Made Love To A Street King Tyra Racquel, 2018-05-05 For the love of money is the root of all evil From dope boy to street king Yali and his team rose from the bottom to the top with no worries The respect that they have from around the way leaves them untouchable Until somebody tries to touch them With a hard demeanor Yali's focus is to remain on top by any means necessary until his focus suddenly shifts to a beauty by the name of Eniko She was the rose that grew from the concrete With a past that left her fragile Eniko finds herself relocating to breathe in some fresh air With her attention on her writing career she didn't expect for Yali to creep into her life and steal her heart Falling in love again wasn't something she thought would happen but is that love strong enough not to break their bond when everything goes south Be careful who you let into your life Betrayal is one thing and loyalty is another You may think that you can stay on top forever but always remember When you're on top the only way to go is down
