The Hyperlinked Life Barna Group,,Jun Young,David Kinnaman,2014-01-07 It s an age of accelerated information and information overload The rate and way in which we receive information has changed dramatically from newspapers and radio and a few nightly news programs to constant news online We have made our lives available to the world in tweetable moments As much as we try to stop consuming the vast amounts of info coming at us we wrestle against a paranoia of missing out on important information or being out of the loop on something How can we rest from information take a Sabbath for our technology or information use How does this help us to become the right kind of factivist The onus is more and more on us to find the truth and to be aware of our own biases in what we share and don t Join Jun Young an award winning entrepreneur and communications strategist and David Kinnaman the President of Barna Group in this Barna Frame as they wrestle through what our responsibility looks like in how we read and disseminate information **High Life** ,1827
