Freedom'S Song K. Wayne Keillor,2014-11-25 Freedom's Song is both an expanded translation and a one of a kind interpretation of the life of Jesus It is a fresh portrait of him based on primary source documents namely the four gospels of the Christian scriptures In this story these documents are harmonized and arranged into a highly probable chronological narrative To add depth and flavor and bring about a greater understanding of Jesus discourses illustrations homilies and deeds cultural and political beliefs and practices of the first century are incorporated into the book The Prologue opens with a celestial sign that appeared to Magi priests about fifteen months before Jesus was born This is followed with a discussion of his pedigree and his person Part I covers the Inauguration of Freedom from Jesus unique birth to his first Passover in Jerusalem as a youth It then jumps forward eighteen years to his baptism personal testing as God's Liberator recruitment of his first six disciples and finally his first power deed Part II focuses on the Battle for Freedom It covers approximately two years of Jesus ministryhis tour of Galilee with the gospel identification of himself as the God man sermon about God's kingdom dispatching apostles to spread the good news teaching by parables visiting Jerusalem and his warning to the religious leaders of his day Part III includes Freedom's Victory coincidentally the denouement of Jesus life He is back in Jerusalem for another Passover and a final gathering with the apostles And here he is arrested tried and crucified as a common criminal The story ends with Freedom's SongJesus is alive *The Word Among Us* Terry L. Burden,2022-07-19 *The Word Among Us* Theologies of the Hebrew Bible Old Testament is a topical approach to the study of the Judeo Christian Bible Each topic is a survey of the many theological themes we encounter in the Biblical narrative such as the theology of Biblical History Torah Moses Election Covenant Land Kingship Prophecy and many more Special topics include The Theology of the Fall of Israel Theology of Messianic Expectations and The Theology of Israel Of particular interest is The Theology of Story which introduces the story oriented literary discipline At the center of Biblical theology is the tragic fall of the Northern Kingdom of Israel in 722 B C E and the Southern Kingdom of Judah in 586 B C E From these periods many of the theological motifs such as covenant law and prophecy arise to address and to explain these tragedies in Israelite history The primary purpose of the present study is a better understanding of the theological function of these motifs or themes A theological

function is the power of a Biblical narrative to constitute and to restore the Israelite people who were struggling to survive the late period of Biblical history A special feature of my study are the several promptings from Biblical topics of the many discussions that relate to the New Testament and Christian teachings My approach to the study of the Hebrew Bible Old Testament is unique among other introductions to the Hebrew Bible This book therefore is very important to both the Jewish and the Christian reader      **A Set of Holiday Sermons** ,1926      Passover - the Festival of Freedom and Redemption Sz Szpetman (Rabbi.),1953      ?? ??? ?????
