**Gypsy Horsemen, Tramps, and Thieves** David J. "Josey" Huffman,2021-06-21 In this book Gypsy Horsemen Tramps and Thieves I have taken three real life stories and woven them into one book The book starts out on a poor man s farm just outside Winchester Kentucky in September 1953 A fifteen year old boy Dewey Pappy Beauchamp puts all his faith in a ten month old black thoroughbred colt named Mountain Cat The colt is all Dewey Beauchamp has to work with and hold onto The majority of the book takes place from May 1999 through November 1999 Instead of separating the book by chapters I used the days of the calendar to track the story In the horse racing world things can change in a heartbeat You learn to keep your eyes and ears open and your mouth shut It is not the life for the faint of heart A wise man told me when I first started racing horses Son there is a hell of a lot more bad luck then there is good luck in the race horse business He was right but when

good luck shows up it's contagious Enjoy the story my friends It has been written and lived with a Texas heartbeat I would personally like to thank Jesus for all my blessings and his saving grace I would have been lost without it God bless America
