Lost And Found Traditions 65 85

David Lemmo

Lost And Found Traditions 65 85:

Lost and Found Traditions, 65-85 Michael D. Coe, Ralph Coe, 1986 **Lost Property** Jennifer Summit, 2000-07 The English literary canon is haunted by the figure of the lost woman writer In our own age she has been a powerful stimulus for the rediscovery of works written by women But as Jennifer Summit argues the lost woman writer also served as an evocative symbol during the very formation of an English literary tradition from the fourteenth through the sixteenth centuries *Lost Property* traces the representation of women writers from Margery Kempe and Christine de Pizan to Elizabeth I and Mary Queen of Scots exploring how the woman writer became a focal point for emerging theories of literature and authorship in English precisely because of her perceived alienation from tradition Through original archival research and readings of key literary texts Summit writes a new history of the woman writer that reflects the impact of such developments as the introduction of printing the Reformation and the rise of the English court as a literary center A major rethinking of the place of women writers in the histories of books authorship and canon formation *Lost Property* demonstrates that rather than being an unimaginable anomaly the idea of the woman writer played a key role in the invention of English literature **The Lost Tradition of Economic Equality in America, 1600-1870** Daniel R. Mandell, 2020-04-07 An important examination of the foundational American ideal of economic equality and how we lost it Winner of the Missouri Conference on History Book Award for 2021 The United States has some of the highest levels of both wealth and income inequality in the world Although modern day Americans are increasingly concerned about this growing inequality many nonetheless believe that the country was founded on a person's right to acquire and control property But in *The Lost Tradition of Economic Equality in America 1600 1870* Daniel R Mandell argues that in fact the United States was originally deeply influenced by the belief that maintaining a rough or relative equality of wealth is essential to the cultivation of a successful republican government Mandell explores the origins and evolution of this ideal He shows how during the Revolutionary War concerns about economic equality helped drive wage and price controls while after its end Americans sought ways to maintain their beloved rough equality against the danger of individuals amassing excessive wealth He also examines how after 1800 this tradition was increasingly marginalized by the growth of the liberal ideal of individual property ownership without limits This politically evenhanded book takes a sweeping detailed view of economic social and cultural developments up to the time of Reconstruction when Congress refused to redistribute plantation lands to the former slaves who had worked it insisting instead that they required only civil and political rights Informing current discussions about the growing gap between rich and poor in the United States *The Lost Tradition of Economic Equality in America* is surprising and enlightening **The church as sacred space in Middle English literature and culture** Laura Varnam, 2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and

fifteenth centuries This book explores what was at stake not only for the church's sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church's status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and profane were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin

The Christian Tradition Jaroslav Pelikan, 2012-08-03 This penultimate volume in Pelikan's acclaimed history of Christian doctrine winner with Volume 3 of the Medieval Academy's prestigious Haskins Medal encompasses the Reformation and the developments that led to it Only in America and in this case from a Lutheran scholar could we expect an examination so lacking in parti pris a survey so perceptive so free and one must say the result of so much immense labor so rewardingly presented John M Todd New York Times Book Review Never wasting a word or losing a plot line Pelikan builds on an array of sources that few in our era have the linguistic skill genius or ambition to master Martin E Marty America The use of both primary materials and secondary sources is impressive and yet it is not too formidable for the intelligent layman William S Barker Eternity

Destination Newman Vandenburg III, 2013-01-28 We give thanks to our Heavenly Father for the gift of life We know that our Heavenly Father will bless and keep us secure from the evil threats portrayed by Satan We thank our Heavenly Father for granting a pleasurable time in this lifetime We honor our Heavenly Father because it is important to know that if things do not work out for us as we first thought it would it could only mean that our Heavenly Father has something better in store for mankind We must let our Heavenly Father's will be done We must give thanks to our Heavenly Father for allowing mankind to be successful and prosperous in his lifetime on earth We give thanks to our Heavenly Father for supplying all our needs according to his riches and glory by the Father of our Heavenly Father We give thanks to him and his source of supplies that will cover our every need We give thanks to our Heavenly Father for the universe that is balanced with divine law and order We thank our Heavenly Father for giving mankind the understanding on how the seeds of principles work Let me explain if we give unto others with good measures it shall be returned back to us in abundance As you can see every seed will be given back to the giver through the Heavenly Father That is why it will be a blessing handed down by the Heavenly Father to give then to receive We give thanks to our Heavenly Father for our success and prosperity in allowing mankind the knowledge to discover his plans and how mankind can live in the center of that plan

