Antonietta Visceglia**

Politics And Diplomacy In Early Modern Italy:

Politics and Diplomacy in Early Modern Italy Daniela Frigo, 2000-01-28 This 2000 volume was the first attempt at a comparative reconstruction of the foreign policy and diplomacy of the major Italian states in the early modern period. The various contributions reveal the instruments and forms of foreign relations in the Italian peninsula. They also show a range of different case studies and models which share the values and political concepts of the cultural context of diplomatic practice in the ancient regime. While Venice, the Papal States, the duchy of Savoy, Florence, later the duchy of Tuscany, Mantua, Modena, and later the kingdom of Naples may be considered minor states in the broader European context, their diplomatic activity was equal to that of the major powers. This reconstruction of their ambassadors, their secretaries, and their ceremonies offers a fascinating interpretation of the political history of early modern Italy. Court and Politics in Papal Rome, 1492-1700

Gianvittorio Signorotto, Maria Antonietta Visceglia, 2002-03-21 This 2002 book attempts to overcome the traditional historiographical approach to the role of the early modern papacy by focusing on the actual mechanisms of power in the papal court. The period covered extends from the Renaissance to the aftermath of the peace of Westphalia in 1648, after which the papacy was reduced to a mainly spiritual role. Based on research in Italian and other European archives, the book concentrates on the factions at the Roman court and in the college of cardinals. The sacred college came under great international pressure during the election of a new pope, and consequently such figures as foreign ambassadors and foreign cardinals are examined, as well as political liaisons and social contacts at court. Finally, the book includes an analysis of the ambiguous nature of Roman ceremonial, which was both religious and secular, a reflection of the power struggle both in Rome and in Europe. The Oxford Handbook of Early Modern European History, 1350-1750

Hamish Scott, 2015-07-23 This Handbook re-examines the concept of early modern history in a European and global context. The term 'early modern' has been familiar, especially in Anglophone scholarship, for four decades and is securely established in teaching, research, and scholarly publishing. More recently, however, the unity implied in the notion has fragmented, while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned. The Oxford Handbook of Early Modern European History, 1350-1750 provides an account of the development of the subject during the past half-century but primarily offers an integrated and comprehensive survey of present knowledge, together with some suggestions as to how the field is developing. It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study. The overriding aim will be to establish that 'early modern' is not simply a chronological label but possesses a substantive integrity. Volume II is devoted to Cultures and Power, opening with chapters on philosophy, science, art, and architecture, music, and the Enlightenment. Subsequent sections examine Europe beyond Europe, with the transformation of contact with other continents during the first global age, and military and political developments, notably the expansion of state power. *Routledge Handbook of Historical International Relations* Benjamin de Carvalho, Julia Costa

Lopez, Halvard Leira, 2021-06-28 This handbook presents a comprehensive concise and accessible overview of the field of Historical International Relations HIR It summarizes and synthesizes existing contributions to the field while presenting central themes approaches and methodologies that have driven the development of HIR providing the reader with a sense of the diversity and research dynamics that are at the heart of this field of study The wide range of topics covered are grouped under the following headings Traditions Demonstrates the wide variety of approaches to HIR Thinking International Relations Historically Different ways of thinking IR historically share some common concerns and areas for further investigation Actors Processes and Institutions Explores the processes actors practices and institutions that constitute the core objects of study of many HIR scholars Situating Historical International Relations Critically reflects about the situatedness of our objects of study Approaches Examines how HIR scholars conduct and reflect about their research often in dialogue with a variety of perspectives from cognate disciplines Summarizing key contributions and trends while also sketching out challenges for future inquiry this is an invaluable resource for students academics and researchers from a range of disciplines particularly International Relations global history political science history sociology anthropology peace studies diplomatic studies security studies international political thought political geography international law

