

Politics, work, and daily life in the USSR

A survey of former Soviet citizens

Edited by JAMES R. MILLAR

Politics Work And Daily Life In The Ussr

James R. Millar

Politics Work And Daily Life In The Ussr:

Politics, Work, and Daily Life in the USSR James R. Millar, 1987 Politics work and daily life in the USSR is designed to illustrate how the Soviet social system really works and how the Soviet people cope with it This study is based on the first comprehensive survey of life in the USSR since the Harvard Project over thirty three years ago The essays contained analyze the variations in attitude and behaviour reflected in the findings of the Soviet Interview Project a five year investigation of contemporary daily life in the USSR The survey involved interviewing thousands of recent emigrants from the USSR to the United States as a means of learning about their former day to day lives Some aspects of this survey dealt with areas the Soviets themselves had never investigated so the data were not and indeed still are not available even in unpublished Soviet sources This study of a large volume of firsthand observations is extremely valuable to anyone interested in the inner workings and behavioural dynamics of the contemporary Soviet social system *Political Culture and Civil Society in Russia*

and the New States of Eurasia Vladimir Tismaneanu, 1995 First Published in 1998 Routledge is an imprint of Taylor Francis an Informa company

Ideology and National Identity in Post-communist Foreign Policies Rick Fawn, 2003 This collection of essays examines the extent to which nationalism has replaced communist ideology in the foreign policy of communist states

Political Culture and Participation in Rural China Yang Zhong, 2013-06-17 Despite China's rapid urbanisation and industrialisation most Chinese still live in the vast countryside or have rural household registration Although there was significant economic improvement in rural areas in the 1980s the rural economy has been stagnating or deteriorating since then and the book argues that the rural urban income gap is giving rise to the potential for political instability throughout China This book based on extensive original research including interview fieldwork in rural areas examines the nature of political culture and participation in rural China discussing issues such as the support or lack of it for democratic values levels of political interest the ways in which Chinese peasants interact with village and local officials subjective factors that motivate them to vote or not to vote in village elections and rural people's views on market oriented economic reforms local and national government and the Communist Party The book argues that although hitherto peasants riots sit ins and demonstrations have been localised and uncoordinated they are frequent and have the potential to cause serious political crises for China's rulers It concludes by considering the future political development of China's vast countryside

From Fear to Fraternity Patricia Rawlinson, 2010-02-02 Organised crime makes good copy Gangsters shoot outs and mob meetings are a staple of TV shows and media reports tend to glamorise the criminal underworld The threat from organised crime has been a high profile concern in Western Europe and the US since the 1930s This being the case the recent emergence of Russian and Eastern European organised crime has led to high profile efforts to combat the new threat with little understanding of what it entails Patricia Rawlinson argues that burgeoning crime rates result not only from the failures of communism but also from the problems of free market economies Drawing on interviews with members of the

Russian criminal underworld she argues that organised crime provides us with a barometer of economic well being both for Russia and for any neoliberal market economy **The Soviet Union** Peter Waldron,2018-01-18 The Soviet Union was one of the most significant historical phenomena of the twentieth century This volume brings together key articles that analyse its birth in the 1917 revolution the development of Stalin s tyranny and Soviet decline from the 1960s onwards The collection includes scholarship of the highest quality that illuminates this key episode in the history of both Europe and the wider world

