they also form a border between the balmy ocean settings and the scorched western Outback Fertile farmlands and orchards are tucked into the folds of the mountains while the state s famous vineyards spread out through the glistening river valleys Hunter Region Landscapes Alan Ward,1984 **Australia Dream Trip** Darroch Donald,2013-02-28 During your valuable holidays you will want to experience the heart of Australia Footprint s Dream Trip Australia will ensure you discover the very best this glorious destination has to offer as well as take you to some fantastic out of the way places hand picked by the author From the stunning Sydney Opera House to a tour of the Bungle Bungles this new guide is packed full of ideas suggestions and expert advice and will help you design your own dream trip Packed with detailed information on where to go and what to do A hand picked selection of the very best places to stay and eat in Full colour trip planning section featuring detailed itineraries and maps Off the beaten track suggestions from the author Compact pocket sized format so you can carry it with you Written by a local expert offering you insider information Footprint s carefully tailored information ensures that you get the most out of your dream trip **Fodor's Australia** Fodor's Travel Guides,2014-07-08 Fodor s correspondents highlight the best of Australia including the glamorous beaches outside Sydney the magnificent Great Barrier Reef and the rugged beauty of the Outback Our local experts vet every recommendation to ensure you make the most of your time whether it s your first trip or your fifth **MUST SEE ATTRACTIONS** from Tasmania to Western Australia **PERFECT HOTELS** for every budget **BEST RESTAURANTS** to satisfy a range of tastes **GORGEOUS FEATURES** on food wine and Aboriginal art **VALUABLE TIPS** on when to go and ways to save **INSIDER PERSPECTIVE** from local experts **COLOR PHOTOS AND MAPS** to inspire and guide your trip *Alaska Adventure Guide* Melissa DeVaughn,2011-01-01 Since Alaska is so large and its options so varied this guide is organized primarily to help travelers zero in on the activity or activities that most appeal to them The first ten chapters focus solely on adventure travel each

devoted to a single activity The five regional chapters that follow focus mainly on the basics in a given area of the state getting around shopping lodging dining and entertainment The objective is not to provide the most information about destinations or attractions but rather the most useful information Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business

Coal's Final Void Kari Dahlgren, 2025-02-25 This book explores the continuation of coal mining in Australia despite growing awareness of its contribution to the climate crisis Through an in depth ethnographic study Kari Dahlgren reveals the complex and often contradictory ways that miners lobbyists and communities navigate the uncertain future of coal By focusing on the human stories behind this industry the book sheds light on broader environmental political and social issues of global significance Dahlgren s research spans multiple Australian coal communities primarily in Moranbah Queensland and the Hunter Valley of New South Wales She offers insights into the daily decisions and ethical considerations of coal miners and lobbyists that sustain the industry in the face of climate change The book addresses diverse topics such as labour precarity gender roles populist politics and the moral accusations faced by pro coal advocates connecting these themes to the broader social and political challenges of Australia s energy transition Central to the book are the final voids left by mining both physical and metonymic holes left in the aftermath of mining These voids represent the emptied livelihoods of those entangled in the coal industry as they grapple with the uncertainty of what comes next The book explores how communities lobbyists and miners attempt to imagine and fill these voids with hopeful but often impractical visions avoiding a reckoning with the industry s destructive legacy This struggle highlights the deep entanglement of labour and ecological precarity in sustaining the climate crisis offering fresh insights for scholars in anthropology human geography and energy policy This book is essential reading for scholars policymakers and activists engaged in climate and energy debates as well as anyone interested in the complex human dimensions of the energy transition
