Politics Of Nova Scotia 17101896

Martin Brook Taylor,Doug Owram

Politics Of Nova Scotia 17101896:

Politics of Nova Scotia: Nicholson-Fielding, 1710-1896 James Murray Beck, 1985 *The Supreme Court of Nova Scotia, 1754-2004* Osgoode Society for Canadian Legal History, 2004-01-01 Editors Philip Girard Jim Phillips and Barry Cahill have put together the first complete history of any Canadian provincial superior court All of the essays are original and many offer new interpretations of familiar themes in Canadian legal history

Scottish Presbyterianism and Settler Colonial Politics Valerie Wallace, 2018-02-01 This book offers a new interpretation of political reform in the settler colonies of Britain's empire in the early nineteenth century It examines the influence of Scottish Presbyterian dissenting churches and their political values It re-evaluates five notorious Scottish reformers and unpacks the Presbyterian foundation to their political ideas Thomas Pringle 1789-1834 a poet in Cape Town Thomas McCulloch 1776-1843 an educator in Pictou John Dunmore Lang 1799-1878 a church minister in Sydney William Lyon Mackenzie 1795-1861 a rebel in Toronto and Samuel McDonald Martin 1805-1848 a journalist in Auckland The book weaves the five migrants' stories together for the first time and demonstrates how the campaigns they led came to be intertwined The book will appeal to historians of Scotland Britain Canada Australia New Zealand South Africa the British Empire and the Scottish diaspora

[The Atlantic Region to Confederation](#) Phillip Buckner, John G. Reid, 2017-06-22 Nearly thirty years ago W S MacNutt published the first general history of the Atlantic provinces before Confederation An outstanding scholarly achievement that history inspired much of the enormous growth of research and writing on Atlantic Canada in the succeeding decades Now a new effort is required to convey the state of our knowledge in the 1990s Many of the themes important to today's historians notably those relating to social class gender and ethnicity have been fully developed only since 1970 Important advances have been made in our understanding of regional economic developments and their implications for social cultural and political life This book is intended to fill the need for an up-to-date overview of emerging regional themes and issues Each of the sixteen chapters written by a distinguished scholar covers a specific chronological period and has been carefully integrated into the whole The history begins with the evolution of Native cultures and the impact of the arrival of Europeans on those cultures and continues to the formation of Confederation The goal has been to provide a synthesis that not only incorporates the most recent scholarship but is accessible to the general reader The book re-assesses many old themes from a new perspective and seeks to broaden the focus of regional history to include those groups whom the traditional historiography ignored or marginalized

Essays in the History of Canadian Law Philip Girard, Jim Phillips, 2011-12-15 This third volume of *Essays in the History of Canadian Law* presents thoroughly researched original essays in Nova Scotian legal history An introduction by the editors is followed by ten essays grouped into four main areas of study The first is the legal system as a whole essays in this section discuss the juridical failure of the Annapolis regime present a collective biography of the province's superior court judiciary to 1900 and examine the property rights of married women in the nineteenth century The second section

deals with criminal law exploring vagrancy laws in Halifax in the late nineteenth century aspects of prisons and punishments before 1880 and female petty crime in Halifax The third section on family law examines the issues of divorce from 1750 to 1890 and child custody from 1866 to 1910 Finally two essays relate to law and the economy one examines the Mines Arbitration Act of 1888 the other considers the question of private property and public resources in the context of the administrative control of water in Nova Scotia Lives of Dalhousie University Peter B. Waite, 1994 V 1 1818 1925 Lord Dalhousie's college v 2 1925 1980 the old college transformed **Nova Scotia Historical Review**, 1995 *The Court of Queen's Bench of Manitoba, 1870-1950* Dale Brawn, Osgoode Society for Canadian Legal History, 2006-01-01 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba's Court of Queen's Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province's highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government

Lives of Dalhousie University, Volume 1 P.B. Waite, 1994-06-03 Financed by British spoils from eastern Maine in the War of 1812 modelled on the University of Edinburgh and shaped by Scottish democratic education tradition Dalhousie was unique among Nova Scotia colleges in being the only liberal nonsectarian institution of higher learning Except for a brief flicker of life 1838-43 for the first forty five years no students or professors entered Dalhousie's halls a reflection in part of the intense religious loyalties embedded in Nova Scotian politics The college building itself was at different times a cholera hospital and a Halifax community centre Finally launched in 1863 and by 1890 embracing the disciplines of law and medicine Dalhousie owed its driving force to the Presbyterians retaining a double loyalty to their ethos of hard work and devotion to learning and to a board staff and student body of mixed denominations P B Waite enlivens his descriptions of the life of the university with evocative portrayals of governors professors and students as well as sketches of the social and economic development of Halifax A welcome addition to the histories of Canadian universities this volume and its forthcoming companion dealing with the years 1925 to 1980 contribute significantly to our knowledge of the sometimes bitter internecine struggles that accompanied the development of higher education in Canada Everywhere is evident the deft turn of phrase the captivating descriptions the beautifully drawn word pictures that do much to enliven and illuminate the story It possesses

