Role Of Human Sacrifice In The Ancient Near East:

The Role of Human Sacrifice in the Ancient Near East Alberto Ravinell Whitney Green,1975 **The Role of Human Sacrifice in the Ancient Near East** Alberto Ravinel Whitney Green,1982 *The Strange World of Human Sacrifice* Jan N. Bremmer,2007 The Strange World of Human Sacrifice is the first modern collection of studies on one of the most gruesome and intriguing aspects of religion The volume starts with a brief introduction which is followed by studies of Aztec human sacrifice and the literary motif of human sacrifice in medieval Irish literature Turning to ancient Greece three cases of human sacrifice are analysed a ritual example a mythical case and one in which myth and ritual are interrelated The early Christians were the victims of accusations of human sacrifice but in turn imputed the crime to heterodox Christians just as the Jews imputed the crime to their neighbours The ancient Egyptians rarely seem to have practised human sacrifice but buried the pharaoh s servants with him in order to serve him in the afterlife albeit only for a brief period at the very beginning of pharaonic civilization In ancient India we can follow the traditions of human sacrifice from the earliest texts up to modern times where especially in eastern India goddesses such as Kali were long worshipped with human victims In Japanese tales human sacrifice often takes the form of self sacrifice and there may well be a line from these early sacrifices to modern kamikaze The last study throws a surprising light on human sacrifice in China The volume is concluded with a detailed index

Human Sacrifice and Value Matthew J. Walsh,Sean O'Neill,Marianne Moen,Svein H. Gullbekk,Eva-Johanna Marie Lafuente Nilsson,2023-10-26 The present volume was made possible by the Norwegian Research Council s generous funding of the Human Sacrifice and Value project FRIPROHUMSAM 275947 This volume explores concepts of human sacrifice focusing on its value or multiplicity of values in relative cultural and temporal terms whether sacrifice is expressed in actual killings in ideas revolving around ritualized sanctioned or sanctified violence or loss or in transformed and often sublimated undertakings Bridging a wide variety of interdisciplinary perspectives it analyses a spectrum of sacrificial logics and actions daring us to rethink the scholarship of sacrifice by considering the oft hidden subliminal and even paradoxical values and motivations that underlie sacrificial acts The chapters give needed attention to pivotal questions in studies of sacrifice and ritualized violence such as how we might employ new approaches to the existing evidence or revise long debated theories about what exactly human sacrifice is or might be or why human sacrifice seems to emerge so often and so easily in human social experience across time and in vastly different cultures and historical contexts Thus the volume will strike a chord with scholars of sociology anthropology archaeology history religious studies political science and economics wherever interest is focused on critically rethinking questions of sacred and sanctified human violence and the values that make it what it is

Human Sacrifice in Jewish and Christian Tradition Karin Finsterbusch,Armin Lange,2018-08-14 This volume asks to which extent ancient practices and traditions of human sacrifice are reflected in medieval and modern Judeo Christian times The first part of the volume on antiquity focuses on rituals of human sacrifice and polemics against it as well as on

