Lord Make My Life Count:

Lord, Make My Life Count Raymond C. Ortlund, Ortlund, 1975 *Lord, Make My Life Count* LaVonne Wood, 2021-03-19

Have you ever wondered if you have made a difference in this life Well you have With every smile you put on someone s face every tear you ve cried with or for someone every word of advice every word of encouragement you ve given you have made a difference in someone s life These fifty one stories poems and articles are my way of making you laugh encouraging you and giving you hope Every personal story made a difference in my life helping me love my Lord my husband and people more Take your time to read each story and ponder how the Lord is speaking to you How can you receive the love of the Savior more deeply How can you forgive those who have hurt you How can you reach out to others My prayer is that you will first and foremost come to know the Savior s love for you **Make My Life Count** Lois Smith, 2017-06-27 This is my story of the times when the Lord had caused me to perceive his amazing presence and to know by experience his preservation of my life It is my desire to share how God is continually at work even today in our lives in this generation just as he had in previous generations I want to share the many wonderful times that he has chosen to reveal his hand to me as he has been involved in the day by day circumstances of my own life I will also write about the times when I saw him work through me and the ways that he would reveal himself to others It was in those times when he would help them and things would happen in such a way that they were aware that it wasnt me His desire is to turn people to look to him because his hand is open to meet their need in a way that only he can *The Ministry of the Word, Vol. 03, No. 02* Various Authors, 2023-03-03 In this issue of The Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God s economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God s organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God s sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God s element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes the shaping of life as

the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God s complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord s move in the Pacific Islands and Romania **Keep Hope Alive** Femi Aluko,2022-05-23 ABOUT THIS BOOK No mater how painful our trials may seem the last chapter of our lives has not been written God will yet turn all things around for your good One day we shall see that all has truly been worthwhile Life can be viewed as a tapestry woven in strands Now we see only the reverse side All the strands of our lives are crisscrossed there is neither rhyme nor reason to the mixture of colors But one day the tapestry will be complete Then the weaver will turn it over for all to see Instead of the mess that we have observed we will see a glorious picture of incredible beauty When God writes the last chapter all the strands in the story will be drawn together Events that appeared meaningless pains that seemed senseless will take on meaning beyond imagination There are bumps on the highway to glory We need to keep hope alive to arrive at the place of destiny KEEP HOPE ALIVE Volume 2 is a collection of additional inspired insights from the word of God by the author **Prayer, Praise & Promises** Warren W.
