Lost Houses Of Britain:

Lost Houses of Britain Anna Sproule, 1982 Country houses and the British Empire, 1700-1930 Stephanie Barczewski, 2017-02-01 Country houses and the British empire 1700 1930 assesses the economic and cultural links between country houses and the Empire between the eighteenth and twentieth centuries Using sources from over fifty British and Irish archives it enables readers to better understand the impact of the empire upon the British metropolis by showing both the geographical variations and its different cultural manifestations Barczewski offers a rare scholarly analysis of the history of country houses that goes beyond an architectural or biographical study and recognises their importance as the physical embodiments of imperial wealth and reflectors of imperial cultural influences In so doing she restores them to their true place of centrality in British culture over the last three centuries and provides fresh insights into the role of the Empire in the British metropolis The British Country House Revival Ben Cowell, 2024 British country houses have experienced a renaissance since the early 1970s A new accord is needed today recognising the increasingly contested contribution of country houses to British cultural life Fifty years ago the future for country houses in Britain looked bleak The Victoria Albert Museum s exhibition The Destruction of the Country House which opened in October 1974 charted the loss of over a thousand country houses in the preceding century The makers of the exhibition warned that history could be about to repeat itself because of the threats besetting mansion properties principally from higher taxation Houses faced the prospect of having to be stripped of their collections and sold for use as offices hotels or hospitals with their parks and gardens turned into golf clubs Government might afford to save just a handful of the most significant of these places working in tandem with charities such as the National Trust The rest would be consigned to history This book traces the history of country houses in Britain from the Destruction exhibition to the present day The wave of country house losses anticipated in 1974 never actually happened Instead over the next five decades Britain s country houses experienced a renaissance Fiscal rules changed in the mid 1970s to make it easier for owners to hold on to their assets Economic improvements in the 1980s and 1990s allowed many houses and estates to develop profitable commercial businesses All of this was achieved only after dedicated campaigning from heritage organisations in support of the country house cause The book argues that a new accord is needed today to recognise and value the ongoing if increasingly contested contribution of country houses to British life and culture in the twenty first century **The British Aristocracy and the Modern World** Professor Miles Taylor, Christopher Ridgway, 2025-07-02 In the thirty five years since the publication of David Cannadine s Decline and Fall of the British Aristocracy 1990 the power of Britain s landed elite declined but they remain far from extinct One third of Britain s land still belongs to the aristocracy Moreover partly inspired by Cannadine s book we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long Many key questions remain How much was this a distinctively British story to what extent were things different in Scotland Wales and Ireland Does decline and fall

accurately describe what happened to landed elites in other countries particularly in western Europe or amongst assimilated elites such as Jews Was the soft power of the aristocracy their role in the arts philanthropy and higher education as significant as their political and economic sway How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place and how did their role overseas change their profile at home This volume brings together a wide ranging group of scholars to explore The Decline and Fall developing its themes in new ways and investigating other aspects for the first time **The Lost Houses of Wales** Thomas Lloyd,1989 *The Promise of Welfare in the Postwar British and Anglophone Novel* Kelly M. Rich,2023 A study of the literature of the Second World War and its aftermath focusing on the welfare state and wartime visions of rebuilding Britain **Lost Buildings of Britain** Simon Thurley,2004 Accompanying a six part series on Channel Four this volume features six buildings including Glastonbury monastery and the Theatre Royal **British Military and Naval Medicine, 1600-1830** Geoffrey L. Hudson,2007 British Military and Naval Medicine challenges the notion that military medicine was in all respects a good thing The so called monopoly of military medicine and the authoritarian structures within the military were complex and at times successfully contested Israel in Britain. The collected papers on the Ethnic and Philological argument. By C*** M***. Prefaced by a resumé of the Scriptural argument. By Philo-Israel. Third thousand C***. M***.,1876 *Slavery, Family, and Gentry Capitalism in the British Atlantic* S. D. Smith,2006-07-20 From the mid seventeenth century to the 1830s successful gentry capitalists created an extensive business empire centered on slavery in the West Indies but inter linked with North America Africa and Europe S D Smith examines the formation of this British Atlantic World from the perspective of Yorkshire aristocratic families who invested in the West Indies At the heart of the book lies a case study of the plantation owning Lascelles and the commercial and cultural network they created with their associates The Lascelles exhibited high levels of business innovation and were accomplished risk takers overcoming daunting obstacles to make fortunes out of the New World Dr Smith shows how the family raised themselves first to super merchant status and then to aristocratic pre eminence He also explores the tragic consequences for enslaved Africans with chapters devoted to the slave populations and interracial relations This widely researched book sheds new light on the networks and the culture of imperialism *The Country House Revealed* Dan Cruickshank,2012-07-31 Spanning the architectural history of the country house from the disarming Elizabethan charm of South Wraxall the classical rigour of Kinross in Scotland the majesty and ingenuity of Hawksmoor s Easton Neston the Palladian sweep of Wentworth Woodhouse with over 300 rooms and frontage of 600 feet the imperial exuberance of Clondeboye through to the ebullient vitality of Lutyens Marshcourt the stories of these houses tell the story of our nation All are the are buildings of the greatest architectural interest each with a fascinating human story to tell and all remain private homes that are closed to the public But their owners have opened their doors and allowed Dan Cruickshank to roam the corridors and rummage in the cellars as he teases out the story of each house who built them the generations who lived in them and the families who lost them Along

