**Politics and the Primary Teacher** Peter Cunningham, 2011-12-15 Why is primary education so high on the political agenda and so contentious Why is the performance of primary schools so often in the media spotlight Why should primary teachers trouble themselves with the politics of their work *Politics and the Primary Teacher* is an accessible introduction to some of the thorniest aspects of a primary teacher's role It aims to support your understanding of the constant changes in education policy give you confidence to engage critically with current political debates and consider how you might shape your response accordingly Including questions for reflection and selected further reading and resources it examines the complex interface between the work of a teacher and the world beyond the classroom walls Key issues explored include assessment testing league tables and national accountability measures the media's impact in shaping both local and national views about education political implications of new policies such as academies and free schools conditions of work in the classroom and workforce remodelling the curriculum its purposes and structure pedagogy and teaching methods education for citizenship health and well being *Politics and the Primary Teacher* is essential reading for all education professionals who want to think more deeply about primary education what it offers and how children families and communities are served by the primary school

**The Politics of Education in Developing Countries** Samuel Hickey, Naomi Hossain, 2019 This book focuses on how politics shapes the capacity and commitment of elites to tackle the learning crisis in six developing countries It deploys a new conceptual framework to show how the type of political settlement shapes the level of elite commitment and state capacity to improving learning outcomes

**The Politics of Educational Reform in Ghana** Maxwell A. Aziabah, 2018-07-09 This book comprises six main chapters and addresses the core research question How can the endurance of academic bias in Ghana's secondary education system be explained in the context of educational reform versus change of government concurrence Six sub questions have subsequently been derived from the core research question enabling a comprehensive and rigorous treatment of the subject matter of investigation The manuscript adopts an historical institutionalism approach combining path dependency with partisan theory in explicating structural persistence in the secondary school system in Ghana A case study methodological design procedure has been employed in the investigation of

three episodes of educational reform anchored on qualitative content analysis as the main data reduction mechanism      *The Politics of Australian Child Care* Deborah Brennan, 1998-04-06 This revised edition is a political history of child care in Australia from the 1890s to the late 1990s      Routledge Handbook of African Politics Nic Cheeseman, David Anderson, Andrea Scheibler, 2017-07-05 Providing a comprehensive and cutting edge examination of this important continent Routledge Handbook of African Politics surveys the key debates and controversies dealing with each of the major issues to be found in Africa's politics today Structured into 6 broad areas the handbook features over 30 contributions focused around The State Identity Conflict Democracy and Electoral Politics Political Economy Development International Relations Each chapter deals with a specific topic providing an overview of the main arguments and theories and explaining the empirical evidence that they are based on drawing on high profile cases such as the Democratic Republic of Congo Kenya Nigeria Somalia South Africa Rwanda and Zimbabwe The Handbook also contains new contributions on a wide range of topical issues including terrorism the growing influence of China civil war and transitional justice making it required reading for non specialists and experts alike Featuring both established scholars and emerging researchers this is a vital resource for all students of African Studies democratization conflict resolution and Third World politics      **Politics and Education** R. Murray Thomas, 2016-01-22 Politics and Education Cases from eleven nations tackles the relationship between politics and education The book presents several dimensions of the politics education relationship such as the use of education in achieving political agendas and the effects of the interest of a political group on educational policy The book presents cases from 11 different countries that show the interaction between education and politics such as the use of educational policy as a compensatory legitimization in West Germany the educational opportunity under pre and post revolutionary condition in Nicaragua and the education and the maintenance of the social class system in Jamaica The text will be of great interest to readers concerned with the implication of political agendas for the education system of a country      **The Politics of Aid Selectivity** Wil Hout, 2007-06-28 The first extended analysis of selectivity policies of important bilateral and multilateral aid donors this book combines a policy analytical with a quantitative empirical approach Bringing out the conflicts that may exist between foreign assistance agendas and the desire of governments in developing countries to set priorities for their national development policies the author describes in detail the policies of aid selectivity adopted by the World Bank the Netherlands and the United States since the end of the 1990s including the underlying assumptions looks at key decisions related to a selection of developing countries compares policy making and different approaches to selectivity in the United Kingdom with those in developing countries Critical and analytical in style this book is among other areas an invaluable resource for students of various sub fields of development studies and policy analysis as well as appealing to researchers and policy makers working in the area of foreign assistance across the globe      Population, Gender and Politics Roger Jeffery, Patricia Jeffery, 1997-07-13 Roger and Patricia Jeffery are well known for their work on religion and gender in South Asia In their

