individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one s self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry s symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon s temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry s major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin **The**

Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno,Joe Steve Swick III,Nicholas S. Literski,2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey's Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z