the way he has uncovered tales of excess and profligacy tragedy comedy power and ambition And as these intriguing narratives take shape Dan shows how the story of each house is inseparable from the social and economic history of Britain Each one is built as a wave of economic development crests or crumbles Each one s architecture and design is thus expressive of the aims strengths and frailties of those who built them Together they plot the psychological economic and social route map of our country s ruling class in a rich new telling of our island story **Top 10 of Britain** Russell Ash,2009-05-05 From the bestselling author of Hamlyn s Top 10 of Everything series comes a special collection of 250 unique lists that observe of the idiosyncrasies of our Isles and encompass everything British Discover hundreds of essential intriguing and bizarre facts about your country s most iconic subjects including the 10 most produced plays by Shakespeare 10 defunct British national holidays the 10 longest seaside piers the 10 lowest scoring UK Eurovision entries the 10 latest winners of the World Conker Championships the 10 first performed Gilbert the Top 10 singles of all time banned by the BBC 10 unusual British laws the Top 10 Tesco s lines the 10 latest winners of the Pub of the Year award plus 240 other fascinating lists in this at a glance guide to what makes Britain great *Israel in Britain: the Collected Papers on the Ethnic and Philological Argument* C*** M***.,1876 **Annals of British Legislation** Leone Levi,1861 **A History of 20th Century Britain** Andrew Marr,2011-12-02 Between the death of Queen Victoria and the turn of the Millennium Britain has been utterly transformed by an extraordinary century of war and peace A History of 20th Century Britain collects together for the first time Andrew Marr s two bestselling volumes A History of Modern Britain and The Making of Modern Britain Together they tell the story of how the country recovered from the grand wreckage of the British Empire only to stumble into a series of monumental upheavals from World Wars to Cold Wars and everything in between In each decade political leaders thought they knew what they were doing but found themselves confounded Every time the British people turned out to be stropplier and harder to herd than predicted This wonderfully entertaining history follows all the political and economic stories but deals too with the riotous colour of an extraordinary century a century of trenches flappers and Spitfires of comedy punks Margaret Thatcher s wonderful good luck and the triumph of shopping over idealism **Great Houses of Scotland** Hugh Montgomery-Massingberd,Christopher Simon Sykes,1997 26 houses photographed in colour and accompanied by informative text about their history **Private Life in Britain's Stately Homes** Michael Paterson,2012-09-06 The Victorian and Edwardian eras in the run up to 1914 marked the golden age of the English country house when opulence and formality attained a level that would never be matched again The ease of these perfect settings for flirtation and relaxation was maintained by a large and well trained staff of servants Although those in service worked very long hours and had little personal freedom many were proud of their positions and grateful for the relative security these gave Indeed the strictly hierarchical world below stairs could be more snobbish than that of a house s owners Michael Paterson skilfully and entertainingly explores the myths and realities of this vanished world both upstairs and down Mural Painting in Britain

1630-1730 Lydia Hamlett, 2020-03-20 This book illuminates the original meanings of seventeenth and early eighteenth century mural paintings in Britain At the time these were called histories Throughout the eighteenth century though the term became directly associated with easel painting and as history painting achieved the status of a sublime genre any link with painted architectural interiors was lost Whilst both genres contained historical figures and narratives it was the ways of viewing them that differed Lydia Hamlett emphasises the way that mural paintings were experienced by spectators within their architectural settings New iconographical interpretations and theories of effect and affect are considered an important part of their wider historical cultural and social contexts This book is intended to be read primarily by specialists graduate and undergraduate students with an interest in new approaches to British art of the seventeenth and eighteenth centuries

Reports from Select Committees of the House of Lords and Evidence Great Britain. Parliament. House of Lords, 1853 **Conservation and Sustainability in Historic Cities** Dennis Rodwell, 2008-04-15 Conservation and Sustainability in Historic Cities examines how the two key issues of urban conservation and sustainability relate to each other in the context of historic cities and how they can be brought together in a common philosophy and practice that is mutually supportive It sets out the theoretical and practical background to architectural conservation and how its perceived relevance and level of attainment can be extended when harnessed to wider agendas of sustainability and cultural identity It tests the achievement of urban conservation through examples from across Europe and further afield and relates them to the sustainability agenda