latest book a study of the demographic processes of two castes in rural north India they ask why fertility levels are higher among the Muslim Sheikhs than the Hindu Jats They conclude that explanations can only partially be attributed to gender relationships and religion and it is the economic and political interests of both groups which are the defining factors Their marginal economic position provides little incentive for the Sheikhs to raise small families while the Jats who are locally dominant are encouraged to use birth control and educate their children The authors go on to demonstrate the significance of this analysis for a wider understanding of the problems of population and politics in India generally The book will be invaluable for students of South Asia and for anyone interested in the demography of developing countries *African*

*Politics and Society in the 21st Century* Tyodzua Atim,2013 After more than one hundred years of statehood most African countries are still facing serious challenges of political instability low growth underdevelopment and stagnation These challenges have created a dysfunctional African society and destroyed the heroic and proud myth of resilience and hard work associated with a typical African The book has analyzed the trends and dynamics of the breakdown of family and institutional values which have necessitated the classification of most African states as failed While the book is of the opinion that in as much as the relationship between Africa and the West has contributed to the continent s current predicaments Africa s problems are predominantly self induced and are traced from the stereotypical culture of lack of idealism The book has empirically demonstrated that this culture has hindered initiative and promoted mediocrity deceit and tyranny on the part of African leadership while the politics of exclusion has promoted the culture of self resignation and fratricidal conflicts on the continent The book has also proved that the current wave of democratization in Africa particularly the electoral process as dramatized rituals that seek to legitimate the authority of the ruling class Gender and Social Equity in Primary Education

Vimala Ramachandran,2004-08-19 In recent years India has made impressive strides in increasing literacy rates and in enabling access to education The country now seems well set to provide universal and good quality basic education Yet behind this otherwise rosy picture lie serious concerns relating primarily to gender and equity This volume provides an insightful understanding of the ground realities of primary education programmes particularly those run by the District Primary Education Programme DPEP Combining secondary research with field studies conducted in six states the contributors explore gender and social equity issues in primary education They conclude that there is a subtle but nevertheless discernible hierarchy of access to education which has resulted in new forms of segregation in primary schools

**The Saturday Review of Politics, Literature, Science and Art ,1906      **Politics, Power and Community****

**Development** Rosie Meade,Mae Shaw,Sarah Banks,2016-01-13 Presenting unique and critical reflections on international policy and practice this book addresses the global dominance of neoliberalism It examines the extent to which community development practitioners activists and programmes can challenge critique engage with or resist its influence Saturday

Review of Politics, Literature, Science and Art ,1905      *Education and the Labour Government* Geoffrey Walford,2013-09-13

This book presents a valuable and authoritative evaluation of the real impact Labour's two terms have had on the British education system. On the 1st May 1997 the British electorate witnessed a watershed moment. After an eighteen year Conservative rule a New Labour government took office. When asked what his top three priorities were for the first term Tony Blair stated that they would be education education education. This book questions the extent to which the policy has met the rhetoric examining Labour's education policy practice and achievements during Blair's two terms in office. This selection of writings by highly respected academics in this field charts and evaluates the effects of policy changes on the various sectors of the educational system and on the major indicators of inequality. This book was previously published as a special issue of the Oxford Review of Education.

[Introduction to New Zealand](#)

Gilad James, PhD, New Zealand is a small country located in the southwestern Pacific Ocean. It is made up of two main islands the North Island and the South Island as well as a number of smaller islands. Known for its stunning natural landscapes and thriving film industry New Zealand is home to approximately 5 million people. The country has a diverse population with the indigenous Māori people making up around 15% of the population. The official languages of New Zealand are English, Māori and New Zealand Sign Language. New Zealand's economy is primarily based on agriculture with dairy and meat exports being major industries. The country also has a thriving tourism industry with many visitors drawn to its natural beauty and outdoor adventures such as hiking and skiing. New Zealand has a long history of environmental conservation and is home to several protected areas including national parks and marine reserves. The country is also a leader in renewable energy with around 80% of its electricity coming from renewable sources such as hydro and wind power. With its unique culture, stunning landscapes and commitment to sustainability New Zealand offers a truly special experience to visitors and residents alike.