The Oxford Handbook of the Baroque John D. Lyons, 2019-08-08 Few periods in history are so fundamentally contradictory as the Baroque the culture flourishing from the mid sixteenth to the mid eighteenth centuries in Europe When we hear the term Baroque the first images that come to mind are symmetrically designed gardens in French chateaux scenic fountains in Italian squares and the vibrant rhythms of a harpsichord Behind this commitment to rule harmony and rigid structure however the Baroque also embodies a deep fascination with wonder excess irrationality and rebellion against order The Oxford Handbook of the Baroque delves into this contradiction to provide a sweeping survey of the Baroque not only as a style but also as a historical cultural and intellectual concept With its thirty eight chapters edited by leading expert John D Lyons the Handbook explores different manifestations of Baroque culture from theatricality in architecture and urbanism to opera and dance from the role of water to innovations in fashion from mechanistic philosophy and literature to the tension between religion and science These discussions present the Baroque as a broad cultural phenomenon that arose in response to the enormous changes emerging from the sixteenth century the division between Catholics and Protestants the formation of nation states and the growth of absolutist monarchies the colonization of lands outside Europe and the mutual impact of European and non European cultures Technological developments such as the telescope and the microscope and even greater access to high quality mirrors altered mankind's view of the universe and of human identity itself By exploring the Baroque in relation to these larger social upheavals this Handbook reveals a fresh and surprisingly modern image of the Baroque as a powerful response to an epoch of crisis

The Early Modern Ottomans Virginia H. Aksan, Daniel Goffman, 2007-07-26 Publisher description **Reframing Treaties in the Late Medieval and Early Modern West**

,2025-08-02 The history of peacemaking has traditionally been reduced to isolated case studies and seen as the prelude to the presumed universal and modern international order Countering this one dimensional and Eurocentric narrative this multi authored volume reconceptualizes peace treaties as a range of successful and failed agreements settlements truces leagues and other forms of conflict resolution thus recovering their multilayered history throughout the medieval and early modern period Rather than a series of great treaties peacemaking is reframed as a flexible phenomenon a political grammar whose complexity is reflected in its variety of forms and sources Drawing on both diplomatic history and international relations studies this volume traces the central role that peacemaking has played in the political history of the Western World

Diplomatic Cultures at the Ottoman Court, c.1500–1630 Tracey A. Sowerby, Christopher Markiewicz, 2021-05-24 In the sixteenth century the Ottoman court in Constantinople emerged as the axial centre of early modern diplomacy in Eurasia Diplomatic Cultures at the Ottoman Court c 1500 1630 takes a unique approach to diplomatic relations by focusing on how diplomacy was conducted and diplomatic cultures forged at a single court the Sublime Porte It unites studies from the perspectives of European and non European diplomats with analyses from the perspective of Ottoman officials involved in diplomatic practices It focuses on a formative period for diplomatic procedure and Ottoman imperial culture by examining the introduction of resident embassies on the one hand and on the other changes in Ottoman policy and protocol that resulted from the territorial expansion and cultural transformations of the empire in the sixteenth century The chapters in this volume approach the practices and processes of diplomacy at the Ottoman court with special attention to ceremonial protocol diplomatic sociability gift giving cultural exchange information gathering and the role of para diplomatic actors

Religion, Politics and the Public Sphere, 1500-1850 David R. Como, Michael Questier, Simon Adams, Richard P. Cust, Lori Anne Ferrell, 2025-02-11 An examination of the political cultural and spiritual shock waves unleashed by the reformation and counter reformation The traumas and transformations sparked by the reformation and counter reformation were felt in countless ways over the two centuries that followed This book examines the political cultural and spiritual shock waves unleashed by the reformation It considers religion religious identity and religious conflict paying particular attention to the self professed beliefs and mental structures articulated by early modern people in an effort to make sense of how those people lived formed communities and understood their religious lives It explores how the pervasive effects of religious schisms shaped political life across Europe exerting profound effects on political structures and arguments reshaping borders sowing endemic conflict and engendering various solutions for confronting and overcoming those conflicts In addition the book discusses how the religious and political controversies provoked by the reformation were conducted publicly often in print before increasingly broader audiences often making use of new modes of representation that emerged during the period Overall the book provides a broad in depth very insightful analysis of this crucially important period Contributors Simon Adams Michael Braddick Thomas Cogswell David Como Richard Cust Lori Anne Ferrell Kenneth Fincham

[illegible]

