Times delights in stories about God's goodness and mercy at work and at play in surprising people and situations. Yet it can be unnerving when faith communities find themselves off the known map, surprised by what they haven't seen and maybe don't want to. In the middle of inevitable fears and whether or not we say a wholehearted yes, God keeps calling us to be present in wonder stories like these about unforeseen consequences, unscripted happenings, interruptions, and improbabilities in parish ministry. Sometimes these experiences turn inherited expectations upside down. Often they challenge stereotypes and reveal that people are more capable and gifted than we thought. The stories in *Here Be Wonders* reveal glimpses of God's imagination and invite the church forward into new life. Organized by the seasons of the church year, these stories are meant for individual and group reflection. *Lutherans in America* Mark Alan Granquist, 2015. In this lively and engaging new history, Granquist brings to light not only the institutions that Lutherans founded and sustained but the people that lived within them. This shows the complete story, not only the policies and the politics but the piety and the practical experiences of the Lutheran men and women who lived and worked in the American context. Bringing the story all the way to the present day, Granquist ably covers the full range of Lutheran expressions, bringing order and clarity to a complex and vibrant tradition.

What Happens Next? Bruce L. Taylor, 2023-02-08. Bruce Taylor's latest volume of sermons for the Common Lectionary Revised compiles traditional and story form proclamations for the Sundays and feast days from Advent through Eastertide in Year B of the three-year lectionary cycle. Theologically rich, sacramentally sensitive, and ecumenically minded, these biblically centered sermons articulate God's love for the whole creation, the profound implications of discipleship, and the necessity of Christian unity. Like its predecessors in Taylor's first and second journeys through the lectionary, *What Happens Next* is intended for use by preachers, educators, seminary students, and devotional readers who will all find it to be a welcome companion in penetrating the spiritual genius of the liturgical year and the usefulness of preaching from common texts. The book exemplifies how preaching from Mark's Gospel and the accompanying lectionary readings can shape interaction with the elements of the liturgy to encourage faithful Christian worship. The very uniqueness of Mark among the Gospels is elicited to prompt the whole church and each believer to respond to the question posed implicitly but insistently by the women's discovery of the empty tomb on Easter morning: What happens next?
