picks up in 1943 44 right where Volume I left off with Hank s courtship and marriage to first wife Audrey Sheppard Guy  
Williams his rise to fame at the Louisiana Hayride 1948 49 and at the Grand Ole Opry 1949 50 before success began closing  
in on him by December 1950 Hank was only 27 years old at the time and no one knew that he had only two more years to live  
Despite Hank s growing alcoholism marital and health problems and eventual addiction to prescription drugs his last two  
years were perhaps the most productive and successful of his career A special feature of Volume II is that Dr Nail devotes an
