About *Lost Girls: An Unsolved American Mystery* by Robert Kolker. In December 2010 the remains of four missing women were found just outside a secluded community on the south shore of Long Island. As more bodies were uncovered Suffolk County police began to suspect that a serial killer was targeting prostitutes online. The ensuing investigation pitted families against police and neighbor against neighbor as the authorities struggled with an increasingly unwieldy case. *Lost Girls* gives a detailed account of the victims, the investigators and the community. Relying on exhaustive interviews with those who knew and loved the victims Kolker creates a sensitive portrait of each woman. He offers insight into how prostitution has changed in the Internet age and the high costs we continue to pay by ignoring the sex workers who take part in a ubiquitous if unseen profession. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction. *Dating Basics 101* DAVID LINARES, 2013-07-17 *Dating Basics 101* is the first of a series of books designed to help make man's journey in dating and relationships easier. Peter Pan Elisa T. Di Biase,Alfonso Muñoz Corcuera,2012-11-15 Peter Pan was born over a century ago There is something doubly contradictory in this phrase that although true is also the reason why this book has been released We are talking about the boy who will never grow up and the fact that he is celebrating his hundredth birthday should provoke some surprise At the same time he is such a powerful icon that it is also true that he seems to have been there floating in our culture reappearing in its images since time immemorial much farther back than the early twentieth century This book shows that although he considered dying to be an awfully big adventure Peter Pan is on his one hundredth birthday more alive than ever And our prediction is that he will accompany our culture as long as it survives Like all great myths Peter will continue bursting through the window of our texts leading us to other worlds so that when we least expect it we will hear his cry emanate from a dark ocean This book in a sincere tribute intends to be both a compilation and a precedent by inspiring a deeper look into its image we hope to influence the life of this character so dear and yet so mysterious and seductive Peter Pan ha cumplido un siglo de vida Hay algo doblemente contradictorio en esta frase que por lo dem s es cierta y es el motivo por el cual este libro ha visto la luz Estamos hablando del ni o que nunca crece y el hecho de que celebre su cumplea os n mero cien puede provocarnos cierta extra eza Por otro lado se trata de un icono tan poderoso que tambi n es verdad que

parece haber estado ahí flotando en nuestra cultura resurgiendo en sus imágenes desde tiempos inmemoriales mucho más lejanos que los albores del siglo XX Este libro muestra que a pesar de que considere que morir podrá resultar una aventura extraordinaria Peter Pan está a sus cien años más vivo que nunca Y el panorama pinta en efecto para una vida que acompaña a nuestra cultura mientras ésta sobreviva Igual que sucede con todos los grandes mitos Peter seguir irrumpiendo a través de la ventana de nuestros textos guiándonos a otros mundos de tal manera que cuando menos lo esperemos escucharemos su grito emanar de un oculto oscuro Este libro en un sincero homenaje pretende ser compilación y precedente y mediante la provocación mediante la motivación de la profundización en su figura incidir en la trayectoria de la vida de este personaje tan entrañable y a la vez tan misterioso y seductor

Travel Connections Jennie Germann Molz, 2012-08-06 Living in a world that is increasingly on the move means that many of us now rely on mobile devices social media and networking technologies to coordinate togetherness with our social networks even when we are apart Nowhere is this phenomenon more evident than in the emerging practices of interactive

travel Today's travellers are more likely than ever to pack a laptop or a mobile phone and to use these devices to stay in touch with friends and family members as well as to connect with strangers and other travellers while they are on the road. New practices such as location aware navigating, travel blogging, flashpacking and Couchsurfing now shape the way travellers engage with each other with their social networks and with the world around them. *Travel Connections* prompts a rethinking of the key paradigms in tourism studies in the digital age. Interactive travel calls into question longstanding tourism concepts such as landscape, the tourist gaze, hospitality, authenticity and escape. The book proposes a range of new concepts to describe the way tourists inhabit the world and engage with their social networks in the twenty first century: smart tourism, the mediated gaze, mobile conviviality, re-enchantment and embrace. Based on intensive fieldwork with interactive travellers, *Travel Connections* offers a detailed account of this emerging phenomenon and uncovers the new forms of mediated and face to face togetherness that become possible in a mobile world. This book will be of interest to students and scholars of sociology, tourism and hospitality, new media, cosmopolitanism studies, mobility studies and cultural studies.

Gender and Sexuality in Contemporary Popular Fantasy Jude Roberts, Esther MacCallum-Stewart, 2016-06-03. This book explores the ways in which contemporary writers, artists, directors, producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality, focusing on a range of media including television episodes and series, films, video games and multi-player online role-play games, novels and short stories, comics, manga and graphic novels and board games. Engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism, contributors pay close attention to the ways in which the producers of fantasy texts, whether visual, game, cinematic, graphic or literary texts, are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity. With rich case studies from the US, Australia, UK, Japan and Europe, all concentrating not on the critique of fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality, but on examining the exploration of, or attempt to make possible, non-normative gendered and sexual identities, this volume will appeal to scholars across the social sciences and humanities with interests in popular culture, fantasy, media studies and gender and sexualities.