Everyday Law in Russia Kathryn Hendley,2017-02-07 Everyday Law in Russia challenges the prevailing common wisdom that Russians cannot rely on their law and that Russian courts are hopelessly politicized and corrupt While acknowledging the persistence of verdicts dictated by the Kremlin in politically charged cases Kathryn Hendley explores how ordinary Russian citizens experience law Relying on her own extensive observational research in Russia s new justice of the peace courts as well as her analysis of a series of focus groups she documents Russians complicated attitudes regarding law The same Russian citizen who might shy away from taking a dispute with a state agency or powerful individual to court might be willing to sue her insurance company if it refuses to compensate her for damages following an auto accident Hendley finds that Russian judges pay close attention to the law in mundane disputes which account for the vast majority of the cases brought to the Russian courts Any reluctance on the part of ordinary Russian citizens to use the courts is driven primarily by their fear of the time and cost measured in both financial and emotional terms of the judicial process Like their American counterparts Russians grow more willing to pursue disputes as the social distance between them and their opponents increases Russians are loath to sue friends and neighbors but are less reluctant when it comes to strangers or acquaintances Hendley concludes that the rule of law rubric is ill suited to Russia and other authoritarian polities where law matters most but not all of the time Soviet Science on the Edge of Reform Harley D. Balzer,2019-06-04 It is my sincere hope that the reforms currently being introduced in the USSR will render much of this book obsolete Yet even if perestroika brings significant change to the Soviet Union historians will want a record of what existed before After four years it has become apparent that perestroika is a painful long term process In such a large and diverse country even the reforms that are successful cannot take place everywhere at once One major goal in publishing this book is to make data from a major interview project on Soviet science and technology available to a broader audience Despite the changes taking place many of the features illuminated by these unique data persist **Problems of Communism** ,1985 *Russia after the Cold War* Mike Bowker,Cameron Ross,2014-06-17 In Russia after the Cold War the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia Russia after the Cold War is ideally suited as a main text for introductory courses on modern Russia within a politics Area

Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman

Russian Talk Nancy Ries, 1997 As one of the first Western ethnographers working in Moscow Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced Listening to the grim stories people used to characterize their lives during perestroika and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny While many of the narratives aptly depicted the chaotic social and political events they also promoted key images of Russianness and presented Russian society as an inescapable realm of injustice absurdity and suffering At the height of perestroika in the early 1990s Moscow residents commonly used the phrase complete ruin to refer to the disintegration of Russian society encompassing in that phrase the escalation of crime the disappearance of goods from stores the fall of production ecological catastrophes ethnic violence in the Caucasus the degradation of the arts and the flood of pornography Ries argues that such stories became a genre of folklore consistent in their lamenting portentous tone and their dramatic culturally poignant details

Political Science William J. Crotty, 1991 In this volume the study of legislatures has traditionally been a central preoccupation of political scientists Legislatures provide good laboratories for testing theories and methodologies of significance in the discipline and more broadly for contributing to an understanding of how representative government works

The Reincarnation of Russia John Löwenhardt, 1995 In *The Reincarnation of Russia* John L. Löwenhardt presents the first in depth analysis of the initial and crucial stages of Russia's new statehood He examines Russia's recent turbulent history beginning with the explosive Declaration of State Sovereignty in June 1990 through the adoption of the Yeltsin constitution in the elections of December 1993 and concluding with the early months of 1994 His analysis of Russia's struggle with the vestige of Soviet Communism and the attempt to create a more democratic form of government offers crucial insight into one of the critical turning points in contemporary history Building on analysis of the failure of the Soviet system Löwenhardt compares the emergence of Russia as a newborn state with other countries that have undergone transitions from authoritarianism toward democracy Although it is often claimed that Russia is a unique case the author argues that the lessons of other nations are relevant to the Russian situation In conjunction with this comparative analysis and with consideration of the significance of the communist and Russian past Löwenhardt discusses political and economic developments including both foreign and domestic policy concerns in Russia over the last four years He provides a better understanding of the Russian condition and a guarded optimism regarding the ongoing process taking place in Russia today *The Reincarnation of Russia* will be welcomed by scholars with specialized interests in the democratization of Russia political leaders journalists and general readers concerned with the global impact of Russia's changing status

