 portrait of Hamilton civic life in the 1970s The focus is on power and the powerful On the surface power was wielded by the  
 city s businessman mayor a business oriented city council and a Liberal Party machine fronted by prominent cabinet minister  
 John Munro Behind the scenes Bill Freeman and Marsha Hewitt found a fascinating set of characters and organizations They  
 offer a history of organized crime in Hamilton from its rum running heyday of Rocco Perri to Johnny Papalia and his  
 associates in the 1970s Freeman and Hewitt provide a critical analysis of The Hamilton Spectator s often unquestioning  
 support of the business agenda for the city which produced the ruinous demolition of the downtown core and its replacement  
 with Jackson Square They also examine the labour movement s role in civic life A chapter on the John Munro political  
 machine written by Henry Jacek shows how politics is integrated into the power structure of the city The book tells the story  
 of key development projects of the 1960s and 1970s that were supposed to transform the central city The account of the

notorious contracts for dredging Hamilton Harbour is compelling reading The authors look closely at the winners and losers in these projects Today Hamiltonians can make their own judgments about the long term impact of these projects on their city
