deepest hurts reveal the key to a powerful form of prayer that was lost 17 centuries ago What can we learn today from the
great secret of our most cherished traditions There are beautiful and wild forces within us With these words the mystic St
Francis described what ancient traditions believed was the most powerful force in the universe the power of prayer For more
than 20 years Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the
biblical edits of the early Christian Church In the 1990s he found and documented this form of prayer still being used in the
remote monasteries of central Tibet He also found it practiced in sacred rites throughout the high deserts of the American
Southwest In this book Braden describes this ancient form of prayer that has no words or outward expressions Then for the
first time in print he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs
Through case histories and personal accounts Braden explores the wisdom of these timeless secrets and the power that
awaits each of us just beyond our deepest hurt *God Listens* Lorene Hanley Duquin,2017-11-10 Can you hear me God
Sometimes we feel close to God in prayer Sometimes we feel like he s very distant But one promise we have from the Lord is
that he always listens In *God Listens* you ll find real life stories of answered prayer Author Lorene Hanley Duquin shares
stories she has collected from real people people praying for physical healing people praying for wisdom in making an

important life decision people in need of spiritual healing and many more Each chapter focuses on different forms of prayer and includes practical ideas for using them in your own life God Listens and responds sometimes just the way we want and sometimes in unexpected ways but always with deep and abiding love for us *A Quiet Moment with God* Marilynne Feeney, 2003-01-01
