**Frank Pakenham Earl of Longford**

## **Lord Longford:**

Lord Longford Peter Stanford,1994      *The Pursuit of the Heiress* A. P. W. Malcomson,2006 *The Pursuit of the Heiress* is a new greatly enlarged and more widely focused version of what the late Lawrence Stone described as a brilliant long essay or short book on the subject of the role of heiresses among the Irish aristocracy which was published by the Ulster Historical Foundation under the same title in 1982 and has long been out of print The new book comes to the same broad conclusions about heiresses namely that their importance as a means of enlarging the estates or retrieving the fortunes of their husbands has been much exaggerated This was because known heiresses were well protected by a variety of legal devices and in common with many aristocratic women of the day also had minds and strong preferences of their own which meant that they were not generally an object of deliberate or profitable pursuit The new book also ranges more widely than its central theme of heiresses and addresses other aspects of aristocratic marriage such as abductions elopements mesalliances the supposed rise of the affective family and the disadvantaged situation of even the richest and most privileged women in an age when both adultery and divorce were largely the prerogative of men      **Avowed Intent** Frank Pakenham Earl of

**Nationalism and the Irish Party** Michael Wheatley, 2005-02-17 John Redmond's constitutional parliamentary Irish Party went from dominating Irish politics to oblivion in just four years from 1914 1918 The goal of limited Home Rule peacefully achieved appeared to die with it Given the speed of the party's collapse its death has been seen as inevitable Though such views have been challenged there has been no detailed study of the Irish Party in the last years of union with Britain before the world war and the Easter Rising transformed Irish politics Through a study of five counties in provincial Ireland Leitrim Longford Roscommon Sligo and Westmeath that history has now been written Far from being rotten the Irish Party was representative of nationalist opinion and still capable of self renewal and change However the Irish nationalism at this time was also suffused with a fierce anglophobia and sense of grievance defined by its enemies which rapidly came to the fore first in the Home Rule crisis and then in the war Redmond's project the peaceful attainment of Home Rule simply could not be realised
