Herda, 1994 This book recounts the fascinating drama behind the Supreme Court's decision to legalize abortion in the Roe v Wade case Both sides are clearly represented for the benefit of young adult readers **Roe v. Wade** Marian Faux, 2000-12-12 From the back alley clinics of illegal abortionists to the behind the scene deliberations of the Supreme Court justices Roe v Wade is a riveting history of the thorniest ethical debate ever brought before the Supreme Court this is the bull story behind the struggle of two lawyers Sarah Weddington and Linda Coffee and their unwed unemployed pregnant client Norma McCorvey In this updated edition Faux details recent challenges and erosions to the decision including parental consent laws and bans on partial birth abortions and illuminates how the ruling has impacted public attitudes and policy I Am Roe Norma McCorvey, 1994 The spiritual intellectual distance Roe falls below a Gandhi a M L King or many other symbolic persons is painfully obvious in her writing we suppose Andy Meisler could write better but chose to retain the country flavor or flatness An unheroic account of a very common lady swept along by outside forces Annotation copyright by Book News Inc Portland OR Roe v. Wade N. E. H. Hull, Peter Charles Hoffer, 2021-02-16 Few Supreme Court decisions have stirred up as much controversy vitriolic debate and even violence as Roe v Wade in 1973 Four decades later it remains a touchstone for the culture wars in the United States and a pivot upon which much of our politics turns With that in mind N E H Hull and Peter Charles Hoffer have taken stock of the abortion debates controversies and cases that have emerged during the past decade in order to update their best selling book on this landmark case As with the first two editions this book details the case's historical background highlights Roe v Wade's core issues essential personalities and key precedents tracks the case's path through the courts clarifies the jurisprudence behind the Court's ruling in Roe assesses the impact of the presidential elections of George W Bush and Barack Obama along with the confirmations of Chief Justice John Roberts Justice Samuel Alito Justice Sonia Sotomayor and gauges the case's impact on American society and subsequent challenges to it in Webster v Reproductive Health Services 1989 Planned Parenthood v Casey 1992 and Gonzales v Carhart 2007 This third updated edition also adds two completely new chapters covering abortion politics and legal battles in Obama's second term and Donald J Trump's first term The new material covers two important cases in detail Whole Woman's Health v Hellerstedt 2016 and June Medical Services LLC v Russo 2020 The cases dealt with state laws Texas and Louisiana respectively designed to limit access to abortion by requiring doctors performing abortions to have admission privileges at a state authorized hospital within thirty miles of the abortion clinic In both cases the Court ruled the laws unconstitutional thus handing abortion rights activists key victories in the face of an increasingly conservative Court The new chapters also cover the confirmations of Justices Elena Kagan Neil Gorsuch and Brett Kavanaugh as well as the heated political environment surrounding the Court in the age of Trump **The Case of Roe V. continued to have on policies and the legal system      Abuse of Discretion Clarke D. Forsythe, 2013-09-24 Based on 20 years of research including an examination of the papers of eight of the nine Justices who voted in Roe v Wade and Doe v Bolton Abuse of Discretion is a critical review of the behind the scenes deliberations that went into the Supreme Court's abortion decisions and how the mistakes made by the Justices in 1971 1973 have led to the turmoil we see today in legislation politics and public health The first half of the book looks at the mistakes made by the Justices based on the case files the oral arguments and the Justices papers The second half of the book critically examines the unintended consequences of the abortion decisions in law politics and women's health Why do the abortion decisions remain so controversial after almost 40 years despite more than 50 000 000 abortions numerous presidential elections and a complete turnover in the Justices Why did such a sweeping decision with such important consequences for public health producing such prolonged political turmoil come from the Supreme Court in 1973 Answering those questions is the aim of this book The controversy over the abortion decisions has hardly subsided and the reasons why are to be found in the Justices deliberations in 1971 1972 that resulted in the unprecedented decision they issued Discuss Abuse of Discretion on Twitter using hashtag AbuseOfDiscretion      **Before Roe V. Ronald Biggs,2022-06-26 Millions of women across the US lost their legal right to abortion following the overturning of Roe V Wade In a startling decision that may have far reaching and even deadly ramifications for millions of Americans the US Supreme Court struck down constitutional rights to abortion The majority of the nine member court six conservative justices have now endorsed Mississippi law that prohibits abortions at 15 weeks of pregnancy by breaching important precedents established by the Roe v Wade verdict from 1973 and the positive finding in Planned Parenthood v Casey from 1992 This is potentially develop into a problem since numerous ladies and men are against it Meanwhile some other individuals are in favour of the Supreme Court s judgment also What will be the ultimate decision What s next for America is the big question