Celibacy seek to justify a contemplative existence at a far remove from the active life and career path expected of a figure of Barbaro's standing within the Venetian patriciate Books 1 and 2 of *On Celibacy* are presented in the companion piece to this second volume The second work presented here is Barbaro's short treatise *On the Duty of Ambassador* 1488 based on Barbaro's own practical experience as a Venetian envoy abroad this treatise outlines the conduct expected of the dedicated career diplomat Viewed against each other Barbaro's *On Celibacy* and *On the Duty of the Ambassador* offer contrasting perspectives on the wider 15th century debate about the claims of the reflective as opposed to the active life a debate that extends all the way back to Greco Roman antiquity In *On Celibacy* the young Barbaro is committed to a life that proudly renounces civic engagement in the name of self discovery and inner fulfilment Yet a different Barbaro asserts himself in *On the Duty of the Ambassador* he now presents himself as a committed public servant in a work that is ahead of its time in theorizing the nature of modern Renaissance diplomacy On a personal level these two works capture the profound dichotomy in Barbaro's life between his humanist devotion to scholarship on the one hand and on the other his call of duty to the Republic of Venice

Collecting Art in the Italian Renaissance Court Leah R. Clark, 2018-06-28 In this book Leah R. Clark examines collecting practices across the Italian Renaissance court exploring the circulation exchange collection and display of objects Rather than focusing on patronage strategies or the political power of individual collectors she uses the objects themselves to elucidate the dynamic relationships formed through their exchange Her study brings forward the mechanisms that structured relations within the court and most importantly also with individuals representations and spaces outside the court The volume examines the courts of Italy through the wide variety of objects statues paintings jewellery furniture and heraldry that were valued for their subject matter material forms histories and social functions As Clark shows the late fifteenth century Italian court can be located not only in the body of the prince but also in the objects that constituted symbolic practices initiated political dialogues caused rifts created memories and formed associations

Regulating Knowledge in an Entangled World Fokko Jan Dijksterhuis, 2022-11-11 *Regulating Knowledge in an Entangled World* uses case studies from the sixteenth to the eighteenth centuries to study knowledge transfer in early modern knowledge societies In the early modern period the scale intensity and reach of exchange exploded This volume develops a historicised understanding of knowledge transfer to shed new light on these fundamental changes By looking at the preconditions of knowledge transfer it shifts the focus from the objects circulating to the interactions by which they circulate and the way actors cement their relations The novelty of this approach shows how rules and regulations were enablers of knowledge circulation rather than impediments The chapters identify changing patterns of knowledge transfer in cases such as sixteenth century Venice the Spanish Empire in the Americas continental Habsburg early seventeenth century Dutch at sea and the Offices of the Catholic Church Through the perspective of regulating this volume advances the historiography of knowledge circulation by forging a new combination of histories of circulation and of institutions By bringing together historians from

intellectual history economic history book history the history of science religion art and material culture this volume is useful for students and scholars interested in early modern knowledge societies and changing patterns of knowledge transfer

A Cultural History of Democracy in the Renaissance Virginia Cox, Joanne Paul, 2022-12-15 This volume offers a broad exploration of the cultural history of democracy in the Renaissance The Renaissance has rarely been considered an important moment in the history of democracy Nonetheless as this volume shows this period may be seen as a democratic laboratory in many often unexpected ways The classicizing cultural movement known as humanism which spread throughout Europe and beyond in this period had the effect of vastly enhancing knowledge of the classical democratic and republican traditions Greek history and philosophy including the story of Athenian democracy became fully known in the West for the first time in the postclassical world Partly as a result of this the period from 1400 to 1650 witnessed rich and historically important debates on some of the enduring political issues at the heart of democratic culture issues of sovereignty of liberty of citizenship of the common good of the place of religion in government At the same time the introduction of printing and the emergence of a flourishing proto journalistic news culture laid the basis for something that recognizably anticipates the modern public sphere The expansion of transnational and transcontinental exchange in what has been called the age of encounters gave a new urgency to discussions of religious and ethnic diversity Gender too was a matter of intense debate in this period as was specifically the question of women's relation to political agency and power This volume explores these developments in ten chapters devoted to the notions of sovereignty liberty and the common good the relation of state and household religion and political obligation gender and citizenship ethnicity diversity and nationalism democratic crises and civil resistance international relations and the development of news culture It makes a pressing case for a fresh understanding of modern democracy's deep roots