many strengths including clarity and liveliness and tells us much about Dalhousie as an institution of buildings presidents and professors B Moody Department of History Acadia University **The Grand Regulator** George D. Perry, 2013-07-01

Schools of education with utilitarian goals and strict standardization often called Normal Schools have been widely criticized by both the academy and the general public In a story that resonates across Canada The Grand Regulator examines an educational system that failed to inspire great teachers and produce imaginative thinking citizens Drawing on an array of archival materials government publications and firsthand accounts with former Normal School students George Perry provides a rich reconstruction of the intellectual social economic and political foundations of teacher education in Nova Scotia and the methodological preoccupations that have hampered its subsequent development He shows how a supposed science of education based on child psychology in concert with the province's regulation of public schooling justified low expectations for the education of most children and how standardized training programs deemphasized teachers' general liberal education and intellectual curiosity The most complete study of Canadian teacher education to date The Grand Regulator presents an analysis of perennial issues regarding the improvement of education that continue to concern us and illuminates ways of raising the level of instruction in our present day schools *Battle Royal* David Johnson, 2018-01-20

What is the future of the monarchy in Canada A strong republican movement in Canada stresses that the monarchy is archaic and anti-democratic an embarrassing vestige of our colonial past An equally vibrant monarchist movement however defends its loyalty to royalty asserting that the Queen is a living link to a political and constitutional tradition dating back over a thousand years But is the monarchy worth keeping Battle Royal answers this question and many more What does the Queen really do What are the powers of the governor general Has the Crown strengthened or weakened Canadian democracy If we abolish the monarchy what do we replace it with And will we have to re-open the constitution Charles will soon become King of Canada but a Canada highly ambivalent to his reign This presents the representatives of the Crown with the opportunity to build a better monarchy in both Britain and Canada one relevant to the twenty-first century **Rural Protest on Prince Edward Island** Rusty Bittermann, 2006-12-15

Who has the more legitimate claim to land settlers who occupy and improve it with their labour or landlords who claim ownership on the basis of imperial grants This question of property rights and their construction was at the heart of rural protest on Prince Edward Island for a century Tenants resisted landlord claims by squatting and refusing to pay rent They fought for their vision of a just rural order through petitions meetings rallies electoral campaigns and direct action Landlords responded with their own collective action to protect their interests In Rural Protest on Prince Edward Island Rusty Bittermann examines this conflict and the dynamic of rural protest on the Island from its establishment as a British colony in the 1760s to the early 1840s The focus of Bittermann's study is the remarkable mass movement known as the Escheat movement which emerged in the 1830s in the context of growing popular challenges elsewhere in the Atlantic World The Escheat movement aimed at resolving the land question in favour of tenants by having

the state resume escheat the large grants of land that created landlordism on the Island Although it ultimately gained control of the assembly in the late 1830s the Escheat movement did not produce the land policies that tenants and their allies advocated The movement did however synthesize years of rural protest and produce a persistent legacy of language and ideas concerning land justice and the rights of small producers that helped to make landlordism on the Island unsustainable in the long term Rural Protest on Prince Edward Island is a comprehensive and fascinating examination of an important but often overlooked period in the history of Canada's smallest province *Essays in the History of Canadian Law, Volume X* J. Phillips, R. Roy McMurtry, John T. Saywell, 2008-09-18 Covering a broad range of topics this volume examines developments over the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris *Mikmaq Treaties on Trial* William Wicken, 2002-01-01 Intersperses close analysis of the 1726 treaty with discussions of the Marshall case and shows how the inter cultural relationships and power dynamics of the past have shaped both the law and the social climate of the present **Essays in the History of Canadian Law** J. Phillips, R. Roy McMurtry, John T. Saywell, 2008-09-18 Written to honour the life and work of the late Peter N Oliver the distinguished historian and editor in chief of the Osgoode Society for Canadian Legal History from 1979-2006 this collection assembles the finest legal scholars to reflect on the issues in and development of the field of legal history in Canada Covering a broad range of topics this volume examines developments over the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris The introduction also provides insight into the history of the Osgoode Society and of Oliver's essential role in it along with an illuminating analysis of the Society's publications program which produced sixty six books during his tenure A fitting tribute to one of the foremost legal historians this tenth volume of *Essays in the History of Canadian Law* is a significant contribution to the discipline to which Oliver devoted so much *The "conquest" of Acadia, 1710* John G. Reid, Maurice Basque, Elizabeth Mancke, 2004-01-01 The conquest of Port Royal by British forces in 1710 is an intensely revealing episode in the history of northeastern North America Bringing together multi layered perspectives including the conquest's effects on aboriginal inhabitants Acadians and New Englanders and using a variety of methodologies to contextualise the incident in local regional and imperial terms six prominent scholars form new conclusions regarding the events of 1710 The authors show that the processes by which European states sought to legitimate their claims and the terms on which mutual toleration would be granted or withheld by different peoples living side by side are especially visible in the Nova Scotia that emerged following the conquest Important on both a local and global scale *The Conquest of Acadia* will be a significant contribution to Acadian history native studies native rights histories and the socio political history of the eighteenth century Evangelical Balance Sheet B. Anne Wood, 2010-10-26 Using the journals of W Norman Rudolf 1835-1886 a Victorian merchant *Evangelical Balance Sheet* Character Family and Business in Mid Victorian Nova Scotia explores the important role of character ideals and

