## Rocky The Cat:

**My Name is Rocky** Stephanie Holt Garahana,2019-05 It was the summer of 2008 and I was relaxing on the patio when I noticed an orange cat lying in the garden At the time I already had two cats so I did not want another one After a couple of days of chasing the cat out of the yard I noticed it was getting skinny Against my better judgement I gave it some food and water As we all know once you feed a stray cat it is yours Thinking the cat was a female my husband and I decided that we better take it to the vet to make sure that it was healthy and could not produce offspring Much to our surprise the vet told us the cat was a male We checked for a microchip but there wasn't one We decided the cat that we named Rocky could stay as an outside cat My husband built a small house that we insulated and added a heating pad to help keep him warm It didn't take long for me to fall in love with this little guy He was so cute soft and loveable that I could not resist The rest is pretty much outlined in the book as told from Rocky's point of view **Rocky** Donna Jo Napoli,Marie Kane,2002 He has just moved into a new house with two bratty kids and five FIVE mean cats The kids are loud and scary The cats gang up on him eating his food and ruining his favourite things Rocky feels lonely and sad But one day the kids start doing something they know they shouldn't When the teasing goes just a little too far Rocky saves the day and wins some grateful feline friends Now Rocky is an honorary cat a cat who says Arf Award winning children's writer Donna Jo Napoli teams up with her sister Marie Kane and illustrator Tamara Petrosino to create this spunky endearing pup whose heart is as big as his bark *Rocky the Cat* A.
