Lords Of Rainbow:

Lords of Rainbow Vera Nazarian,2004-09-01 Imagine a world without color illuminated by a gray sun Imagine a sudden brilliant flash an artificial orb ignites filled with peculiar impossible light The nature of this light bears no description It lingers in dreams inciting an unrequited love for a goddess A corrupt city is shaped like a perfect wheel and is ruled by a sister and brother Regent and Regentrix by perverse desires and by a secret A loyal warrior woman swears to serve a mysterious lord At the same time an epic invasion is precipitated by a being of utter darkness who is the one absolute source of black in a monochrome silver world And amid all this flickers an ancient memory of a phenomenon called Rainbow and of those who had once filled the world with an impossible thing called color Lords of Rainbow Rainbow's End Maury Klein,2003-05-01 Rainbow's End tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history **Rainbow's Hidden Treasures** Kyle Walker,2011-05 Just like the rainbow has no end God's promise has no end Just like the rainbow will last forever I want us to last Forever in a bond of unbreakable love sent from the Father in Heaven There is more to the rainbow than the pot of gold at the end What if we have been looking at the wrong place and the treasure that we seek is not at the end of the rainbow but within the rainbow itself Join Kyle Walker on a journey to find this true treasure as he explores themes of faith and love in inspirational verse
