

Lightning split the sky...  
and revealed their source of fear!

SHARON WAGNER

A woman with long, wavy brown hair is running towards the viewer. She is wearing a long, flowing purple dress with a white undergarment visible at the neckline. Her expression is one of urgency or fear. In the background, a large, dark, multi-story house with a prominent chimney and a lit window is visible under a dark, stormy night sky. The overall mood is suspenseful and mysterious.

Resigned to waiting out the war between the states under the protection of elderly relatives in the Bahamas Charleston belle Faith Richards was lonely and restless So when handsome brooding Hunter Latimer offered her a post as governess on Dark Thunder Island Faith didn't listen to his warnings that the place was not for the fainthearted and that for long stretches of time she would be alone on the dismal fogbound island with only a frail and timid woman and her high strung sleepwalking child Emboldened by Hunter's confidence in her and strangely drawn by the glint of adventure in his dark eyes Faith approached her new position with a high heart only to find herself shunned by the hostile islanders and the darkly taciturn housekeeper of Latimer House She fell prey to a series of small accidents too contrived to be coincidences and she realized finally that someone was trying to keep her from learning the secrets of Dark Thunder Island Even the enigmatic Hunter Latimer could not be trusted For he was at the very heart of the evil that swirled around her Lower wrapper      The Gothic Romance Wave Lori A.