transformations of human sacrifice in the Israelite Jewish and Christian cultures while the Ancient Near East and ancient Greece are not excluded The second part of the volume on medieval and modern times discusses human sacrifice in Jewish and Christian traditions as well as the debates about euthanasia and death penalty in the Western world *Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Human Sacrifice* Edwin M. Yamauchi, Marvin R. Wilson, 2022-05-17 This unique reference article excerpted from the larger work *Dictionary of Daily Life in Biblical and Post Biblical Antiquity* provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600 Written and edited by a world class historian and a highly respected biblical scholar each article addresses cultural technical and or sociological issues of interest to the study of the Scriptures Contains a high level of scholarship Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration Useful for scholars pastors teachers and students for biblical study exegesis or sermon preparation Possible areas covered include details of domestic life technology culture laws or religious practices Each article ranges from 5 to 20 pages in length For the complete contents of *Dictionary of Daily Life in Biblical and Post Biblical Antiquity* see ISBN 9781619708617 4 volume set or ISBN 9781619701458 complete in one volume **Sacrifice in the Bible** Roger T. Beckwith, Martin J. Selman, 2004-04-20 The study of the theme of sacrifice is seen by many as peripheral not to say superfluous to the theological task The papers in this volume however given by members of the Biblical Theology study group of Tyndale Fellowship for Biblical and Theological Research bear witness to the centrality of the idea and practice of sacrifice in biblical religion Contributions cover the whole spectrum of the biblical treatment of the subject as well as survey its contemporary cultural and religious contexts whether Babylonian and Canaanite or Graeco Roman and Jewish The underlying goal of *Sacrifice in the Bible* is to ascertain how far the developed idea of sacrifice both as the pattern of human life and as the way of divine salvation in Christ is implicit in the ceremonial practice from which it arose **Self-Interest or Communal Interest** Elie Assis, 2005-07-01 This book provides an extensive literary analysis of the Gideon Abimelech and Jephthah narratives in Judges 6 12 and discloses the main intention of these stories The book consists of three chapters each of which analyses the respective biblical narratives These narratives show the two parameters by which the Israelite leaders are examined namely their loyalty to God and their altruistic character A leader who prefers his own interest is doomed to his own demise and brings devastation upon his people Judges does not establish a preferred governmental model instead it considers the advantages and disadvantages of the different types of regimes In the epilogue it is suggested that these narratives are conveniently placed in the pre monarchic period when the question of the regime becomes part of the political debate The book of Judges offers criteria for the choice of the right leader **Death in the Iron Age II and in First Isaiah** Christopher B. Hays, 2011 Death is one of the major themes of First Isaiah although it has not generally been recognized as such Images of death are repeatedly used by the prophet and his earliest tradents The book begins by concisely summarizing

what is known about death in the Ancient Near East during the Iron Age II covering beliefs and practices in Mesopotamia Egypt Syria Palestine and Judah Israel Incorporating both textual and archeological data Christopher B Hays surveys and analyzes existing scholarly literature on these topics from multiple fields Focusing on the text s meaning for its producers and its initial audiences he describes the ways in which the rhetoric of death functioned in its historical context and offers fresh interpretations of more than a dozen passages in Isa 5 38 He shows how they employ the imagery of death that was part of their cultural contexts and also identifies ways in which they break new creative ground This holistic approach to questions that have attracted much scholarly attention in recent decades produces new insights not only for the interpretation of specific biblical passages but also for the formation of the book of Isaiah and for the history of ancient Near Eastern religions

Yahweh's Elegant Speeches of the Abrahamic Narratives Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics and representations of Yahweh s speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence of various literary devices in the divine speeches 12 1 9 13 1 18 15 1 21 17 1 27 18 1 33 and 22 1 19 Specifically it engages the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are deliberately denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e g Abraham Sarah and Hagar Similarly it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic Most importantly it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric Consequently this book is a pioneering work in the contemporary study of stylistics characterizations and functions of attributed speeches in the Hebrew narratives

Scripture in Context II William W. Hallo,James C. Moyer,Leo G. Perdue,1983 In the summers of 1978 and 1980 William W. Hallo directed two National Endowment for the Humanities Summer Seminars both of which had the title Biblical History in its Near Eastern Setting These seminars conducted at Yale University have now resulted in two related collections of essays This second collection Scripture in Context II had its origins in the 1980 seminar Both seminars investigated in chronological sequence the major phases of ancient Near Eastern history and focused on the history literary traditions and religion of ancient Israel within the context of her cultural environs A major concern was to recognize and explore the implications of the way in which the native biblical and extra biblical literary traditions rendered account of themselves The methodology followed in the seminars and the resulting essays is the contextual approach This approach to the study of biblical history literature and religion is concerned not only to discover illuminating and insightful parallels between biblical and extrabiblical sources but also to note and recognize the implications of significant and important differences Jacket

Telling Queen Michal's Story David J. A. Clines,Tamara Cohn Eskenazi,1991-01-01 This book an anthology of previously published writing about Michal together with some new and original essays is something of an experiment Its purpose is to provide readers with raw materials for developing their own reading of the Michal story It does not offer a unified portrait of

this biblical character but rather invites readers to form their own assessment interactively with these readings of the Michal story At the same time this book presents some systematic guidance for coping with these divergent interpretations of the complex and tantalizing figure of Michal