Reimagining Mobilities across the Humanities Lucio Biasiori, Federico Mazzini, Chiara Rabbiosi, 2023-01-31 Volume 2 Objects People and Texts explores the movement of individuals and peoples and the circulation of material objects and books and texts Through a series of short chapters mobility is employed as an elastic inclusive and multifaceted concept across various disciplines to shed light on a geographically and chronologically broad range of issues and case studies In doing so the concept of mobility is positioned as a powerful catalyst for historical change and as a fruitful approach to research in the humanities and social sciences Like its sister volume this volume is edited and written by members of the Centre for Advanced Studies in Mobility and the Humanities MoHu at the Department of Historical and Geographical Sciences and The Ancient World DiSSGeA of the University of Padua Italy The structure of the book mirrors the Theories and Methods and Ideas thematic research clusters of the Centre Afterwords from leading scholars from other institutions synthesise and reflect upon the findings of each section This volume together with Volume 1 Theories Methods and Ideas makes a compelling case for the use of mobility studies as a research framework in the humanities and social sciences As such it will be of interest to students and researchers in various

disciplines **Tuscany in the Age of Empire** Brian Brege, 2021-07-13 The Renaissance was also the beginning of the Age of Empires yet the Grand Duchy of Tuscany failed to secure overseas colonies How did Tuscany retain its place in European affairs and intellectual life Brian Brege explores the shrewd diplomatic moves and domestic investments that safeguarded the duchy's wealth and influence amid globalization Research Handbook on the Theory and History of International Law Alexander Orakhelashvili, 2020-12-25 This updated and revised second edition with contributions from renowned experts provides a comprehensive scholarly framework for analyzing the theory and history of international law Featuring an array of legal and interdisciplinary analyses it focuses on those theories and developments that illuminate the central and timeless basic concepts and categories of the international legal system highlighting the interdependency of various aspects of theory and history and demonstrating the connections between theory and practice **The Hero of Italy** Gregory Hanlon, 2019-08-15 The Hero of Italy examines a salient episode in Italy's Thirty Years War with Spain and France whereby the young duke Odoardo Farnese of Parma embraced the French alliance only to experience defeat and occupation after two tumultuous years 1635-1637 Gregory Hanlon stresses the narrative of events unfolding in northern Italy examining the participation of the little state in these epic European events The first chapter describes the constitution of Cardinal Richelieu's anti-Habsburg alliance and Odoardo's eagerness to be part of it A chapter on the Parmenian professional army based on an extraordinary collection of company roster books sheds light on the identity of over 13,000 individuals soldier by soldier the origin and background of their officers the conditions of their lodgings and the good state of their equipment Chapter three follows the first campaign of 1635 alongside French and Savoyard contingents at the failed siege of Valenza and the logistical difficulties of organizing such large scale operations Another chapter examines the financial expedients the duchy adopted to fend off incursions on all its borders in 1636 and how militia contingents on both sides were drawn into the fighting A final chapter relates the Spanish invasion and occupation which forced duke Odoardo to make a separate peace The volume includes a detailed assessment of the impact of war on civilians based on parish registers for city and country The application of the laws of war was largely nullified by widespread starvation disease and routine sex selective infanticide These quantitative analyses supported by maps and tables are among the most detailed anywhere in Europe in the era of the Thirty Years War *Venice's Secret Service* Ioanna Iordanou, 2019 Ioanna Iordanou traces the remarkable development of Venetian intelligence in the city state system of Northern Italy contesting that early modern Venice was home of the world's first centrally organized state intelligence service setting a framework that has been instrumental in the creation of modern intelligence *The Politics of Commercial Treaties in the Eighteenth Century* Antonella Alimento, Koen Stapelbroek, 2017-09-15 This book is the first study that analyses bilateral commercial treaties as instruments of peace and trade comparatively and over time The work focuses on commercial treaties as an index of the challenges of eighteenth century European politics shaping a new understanding of these challenges and of how they were confronted at the time in

theory and diplomatic practice From the middle of the seventeenth century to the time of the Napoleonic wars bilateral commercial treaties were concluded not only at the end of large scale wars accompanying peace settlements but also independently with the aim to prevent or contain war through controlling the balance of trade between states Commercial treaties were also understood by major political writers across Europe as practical manifestations of the wider intellectual problem of devising a system of interstate trade in which the principles of reciprocity and equality were combined to produce sustainable peaceful economic development

Politics And Diplomacy In Early Modern Italy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics And Diplomacy In Early Modern Italy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics And Diplomacy In Early Modern Italy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics And Diplomacy In Early Modern Italy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics And Diplomacy In Early Modern Italy Books

What is a Politics And Diplomacy In Early Modern Italy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Politics And Diplomacy In Early Modern Italy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Politics And Diplomacy In Early Modern Italy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Politics And Diplomacy In Early Modern Italy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics And Diplomacy In Early Modern Italy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
