

THE RODNEY KING REBELLION

A Psychopolitical Analysis Of Racial Despair And Hope

BRENDA WALL, Ph.D.

Rodney King Rebellion A Psychopolitical Analysis Of Racial Despair And Hope

Jenny Banh, Melissa King

Rodney King Rebellion A Psychopolitical Analysis Of Racial Despair And Hope:

The 1992 Los Angeles Riots Louise I. Gerdes, 2014-04-14 The American public was holding its collective breath as four officers of the Los Angeles Police Department were acquitted of excessive force in the arrest and beating of Rodney King. Upon the exhale came relief for some but for many more came a crushing grief and anger. This essential volume gives readers a strong background on the events leading up to the 1992 Los Angeles Riots. Essays also present the controversies related to the event including whether the police department protected its citizens during the riots. The last chapter shares first person narratives and accounts of those impacted by the riots giving your readers a chance to go beyond simple facts and experience the event for themselves. *The Rodney King Rebellion* Brenda Wall, 1992 A serial killer uses ritual medicine for sinister purposes.

Anthropology of Los Angeles Jenny Banh, Melissa King, 2017-01-23 The Anthropology of Los Angeles Place and Agency in an Urban Setting questions the production and representations of L A by revealing the gray spaces between the real and imagined city. Contributors to this urban ethnography document hidden histories that connect daily actors within cultural systems to global social formations. This diverse collection is recommended for scholars of anthropology, history, sociology, race studies, gender studies, food studies, Latin American studies, and Asian studies. Historical Dictionary of the Civil Rights Movement Christopher M. Richardson, Ralph E. Luker, 2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013. Fifty years removed from the Birmingham campaign, the assassination of Medgar Evers, and the March on Washington, and it is clear that the sacrifices borne by those generations in that decade were not in vain. Monuments, museums, and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States. The second edition of *Historical Dictionary of the Civil Rights Movement* is a guide to the history of the African American struggle for equal rights in the United States. The history of this period is covered in a detailed chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, significant legal cases, local struggles, forgotten heroes, and prominent women in the Movement. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Civil Rights Movement.

A Psychology of Liberation and Peace Chalmer E. F. Thompson, 2019-03-27 This book addresses the need to radically transform societies plagued by racism. It places prominence on persistent racialized violence in the lives of Black Americans as influential in how Black people in the U S and abroad perceive themselves as Black in juxtaposition to their perceptions of White people and other People of Color. An absence of understanding of the often masked role of violence in the lives of Black people increases the likelihood of reproducing it. The author offers a reformulation of racial identity theory to examine the construction of Manichaeism in people and societies and how meaningful engagement that confronts the violence is vital to psychological development, though this engagement also is not without dire risks.

Race Rebels Robin D. G. Kelley, 1996-06-01 Many black strategies

of daily resistance have been obscured until now Race rebels argues Kelley have created strategies of resistance movements and entire subcultures Here for the first time everyday race rebels are given the historiographical attention they deserve from the Jim Crow era to the present Black Reflective Sociology John H Stanfield II,2016-06-03 John H Stanfield II the leading contemporary Black sociologist of knowledge distills decades of his research and thinking in a set of articles some original to the volume others from fugitive sources that address race in the formation of epistemologies theories and methodologies in social science Stanfield s contributions to the discipline such as the adoption of restorative justice as an anti racism solution in multiracial societies and the development of African diasporic sociological reasoning are highlighted here Ranging widely across theoretical methodological and substantive topics Stanfield creates a reflective sociology viewed through an African diasporic lens that enriches the thinking and practice of social science Racism Albert J. Wheeler,2000 Of all mankind s vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature providing access by subject groupings as well as author and subject indexes Contents Racial Attitudes Racism and Poverty Hate Groups Racial Justice Racism and Politics Race Discrimination Racial Identity Racism Around the World **Black Enterprise** ,1993-08 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Black Enterprise** ,1993-07 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance *Bodies Out of Place* Barbara Harris Combs,2022-09 Bodies out of Place asserts that anti Black racism is not better than it used to be it is just performed in more nuanced ways Barbara Harris Combs argues that racism is dynamic so new theories are needed to help expose it The Bodies out of Place BOP theory she advances in the book offers such a corrective lens Interrogating several recent racialized events the Central Park birding incident the killing of Ahmaud Arbery sleeping while Black occurrences and others Combs demonstrates how the underlying belief that undergirds each encounter is a false presumption that Black bodies in certain contexts are out of place Within these examples she illustrates how even amid professions to color blindness fixed attitudes about where Black bodies belong in what positions at what time and with whom still predominate Combs describes a long historical pattern of White pushback against Black advancement and illuminates how each of the various forms of pushback is aimed at social control and regulation of Black bodies She describes overt and covert attempts to push Black bodies back into their presumed place in U S society While the pushback takes many forms each works to paint a narrative to justify rationalize and excuse continuing violence against Black bodies Equally important Combs celebrates the resilient Black agency that has resisted this

subjugation *Post-Ghetto* Josh Sides, Andrea Asuma, Robert Gottlieb, Edna Bonacich, 2012-10-10 Is South Los Angeles on the mend How is it combating the blight of crime gang violence high unemployment and dire poverty In provocative essays the contributing authors to *Post Ghetto* address these questions by pointing out robust signs of hope for the area s residents an increase in corporate retail investment a decrease in homicides a proliferation of nonprofit service providers a paradigm shift in violence and gang prevention programs and progress toward a strengthened more racially integrated labor movement By charting the connections between public policy and the health of a community the authors offer innovative ideas and visionary strategies for further urban renewal and remediation Contributors Jake Alimahomed Wilson Andrea Azuma Edna Bonacich Robert Gottlieb Karen M Hennigan Jorge N Leal Jill Leovy Cheryl Maxson Scott Saul David C Sloane Mark Vallianatos Danny Widener Natale Zappia **Social Issues in America** James Ciment, 2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates **Black Enterprise** ,1993-09 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Black Enterprise** ,1993-05 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance *Black Enterprise* ,1993-11 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Balance** David Wall Rice, 2008-01-01 Scholarly research and depictions within popular culture present black males largely on the basis of their being caricatures entities that extend not far beyond stereotypical celluloid televised explanations print articles and selective hip hop commentary Even within institutions and among individuals that are assumed to have the best interest of the black male at center there is often an inability to consider them past a faux orbit of one dimensionality Balance is unique in that it approaches Black males from a well rooted personality perspective within context and utilizes discourse analysis in attempts at advancing identity theory *The Greenwood Encyclopedia of African American Literature: O-T* Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the

most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher *Buildings Used* Nora Lefa,Pavlos Lefas,2019-09-12 Buildings Used takes the reader on an exploration into the impact of use on buildings and users While most histories and theories of architecture focus on a building s conception design and realization this book argues that its identity is formed after its completion through use and that the cultural and psychological effects of its use on those inhabiting it are profound Across eight investigative chapters authors Nora Lefa and Pavlos Lefas propose that use should not be understood merely as function Instead this book argues that we also use buildings by creating destroying or appropriating them and discusses a series of philosophical cultural and design issues related to use Buildings Used would appeal to students and scholars in architectural theory history and cultural studies *The African American Encyclopedia: Wil-Zyd* ,2001