evangelicalism in mid Victorian culture Rudolf s diary with its daily weather observations its account of family matters of social and business happenings and of his own experiences as well as occasional literary or naturalistic forays attempts to follow a disciplined regime of writing but also has elements of a Bildungsroman The diary reveals an obvious and significant tension between his inner spiritual search for meaning in his life evangelical inwardness and his outward stewardship duties Rudolf s concept of character then involved a type of balance sheet of his evangelical service record to his God his family his business and his community Needing God s help to transform his will and to interpret the world in a constructive rational manner the underlying intent of his daily journal writing was to keep his commitment to an ethic of benevolence and of the affirmation of the goodness of human beings Wood elucidates the cultivation of civic minded masculinity in the context of Victorian Maritime Canada analyzing the multiple facets of the character ideal and emphasizing its important role in Victorians understanding of their life experiences In the process Wood reveals many underlying assumptions about social change and about civic discourse The book also describes how the tremendous economic upheavals experienced by many entrepreneurs in the late 1860s to 1880s tempered their evangelical zeal and made it increasingly difficult for them to achieve a balanced and humane perspective on their own lives Evangelical Balance Sheet will appeal to a broad audience interested in social history imperial studies gender studies especially changing ideas of masculinity and manhood Atlantic Canada studies and local history of the Pictou region

Scientists and Swindlers Paul Lucier, 2022-02-03 An insightful account of the early fossil fuel industry the rise of the professional consultant and the nexus between science and money Technology and Culture In this impressively researched highly original work Paul Lucier explains how science became an integral part of American technology and industry in the nineteenth century Scientists and Swindlers introduces us to a new service of professionals the consulting scientists Lucier follows these entrepreneurial men of science on their wide ranging commercial engagements from the shores of Nova Scotia to the coast of California and shows how their innovative work fueled the rapid growth of the American coal and oil industries and the rise of American geology and chemistry Along the way he explores the decisive battles over expertise and authority the high stakes court cases over patenting research the intriguing and often humorous exploits of swindlers and the profound ethical challenges of doing science for money Starting with the small surveying businesses of the 1830s and reaching to the origins of applied science in the 1880s Lucier recounts the complex and curious relations that evolved as geologists chemists capitalists and politicians worked to establish scientific research as a legitimate regularly compensated and respected enterprise This sweeping narrative enriches our understanding of how the rocks beneath our feet became invaluable resources for science technology and industry

Canadian Forest Policy Michael Howlett, 2001-01-01 Arguing that the complexity of policy making in the forest sector has led many analysts to focus exclusively on specific sectoral activities or jurisdictions this collection of essays offers a simplifying framework of analysis

Canadian History: Beginnings to Confederation Martin Brook Taylor, Doug

Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship
Cover

Adopting the Song of Term: An Mental Symphony within **Politics Of Nova Scotia 17101896**

In some sort of eaten by displays and the ceaseless chatter of quick communication, the melodic elegance and mental symphony produced by the prepared word often fade into the background, eclipsed by the constant sound and distractions that permeate our lives. But, nestled within the pages of **Politics Of Nova Scotia 17101896** a stunning literary value full of raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts viewers on a mental trip, well unraveling the hidden melodies and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching assessment, we will explore the book is central harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
