Political Violence And Insurgency A Comparative Approach

Stephen J. Rossetti

Political Violence And Insurgency A Comparative Approach:

Political Violence and Insurgency, a Comparative Approach Bard E. O'Neill, Donald J. Alberts, Stephen J. Rossetti, 1974

Terrorism Versus Democracy Paul Wilkinson, 2001 A sequel to Wilkinson's *Terrorism and the liberal state* 1986 this work concentrates on the problems of crafting and carrying out an effective response to terrorism that is both proportionate and compatible with the maintenance of democracy human rights and the rule of law Rather than setting out the history of modern terrorism Wilkinson director Centre for the Study of Terrorism and Political Violence U of St Andrews draws on events from the past 30 years and identifies emerging trends to extract key lessons on strategies policies and measures to prevent and combat terrorism He concludes that even relatively new and fragile democracies are not helpless in the face of terrorism and that an appropriate response may effectively prevent or even eradicate terrorist violence Distributed by ISBS c Book News Inc

The Literature of Terrorism Edward F. Mickolus, 1980-12-29 Product information not available

Political Terrorism A.J. Jongman, 2017-07-28 While there is no easy way to define terrorism it may generally be viewed as a method of violence in which civilians are targeted with the objective of forcing a perceived enemy into submission by creating fear demoralization and political friction in the population under attack At one time a marginal field of study in the social sciences terrorism is now very much in center stage The 1970s terrorist attacks by the PLO the Provisional Irish Republican Army the Popular Front for the Liberation of Palestine the Japanese Red Army the Unabomber Aum Shinrikyo Timothy McVeigh the World Trade Center attacks the assault on a school in Russia and suicide bombers have all made the term terrorism an all too common part of our vocabulary This edition of *Political Terrorism* was originally published in the 1980s well before some of the horrific events noted above This monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources is being reissued in paperback now as a resource for the expanding community of researchers on the subject of terrorism This is a carefully constructed guide to one of the most urgent issues of the world today When the first edition was originally published Choice noted This extremely useful reference tool should be part of any serious social science collection Chronicles of Culture called it a tremendously comprehensive book about a subject that any who have anything to lose from property to liberty life to limbs should be forewarned against

Iraqi Kurdistan Gareth R. V. Stansfield, 2003-08-29 In this groundbreaking study Stansfield identifies the principal dynamics of Iraqi Kurdish politics and analyzes the record and potential of the Kurdish democratic experiment and explores the development of the Kurdish political system since 1991

Political Violence in Sri Lanka, 1971-1987 Gāmaṇi Samaranāyaka, 2008 This book is the revised version of his doctoral thesis on Political Violence in the Third World A Case Study of Sri Lanka 1971 1987 It is a systematic empirical

study of the left wing insurrection by the Janatha Vimukthi Peramuna JVP in April 1971 and the ethnic insurrection by the Liberation Tigers of Tamil Eelam LTTE up to the Indo Sri Lanka Accord of 1987 This is an in depth study regarding a crucial phase of the on going political violence in Sri Lanka The book emphasizes that the root cause for the Political Violence in Sri Lanka is not only confined to ethnic groups but also on socio economic basis too The study explores the socio economic and political background that paved the way to the origin and development of underground movements the genesis of ideologies the strategies and tactics adopted leading to the escalation of political violence This book will therefore serve as a core reading material to understand the political violence in Sri Lanka Consequently it will serve as a very useful authentic reference material for the students of political science and policy makers concerned in search of a sustainable consensus and compromise for setting the political violence in Sri Lanka Contents List of Tables Abbreviations Foreword Preface Introduction Theories on Political Violence An Analytical Framework Preconditions of Political Violence in Sri Lanka The 1971 Insurrection Precondition of Tamil Guerrilla Warfare Origin Development and Form of Guerrilla Organisations Ideologies Strategies and Programmes Pattern of Political Violence 1971 1987 Conclusion Appendices Bibliography Index The Title Political Violence In Sri Lanka written authored edited by Gamini Samaranayake published in the year 2008 The ISBN 9788121210034 is assigned to the Hardcover version of this title This book has total of pp 432 Pages The publisher of this title is Gyan Publishing House This Book is in English The subject **Terrorism** United States Air Force Academy. Library,1977 Petropolitics and the Atlantic Alliance Joseph S. Szyliowicz, Bard E. O'Neill, 1976 **National Security Affairs Monograph Series** ,1976 **Terrorism** ,1981 **Strategic Review** ,1976 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States Africa Air University (U.S.). Library,1977 **A History of Counterinsurgency** Gregory Fremont-Barnes, 2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today's policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency

that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set s coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency *American Defense Policy* United States Air Force Academy. Department of Political Science, 1977 This book details the aspects of the American defense policy including its evolution arms control war and insurgency bureaucratic decisionmaking and defense policymaking Managing Terrorism and Insurgency Cameron I. Crouch, 2009-09-10 This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups The exploration of this question takes the form of a two tier examination of three insurgent actors whose capacity to regenerate weakened in the past the Front de lib ration du Qu bec FLQ of Canada the Movimiento de Liberaci n Nacional Tupamaros MLN T of Uruguay and the Provisional Irish Republican Army PIRA of Northern Ireland during the mid 1970s At the first level of its examination the book investigates the extent to which the regenerative capacities of the FLQ MLN T and PIRA weakened because of an increase in attrition and a decrease in recruitment The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser equal or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and in turn to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor s capacity to regenerate At the second level of its exploration the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature and insurgent recruitment and attrition ameliorating grievances selective repression discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University A Tragic Grace Stephen J. Rossetti, 1996 A Tragic Grace is a direct honest look at a difficult subject child sexual abuse within the Roman Catholic Church It includes the latest pastoral and psychological insights coupled with the author s original research It documents this sustained crisis in the Church and offers concrete suggestions on how to understand and deal with the subject Most importantly A Tragic Grace offers a vision of hope Within the seeds of this tragedy the author sees the possibility of a stronger more open and accountable Church
