Los Numeros Numbers My 1st Boards:

Teach Them Spanish! Winnie Waltzer-Hackett, Instructional Fair (Firm), 2001 Contains preschool level lessons in practical Spanish designed for teachers who have little or no knowledge of Spanish themselves *Empowering Students Through Multilingual and Content Discourse* Finley, Stacie Lynn, Correll, Pamela, Pearman, Cathy, Huffman, Stephanie, 2023-07-25 *Empowering Students Through Multilingual and Content Discourse* is a peer reviewed research book that challenges the traditional monolingual classroom approach where the teacher's voice dominates and only the dominant culture's language is considered the path to success The book aims to empower students by creating classroom spaces where all voices are heard valued and empowered It draws on research from scholars who study discourse and offers insights into how discourse can be used to promote language and literacy development honor all students voices and empower them This book also provides guidance on culturally and linguistically sustaining discourse practices and encourages educators to incorporate students home languages and discourse practices in classroom instruction It challenges educators to move away from centering White English and represent language more responsibly within the classroom This research is a valuable resource for academic scholars and a useful tool for teachers looking to cultivate student centered classroom practices By encouraging discourse among students educators can create a space where human life holds meaning and students feel empowered to act and use their voices Subject Guide to Children's Books In Print, 1996 R R Bowker Publishing, 1996
