Lords Supper Is A Celebration Of Grace:

The Lord's Supper Is a Celebration of Grace Gordon J. Keddie, 2000 For years the church has gathered around the table of the Lord in earnest remembrance of his death and in anticipation of his return What exactly are the implications of participating in the Supper What is the real nature of Holy Communion Gordon Keddie provides clear biblical perspectives

Understanding Four Views on the Lord's Supper Russell Moore, 2007 Four different ways Christians understand the Lord's Supper Baptist view memorialism Reformed spiritual presence Lutheran consubstantiation and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution *Understanding Four Views on the Lord's Supper* Zondervan, 2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord's Supper How frequently should we observe it What does this meal mean What happens when we eat the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the topic further such as A listing of statements on the Lord's Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord's Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *The Communion of the Faithful Essential to the Celebration of the Holy Eucharist. Reprinted, After Revision and Enlargement, from the "Church Review;" with a Prefatory Plea for the Restoration of the Eucharistic Worship ... to Its Rightful Place in the Public Worship of the English Church* George Edward BIBER, 1863 **Herbert Thorndike and the Restoration of the Church of England** Brian Douglas, 2025-08-28 The Caroline theologian Herbert Thorndike 1598 1672 was significant before and after the seventeenth century Restoration of the Church of England Thorndike's theological methodology engaged with ecclesiology the government and ministry of the Church of England the Eucharist and the Book of Common Prayer This book features Thorndike's significant reflection on eucharistic theology based on ancient realist models but recast for the present The book argues that Thorndike's theological methodology was useful in its own time but also has currency for Anglican and ecumenical theology discourse particularly in relation to ecclesiology eucharistic theology and liturgical theology and practice **The Sunday teachers' treasury, ed. by W.M. Whittemore** William Meynell Whittemore, 1874 **Reformers**

in the Wings David C. Steinmetz, 2001-02-22 This book offers portraits of twenty of the secondary theologians of the Reformation period In addition to describing a particular theologian each portrait explores one problem in 16th century Christian thought Catholic Lutheran Reformed and Radical thinkers are all represented in this volume which serves as both an introduction to the field and a handy reference for scholars *The Lord's Supper Not a Sacrifice, But a Feast on a Sacrifice. A Sermon [on 1 Cor. V. 7, 8], Etc* William Topham HOBSON, 1869 **Reconciliation in Remembrance of Jesus Christ** Hacik Gazer, Markus Iff, Werner Klän, Dorothea Sattler, 2023-07-15 Since the Lima Declarations of Convergence in 1982 no other document in the international ecumenical movement has dealt with Eucharistic communion at the celebration of the Lord's Supper in remembrance of the Holy Sacrifice of Jesus Christ On the occasion of the 11th Assembly of the World Council of Churches in 2022 in Karlsruhe ecumenically minded Protestant Free Church Old Catholic Roman Catholic and Orthodox theologians from Germany have taken up this topic afresh They provide insights into the current state of ecumenical conversations present the various traditions of confessional worship and offer practical suggestions for an ecumenically sensitive liturgical practice The German Ecumenical Study Committee D STA contributes a joint statement on the subject Memories of the 3rd Ecumenical Kirchentag Church Congress 2021 in Frankfurt am Main are revived The decision to go to the Lord's Table together trusting in the presence of Jesus Christ in the celebration of Holy Communion Eucharist and Holy Sacrifice can be justified theologically but continues to raise controversy On the Sunday of the Assembly in Karlsruhe September 4 2022 a rich range of liturgies will commemorate the life of Jesus his death for us and the sending of God's Spirit Together all churches testify that The love of Christ moves reconciles and unites the world **The Churchman**, 1888 The Eucharist as Offering of Firstfruits Lawrence Francis Ligocki, 2017-06-04 One of the difficulties for Protestant Evangelical Pentecostal and other Christians is how to understand the Eucharist as sacrifice offering and oblation A return to ancient Jewish and Christian sources has uncovered the category of the offering of firstfruits This is found in a lesser degree among Second Temple Judaism and to a greater degree in early Christian literature beginning with the New Testament itself This has brought renewed interest in understanding the Eucharist not only in the context of the Feast of Passover but also in light of the Feast of Pentecost and the offering of firstfruits and within the context of the Zebach t d that is the sacrifice of praise and thanksgiving This has strong implications for a theological liturgical spiritual and practical awakening in understanding the Eucharist as Sacrifice In the Eucharist the Church offers the firstfruits of creation Christ and also herself to the Father in the Holy Spirit Each member is called to actively participate in the Eucharistic sacrifice through which they themselves become a Holy and Living sacrifice for the life of the world This has implications for a renewed Eucharistic spirituality and worship the New Evangelization and new works of mercy Like a Mighty Army David W Taylor, 2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At

that time The Salvation Army didn't aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing understanding of its identity and to the visible unity of God's church