The Winning Tradition Bert Nelli, Steve Nelli, 2014-07-15 In its 95 year history the Kentucky Wildcats have won more games than any other college basketball team Their winning percentage is the highest in the country They share the record for the most 20 win seasons They are second in all time number one rankings And despite no longer holding the record for winningest coach Adolph Rupp will always be a giant in the pantheon of college basketball When *The Winning Tradition* first appeared in 1984 it was the first complete history of the Wildcat basketball program Bert Nelli pointed out that contrary to the accepted mythology Adolph Rupp arrived at a program already strong and storied Nor did Rupp bring an entirely new

style of play to the Bluegrass Instead he adopted and perfected that of his predecessor John Mauer What Rupp did bring was an ability to charm the news media and a fierce determination to turn out winning teams making him the undisputed Baron of Basketball This new and expanded edition of *The Winning Tradition* brings the history of Kentucky basketball up to date Nelli and his son Steve turn the same unflinching gaze that characterized the honesty of the first edition on the scandals that marred Eddie Sutton's tenure the return to glory under Rick Pitino and a full accounting of Tubby Smith's history making first year The start of basketball season is welcomed in the Bluegrass with an unmatched enthusiasm and intensity Each year brings a new team new stars and new glory Other books have documented individual seasons individual players or individual coaches But *The Winning Tradition* remains the only complete and authoritative history of the most celebrated college basketball program in the world A book no fan can afford to be without *The Winning Tradition* brings alive the agonies frustrations and glories of each season of Kentucky basketball from the first team fielded by women to the surprising victory in the 1998 NCAA tournament

British Children's Literature and Material Culture Jane Suzanne Carroll, 2021-10-21 The golden age of children's literature in the late 19th and early 20th century coincided with a boom in the production and trade of commodities The first book length study to situate children's literature within the consumer culture of this period *British Children's Literature and Material Culture* explores the intersection of children's books consumerism and the representation of commodities within British children's literature In tracing the role of objects in key texts from the turn of the century Jane Suzanne Carroll uncovers the connections between these fictional objects and the real objects that child consumers bought used cherished broke and threw away Beginning with the Great Exhibition of 1851 this book takes stock of the changing attitudes towards consumer culture a movement from celebration to suspicion to demonstrate that children's literature was a key consumer product one that influenced young people's views of and relationships with other kinds of commodities Drawing on a wide spectrum of well known and less familiar texts from Britain this book examines works from Lewis Carroll's *Through the Looking Glass* and *What Alice Found There* and E Nesbit's *Five Children It to Christina* Rossetti's *Speaking Likenesses* and Mary Louisa Molesworth's *The Cuckoo Clock* Placing children's fiction alongside historical documents shop catalogues lost property records and advertisements Carroll provides fresh critical insight into children's relationships with material culture and reveals that even the most fantastic texts had roots in the ordinary everyday things

"Rally, Once Again!" Alan T. Nolan, 2000 Alan T Nolan is one of our most esteemed historians of the Civil War His classic history *The Iron Brigade* was chosen as one of the 100 best books ever written on the Civil War by *Civil War Times Illustrated* His articles have appeared in such publications as *The American Historical Review* *Gettysburg Magazine* *Civil War Times Illustrated* *Indiana Magazine of History* and *Virginia Magazine of History and Biography* and he has been awarded the Nevins Freeman award by the Chicago Civil War Round Table Nolan is not the typical Civil War historian That he is a top notch historian no one can deny But his legal training at Harvard his career in the law and his many years as an officer of the

Indiana Historical Society have given him remarkable insights not imaginable by other historians This new collection of previously published material celebrates Nolan s life long research and study of the Civil War Included are essays on the Iron Brigade Gettysburg and leaders such as Lincoln Robert E Lee John Gibbon and Joshua Lawrence Chamberlain Central to all of the essays is Nolan s admiration for the valor of the common soldier and his conviction that the War was neither romantic nor glorious though its results emancipation and the maintenance of the Union were surely monumental **Selling**

Tradition Jane S. Becker,2000-11-09 The first half of the twentieth century witnessed a growing interest in America s folk heritage as Americans began to enthusiastically collect present market and consume the nation s folk traditions Examining one of this century s most prominent folk revivals the reemergence of Southern Appalachian handicraft traditions in the 1930s Jane Becker unravels the cultural politics that bound together a complex network of producers reformers government officials industries museums urban markets and consumers all of whom helped to redefine Appalachian craft production in the context of a national cultural identity Becker uses this craft revival as a way of exploring the construction of the cultural categories folk and tradition She also addresses the consequences such labels have had on the people to whom they have been assigned Though the revival of domestic arts in the Southern Appalachians reflected an attempt to aid the people of an impoverished region she says as well as a desire to recapture an important part of the nation s folk heritage in reality the new craft production owed less to tradition than to middle class tastes and consumer culture forces that obscured the techniques used by mountain laborers and the conditions in which they worked **Simple Guide to the Protestant**

Tradition David Rhymer,2001 The Simple Guide to the Protestant Tradition will help you appreciate the wide range of interpretations of the word Protestant and what the principal Protestant churches have as core beliefs and practices

