Parables Unplugged Lauri Thuren, 2014-11-01 For far too long Lauri Thuren argues the parables of Jesus have been read either as allegories encoding Christian theology including the theological message of one or another Gospel writer or as tantalizing clues to the authentic voice of Jesus Thuren proposes instead to read the parables unplugged from any assumptions beyond those given in the narrative situation in the text on the common sense premise that the very form of the parable works to propose a sometimes startling resolution to a particular problem Thuren applies his method to the parables in Luke with some surprising results involving the Evangelist's overall narrative purposes and the discrete purposes of individual parables in supporting the authority of Jesus proclaiming God's love exhorting steadfastness and so on Eschatological and allegorical readings are equally unlikely according to Thuren's results This study is sure to spark learned discussion among scholars preachers and students for years to come

The Parables Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and

application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo. Prayerfulness was pictured by a persistent widow. The joy of salvation in the homecoming of a lost son. Love of neighbor by a marginalized Samaritan. If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance. Drawing on scholarship on the parables as well as theological, pastoral and practical insights, Douglas Webster guides the reader through each of Jesus's parables, pointing out the important nuances that allow us to understand them and be transformed by them. Reflection questions at the end of each chapter can be used for personal or group study, and an appendix for pastors provides guidance for preaching the parables. Pastors, Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul.

The Parables of Jesus Richard Gribble, 2000-06. The parable is the most well-known literary form presented in the gospels. And since narrative or story sermons are such a prominent element in the contemporary pulpit, pastors are preaching on the parable texts more frequently than ever. Richard Gribble thoroughly examines each of the parables appearing in Cycle C of the Revised Common Lectionary. Each analysis includes discussion of the theme, spiritual food for the journey, application of the parable to contemporary life, openings for preaching, points of challenge and questions to ponder, exegesis and explanation of the parable context of the parable. These studies will be a classic resource for preaching or useful for Bible study and inspiration. The author of eight books and over 100 articles, Richard Gribble, CSC, is the acting superior at Moreau Seminary at the University of Notre Dame. Father Gribble earned his Ph.D. from The Catholic University of America and has also earned degrees from the United States Naval Academy, the University of Southern California and the Jesuit School of Theology at Berkeley.

The Parables of Jesus the Galilean Ernest van Eck, 2016-08-09. Who do we meet in the stories Jesus told? In *The Parables of Jesus the Galilean*, Stories of a Social Prophet, a selection of the parables of Jesus is read using a social scientific approach. The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first-century Jewish Galilean sociopolitical, religious and economic setting. Therefore, this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first-century Mediterranean values. Where applicable, available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose. The picture of Jesus that emerges from these readings is that of a social prophet. The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world. This world for Jesus was the kingdom of God.

The Hidden Parables Todd Michael, 2008-09-04. The secret and empowering messages contained within Christ's thirty parables: an astonishing and practical blueprint for the life you are destined for. In *The Hidden Parables*, Dr. Todd Michael unveils a hidden layer of meaning within the thirty enigmatic parables spoken by Christ that shows that the parables are not a random collection of

stories but a unified system of knowledge This integrated system of knowledge describes how to use the spiritual law of thought forms of controlled intentions to create more beneficial more miraculous circumstances in our personal lives The information it presents is clear and very useful Moreover this system bears an uncanny symmetry with many of today's leading edge ideas from quantum physics In *The Hidden Parables* the parables are meticulously retranslated retaining the expressiveness of the original Greek and giving the reader a literal understanding of the words of Jesus Those aspects of Christ's words that are sometimes considered confounding are freshly revealed for their penetrating insights into human existence and for the hands on methodology they provide for a greater self understanding and for leading a more fulfilling life

Layman's (Laywoman's) Study of the Parables of Jesus Christ Mary Bullock Carter, 2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God's will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will

The Mockingbird Parables Matt Litton, 2010-08-11 *The Mockingbird Parables* takes readers on an inspiring and engaging journey through Harper Lee's beloved 1960 literary masterpiece introducing each character through the lens of faith The enigmatic Boo Radley as an allegorical representation of God the divine mysterious neighbor who watches over protects and longs to know his children personally The hero Atticus Finch as a model of faith integrity and even parenting The main character Scout Finch and what she might teach us about the role of women in church and society *The Mockingbird Parables* compels us to ask the often ignored questions Do we truly love our neighbors Are we building community Are we influencing society for the better By illuminating the parallels between Christian faith and Lee's masterpiece *The Mockingbird Parables* reaffirms the magnitude of a novel perhaps more relevant

today than ever before *The politics of Middle English parables* Mary Raschko,2018-10-03 The politics of Middle English parables examines the dynamic intersection of fiction theology and social practice in late medieval England Parables occupy a prominent place in Middle English literature appearing in dream visions and story collections as well as in lives of Christ and devotional treatises While most scholarship approaches the translated stories as stable vehicles of Christian teaching this book highlights the many variations and points of conflict across Middle English renditions of the same story In parables related to labour social inequality charity and penance the book locates a creative theological discourse through which writers attempted to re construct Christian belief and practice Analysis of these diverse retellings reveals not what a given parable meant in a definitive sense but rather how Middle English parables inscribe the ideologies power structures and cultural debates of late medieval Christianity **The Power of Parables** ,2023-11-07 The Power of Parables documents the surprising ways in which Jewish and Christian parables bridge religion with daily life This 2019 conference volume rediscovers the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition Not only do parables enhance the perspective on Scripture or the kingdom of heaven they also change the sensory regime of the audience in perceiving the outer world The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre *Thespian Theology Parables of John A. TenBrook*,2001 Many congregations are searching for fresh approaches to telling the good news and Thespian Theology is just what you need to inject a healthy dose of fun into the scriptural message Twelve of Jesus parables are depicted in a humorous offbeat way in scripts that were originally developed for presentation by a high school age youth group While the plays are especially appropriate for adolescents they also maintain a focus on the biblical text and will appeal to all ages Pastors and youth leaders will discover that these simple easy to perform sketches can be an excellent tool for reaching out to unchurched people and getting them excited about the gospel of Jesus Christ Everyone who participates in or witnesses a performance of these sketches will enjoy them while learning about God in the process Some of the amusing titles include Who Is My Neighbor or The Parable of the Good Geek The Good Samaritan Wilfred Wonderful s Weightless Wooden Widget Works The Unforgiving Servant Hey Who s in Charge Here The Laborers in the Vineyard Irkum D Judge Esq The Judge and the Widow A graduate of Harvard University B A and M B A John A TenBrook has been addicted to the theatre ever since he appeared in Harvard s famous Hasty Pudding Show as an undergraduate He has worked in marketing and public relations for the Westvaco and Friendly Ice Cream corporations and has also served as Director of Community Relations for two social service agencies in the Springfield Massachusetts area He is currently the Communications Coordinator for the Episcopal Diocese of Western Massachusetts *Central and Eastern European Bible Commentary* Corneliu Constantineanu,Peter Penner,2024-07-31 Available in the EU from Excelsis at <https://www.xl6.com/articles/9781783688227> central and eastern european bible commentary The Central and Eastern European Bible Commentary is a groundbreaking multi year work and