Historical

Narratives in the Soviet Union and Post-Soviet Russia T. Sherlock, 2007-04-16 Establishing a causal link between historical discourse and political change this important book describes the role of historical discourse in establishing maintaining or destroying elite and mass political identities in Soviet and post Soviet space **Russian Studies, Political Science, and the Philosophy of Technology** Guoli Liu, Joanna Drzewieniecki, 2022-04-18 This volume presents state of the art creative scholarship in political science and area studies with an emphasis on Russia The contributors all well known in their specialties share the conviction that advancement in the social sciences can only be achieved through plural methodological approaches and interaction with various disciplines Their work in this collection provides critical analyses of key issues in Russian and post Soviet studies It explores the most fruitful ways of studying Russia with particular emphasis on the federal system politics in the era of Putin challenges of Russian foreign policy and Russian attitudes toward democracy The vagaries of democracy are also explored in articles on Georgia and Turkey Additionally this book examines the philosophy of technology with an emphasis on critical theory eco domination and engineering ethics The Tragedy of Russia's Reforms Peter Reddaway, Dmitri Glinski, 2001 Examines the collapse of the Soviet Union in 1991 and the birth of the Russian state focusing on Yeltsin's disastrous policies which brought on an economic collapse almost twice as severe as America's Great Depression Democratic Changes and Authoritarian Reactions in Russia, Ukraine, Belarus and Moldova Karen Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world's leading analysts of postcommunist politics this 1997 book brings together distinguished specialists on the former communist countries of Russia and the Western Newly Independent States Chapters on Belarus Moldova and Ukraine plus three chapters on Russia's regional politics its political parties and the overall process of democratization provide an in depth analysis of the uneven pattern of political change in these four countries Karen Dawisha and Bruce Parrott contribute theoretical and comparative chapters on postcommunist political development across the region This book will provide students and scholars with detailed analysis by leading authorities plus research data on political and economic developments in each country *Europe Since 1945* J. Robert Wegs, Robert Ladrech, 2017-09-16 As Europe has expanded its influence in world economic and political affairs there has been an increased need to understand how Europe recovered from the devastation of World War II to become a major world player This concise history offers a comprehensive overview of Europe's political social economic and cultural developments since 1945 J Robert Wegs and Robert Ladrech balance a narrative of the major events and personalities of the post war political scene with a critical assessment of key issues and themes such as The development of the welfare state European integration and the European Union The Cold War The rise and fall of the Soviet Empire The political economic turmoil in eastern Europe since 1989 The place of Europe in the globalisation of the world's political economic affairs The text also features further reading sections at the end of each chapter to aid more detailed study and is enhanced throughout with tables maps and illustrations Written for students and general readers alike this thoroughly revised updated and expanded

new edition is an ideal introduction for anyone with an interest in the history and politics of post war Europe east and west

The Political Economy of Stalinism Paul R. Gregory, 2004 This book uses the formerly secret Soviet state and Communist Party archives to describe the creation and operations of the Soviet administrative command system It concludes that the system failed not because of the jockey i e Stalin and later leaders but because of the horse the economic system Although Stalin was the system s prime architect the system was managed by thousands of Stalins in a nested dictatorship The core values of the Bolshevik Party dictated the choice of the administrative command system and the system dictated the political victory of a Stalin like figure This study pinpoints the reasons for the failure of the system poor planning unreliable supplies the preferential treatment of indigenous enterprises the lack of knowledge of planners etc but also focuses on the basic principal agent conflict between planners and producers which created a sixty year reform stalemate

Cracks in the Monolith James R. Millar, 1992

Eventually, you will no question discover a additional experience and attainment by spending more cash. yet when? pull off you take that you require to get those every needs subsequent to having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more all but the globe, experience, some places, subsequent to history, amusement, and a lot more?

Politics Work And Daily Life In The Ussr Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Work And Daily Life In The Ussr has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Work And Daily Life In The Ussr has opened up a world of possibilities. Downloading Politics Work And Daily Life In The Ussr provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Work And Daily Life In The Ussr has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Work And Daily Life In The Ussr. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Work And Daily Life In The Ussr. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Work And Daily Life In The Ussr, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Politics Work And Daily Life In The Ussr has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Work And Daily Life In The Ussr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Work And Daily Life In The Ussr is one of the best book in our library for free trial. We provide copy of Politics Work And Daily Life In The Ussr in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Work And Daily Life In The Ussr. Where to download Politics Work And Daily Life In The Ussr online for free? Are you looking for Politics Work And Daily Life In The Ussr PDF? This is definitely going to save you time and cash in something you should think about.