Tarzan, Jungle King of Popular Culture David Lemmo,2017-01-10 From his first appearance in 1912 Tarzan became a multimedia franchise whose cultural influence extended well beyond mere entertainment The original 20th century superhero the Lord of the Apes was the inspiration behind such early archetypes as The Shadow and Doc Savage themselves the basis for heroes like Batman and Superman Long before Comic Cons and Trekkies the first Tarzan fan club was formed in America in 1916 pioneering the fandom movement that pervades modern pop culture This book examines Tarzan in his various media representations hunter warrior secret agent fighter of communists and Nazis and in his numerous story arcs including crossover adventures featuring historical characters like Arthur Conan Doyle and Nikola Tesla **Frances Yates**

and the Hermetic Tradition Marjorie G. Jones,2008-01-01 This is the first full length biography of British historian Frances Yates author of such acclaimed works as Giordano Bruno and The Hermetic Tradition and The Art of Memory one of the most influential non fiction books of the twentieth century Jones s book explores Yates remarkable life and career and her interest in the mysterious figure of Giordano Bruno and the influence of the Hermetic tradition on the culture of the Renaissance Her revolutionary way of viewing history literature art and the theater as integral parts of the cultural picture of the time period

did much to shape modern interdisciplinary approaches to history and literary criticism Jones focuses not only on the particulars of Yates life but also sheds light on the tradition of female historians of her time and their contributions to Renaissance scholarship In addition to her insightful commentary on Yates academic work Jones quotes from Frances diaries and the writings of those who were close to her to shed light on Yates private life This biography is significant for those with an interest in literary criticism women s history scientific history or the intellectual atmosphere of post war Britain as well as those interested in the Hermetic tradition

Lost Kingdoms: Hindu-Buddhist Sculpture of Early Southeast Asia Guy, John,2014-04-07 A fresh and exciting exploration of Southeast Asian history from the 5th to 9th century seen through the lens of the region s sculpture Was Israel Ever in Egypt?, Or, A Lost Tradition George Henry Bateson Wright,1895

Urnamma of Ur in Sumerian Literary Tradition Esther Flückiger-Hawker,1999 This book presents new standard editions of all the hitherto known hymns of Urnamma the founder of the Third Dynasty of Ur fl 2100 B C and adds new perspectives to the composition and development of the genre of Sumerian royal hymns in general The first chapter is introductory in nature The second chapter presents a general survey of Urnamma s hymnic corpus The third chapter deals with correlations of Urnamma s hymns with other textual sources pertaining to him A fourth chapter is devoted to aspects of continuity and change in royal hymnography by analysing the Urnamma hymns in relation to other royal hymns and related genres Chapter 5 presents editions of Urnamma hymns

Ravenna and the Traditions of Late Antique and Early Byzantine Craftsmanship Salvatore Cosentino,2020-08-10 In the last twenty years scholarship on late antique and early medieval Ravenna has resulted in a certain number of publications mainly focused on the fields of architecture mosaics and archaeology On the contrary much less attention has been paid on labour both manual and intellectual as well as the structure of production and objects derived from manufacturing activities despite the fact that Ravenna is the place which preserves the highest number of historical evidence among all centres of the late Roman Mediterranean Its cultural heritage is vast and composite ranging from papyri to inscriptions from ivories to marbles as well as luxury objects pottery and coins Starting from concrete typologies of hand manufactured goods existing in the Ravennate milieu the book aims at exploring the multifaceted traditions of late antique and early Byzantine handicraft from the fourth to the eighth century AD Its perspective is to pay attention more on patronage social taste acculturation workers and the economic industry of production which supported the demand circulation and distribution of artefacts than on the artistic evaluation of the objects themselves

The Industrial Revolution - Lost in Antiquity - Found in the Renaissance Cort MacLean Johns Ph.D. - HSG,2021-03-15 Historians of Technology have failed to include the larger contribution and influence of Ctesibius compressor driven Hydraulis with its pneumatic pumps keyboard and organ pipes in the path of critical preparatory events leading up to the Latent Industrial Revolution One should also realize that Ctesibius had all the parts and sub assemblies on hand to invent the first Steam Hydraulis or Calliope as illustrated on the front book cover of this work From the Fertile

Crescent of the Persian Empire to the Hellenistic Library of Alexandria Vitruvius writing brought the Hydraulis to the Abbey of St Gall in 1414 during the Renaissance Its path then took it through Italy Germany and the Paris of Louis XIV along the Arch of Industrial Reawakening This was the Hydraulis 2 millennium path from Antiquity to its return reigniting the Latent Industrial Revolution **Souls Grown Deep** William Arnett,2000 The first comprehensive overview of an important genre of American art Souls Grown Deep explores the visual arts genius of the black South This first work in a multivolume study introduces 40 African American self taught artists who without significant formal training often employ the most unpretentious and unlikely materials Like blues and jazz artists they create powerful statements amplifying the call for freedom and vision University of Wisconsin Studies in Language and Literature ,1927
