We Want Bama Joseph Goodman,2021-11-09 A lively chronicle of how the 2020 Crimson Tide became Nick Saban's ultimate team Was Alabama's Crimson Tide in 2020 the greatest team of all time The squad went 13 0 in a pandemic year scored a combined 107 points against SEC powerhouses LSU and Florida crushed Ohio State in a National Championship Game 52 24 in a contest that wasn't even that close and followed it up with another top rated signing class Nick Saban called his boys the ultimate team but it wasn't just because they kicked the ever living hell out of everyone on the football field It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism that a populist president was exploiting to divide the nation At a time when Americans needed real leaders in the face of so much hate the sports world answered the call and fought back for the soul of the country In the summer of 2020 the Tide players left their training facility and led by their celebrated coach marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's Segregation forever with a different message written by one of the players All lives can't matter until Black lives matter There have been some great football teams through the years and they all deserve respect But here's what we know for sure They all would have been appreciative of what this Alabama team represented and proud of what it

accomplished The Crimson Tide in 2020 captured something special that moved it beyond the conversation of best ever and into the place reserved for most important of all time *Tide Rolls* Kirk McNair,2012 On January 9 2012 the Crimson Tide secured the BCS national title in a 21 0 win over the LSU Tigers This up to the minute publication presents photographs and highlights of the championship game as well as an analysis of the team s path to victory Taking readers through every exciting moment of this historic campaign through the words of veteran Alabama journalist Kirk McNair and the lens of his son photographer Stuart McNair this chronicle of the team s journey invites readers to relive the highlights of Alabama s championship season from the opening win over Kent State and the early season defeat of Penn State in Happy Valley to the Iron Bowl win over rival Auburn and the BCS Championship triumph over LSU It includes feature stories on head coach Nick Saban and Heisman Trophy finalist Trent Richardson among others accompanied by vivid photographs every step along the way Alabama Football Bridget Heos,2013-07-15 The University of Alabama Crimson Tide football team has won 27 conference titles since organized football began in 1892 The team has developed a rich history full of victories and losses led by legendary coaches and players This delves into that history showcasing the inspiring action and a few of the greatest legends in the history of the Crimson Tide **Sanctioned Savagery** Michael Oriard,2025-07-22 American football was a violent sport from its beginning as a college game in the 1870s and 1880s in part because learning how to deal with the pain and violence to take it made men out of college boys Michael Oriard former NFL linebacker and professor emeritus of English shows us that this fundamental belief persisted for more than a century until signs of chronic traumatic encephalopathy CTE were found in Pittsburgh Steelers center Mike Webster s brain Suddenly the cost of taking it could mean long term damage not just to the body but also to the brain Without anyone knowing it that risk had soared since the 1950s and 1960s when the hardshell plastic helmet became the primary weapon for blocking and tackling as taught by a new generation of college coaches led by the University of Alabama s Bear Bryant In this cultural history of football at nearly all levels high school college and pro Oriard traces the perennial tension between health and culture regarding football as reflected in what the public read in newspapers magazines and online Through examining how we once felt and how we now feel about the game Oriard challenges us to grapple with the possibility that football might be too violent in an intolerable way Congressional Record United States.