Systematic Theology Louis Berkhof, 1949-01-01 Now that my Systematic Theology is again being reprinted the Preface can be very brief It is not necessary to say much about the nature of the work since it has been before the public for more than fifteen years and has been used extensively I have every reason to be grateful for its kind reception for the favorable testimony of many reviewers and for the fact that the book is now used as a textbook in many Theological Seminaries and Bible Schools in our country and that requests were even received from abroad for permission to translate it into other languages These are blessings which I had not anticipated and for which I am deeply grateful to God To Him be all the honor And if the work may continue to be a blessing in many sections of the Church of Jesus Christ it will but increase my recognition of the abundant grace of God

Renewal Theology John Rodman Williams, 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God

A Protestant Dictionary Charles Henry Hamilton Wright, Charles Neil, 1904

The Spirituality of the Heidelberg Catechism Arnold Huijgen, 2015-03-11 At the occasion of the 450th anniversary of the Heidelberg Catechism an international conference on the spirituality of the Heidelberg Catechism was held at the Theological University Apeldoorn 21-22 June 2013 This publication offers the plenary papers presented and a selection of the short papers While the papers center on the Catechism's spirituality a wide range of topics is covered from both historical and theological perspectives These topics include the roles of Ursinus and Olevianus controversial theologians anabaptist spirituality comparisons with Calvin's Genevan Catechism and the later Synopsis of Purer Theology Also the distinct spirituality of faith regeneration the trinity the law and prayer in the Heidelberg Catechism are scrutinized besides the idea of mystical union and the art of dying and living Three contributions reflect on the controversy on the Eucharist which has stamped the Heidelberg Catechism From a practical theological perspective the preaching and teaching of the Catechism are discussed as well as the mode of

gospel presentation and the permanent character of catechetical instruction So this volume offers a broad range of scholarly perspectives on the Catechism Its spirituality is famous for the first question and answer on the only comfort in life and death That I am not my own but belong body and soul in life and in death to my faithful Savior Jesus Christ Holy Communion

Kenneth M. Loyer, 2014-12-16 Experience God in the here and now through Communion This book explores how celebrating the presence of God With Us through Holy Communion nourishes our souls refreshes our sense of community and equips us for mission in Christ s name Yet many Christians do not understand Communion or see it only as an empty ritual Because of that low worship attendance or enthusiasm commonly accompanies Communion Sundays leaving churches feeling spiritually depleted This book provides insights and practical suggestions for giving this sacrament a more prominent role not just in church life but in the Christian formation of individuals For small groups Sunday school classes and as a preaching resource Holy Communion Celebrating God with Us by Kenneth M Loyer and general editor William H Willimon is suitable for a four week study and includes discussion questions at the end of each chapter The Belief Matters series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations Holy Communion is the second in the series and follows Incarnation by William H Willimon *The Lord's Supper* Gordon T. Smith, 2010-02-04 Lord s Supper Eucharist Communion Sacrament Ordinance While it s the meal that should unite us as followers of Christ it sometimes appears we can t even agree on what to call it let alone how we might share a common theological view of its significance Even if we cannot reach full agreement how can we better understand one another and this central observance of the Christian faith Gordon Smith has invited five representatives of differing views within Christian tradition Each holds his or her views with conviction and makes the case for that tradition Each responds to the other views with charity highlighting significant areas of agreement and disagreement The views and contributors include The Roman Catholic View Brother Jeffrey Gros F S C Professor of Church History Memphis Theological Seminary Memphis Tennessee The Lutheran View John R Stephenson Professor of Historical Theology Concordia Lutheran Theological Seminary St Catherines Ontario The Reformed View Leanne Van Dyk Academic Dean and Professor of Reformed Theology Western Theological Seminary Holland Michigan The Baptist View Roger E Olson Professor of Theology George W Truett Theological Seminary Waco Texas The Pentecostal View Veli Matti K rkk inen Professor of Systematic Theology Fuller Theological Seminary Pasadena California Here s a book that offers more light than heat on an important topic Rev. A. J. Maas S. J Collection [3 Books] Rev. A. J. Maas S. J , Aeterna Press, Holy Sparkes of Heavenly Fire Michael Reed, 2024-10-23 Left unpublished for over 200 years the poetry of colonial American writer Edward Taylor has left an undeniable impact on the American literary landscape Upon its release the concrete carnal and to some scandalous content and language of his poetry seemed to stand in contradiction with the man himself a minister and doctrinaire Puritan This book presents a psychoanalytic reading of both Taylors religion and his poetry shedding light on the language which has so puzzled readers since its initial publication
