**Politics and Planners** Gary W. Wynia,1972 Comparison of the obstacles to development policy implementation in Central America discusses the instruments of economic planning the conflict between planners and politicians the failure to achieve public investment objectives and the impact of political systems and public administrations on the management of development projects and covers fiscal policy development aid economic integration regional cooperation resource allocation etc References Politics and Planners Gary W. Wynia,1972-01-01 **The Politics of Regional Integration in Latin**

**America** O. Dabène,2009-08-31 This book explores the widely admitted failure of regional integration in this continent linking the features of regional institutional arrangements with domestic politics and includes an inquiry into regionalism at the hemispherical level *Public Policy in Latin America* John W. Sloan,2010-11-23 The study of Latin America has long been an ideological battleground Scholars disagree on every major issue the impact of the U S influence in the region the political orientation of the middle class the role of the military the rate of socioeconomic change and the viability of reform *Public Policy in Latin America* is a masterful synthesis of scholarship on the region Sloan studies political phenomena not by making superficial comparisons between leaders parties or styles but by examining what governments do the creation of public policy through political process The decisions to stress accumulation versus distribution of economic goods the role of the bureaucracy and the quality of political participation tell more about a nation than what party or persons are in power

The Politics of Latin American Development Gary W. Wynia,1990-01-26 An examination of the historical events that have shaped Latin America s fundamental economic and political dynamics *Latin American Foreign Policies: Global and Regional Dimensions* Elizabeth G. Ferris,2020-02-24 This collection of original essays takes a comprehensive look at Latin America s regional and global foreign policies The book begins with an assessment of the current state of research in the field followed by an overview of Latin American foreign policies and the political determinants of those policies Next an examination of the global policies of Brazil Cuba Mexico and Peru demonstrates differing theoretical perspectives and provides information for cross national comparisons The third section presents case studies of regional foreign policies in Argentina Brazil Chile Bolivia Venezuela Mexico Cuba and the Anglophone Caribbean nations In the concluding chapter the editors review the recurring themes in the book and propose a theory for the analysis of Latin American foreign policy behavior **The Politics of Expertise in Latin America** Miguel A. Centeno,Patricio Silva,2016-07-27 The ascendancy of technocratic personnel and their imposition of neo liberal economic policies have come to define Latin American politics in the 1980s and 1990s This book is the first comparative analysis of these events and their implications for the future of democracy on the continent Individual chapters discuss the rise to power of these technocrats in Mexico Chile Argentina Brazil and Peru as well as the historical antecedents of expert rule in the 19th and early 20th centuries **The Politics of**

**United States Foreign Aid , Taxation and Economic Development** John Toye,2023-06-16 First published in 1978 The

tax system is one of the instruments said to be available to translate development policy objectives into practice The wide ranging papers collected together in this volume first published in 1978 explore different aspects of the link between national development objectives and the tax system Attention is particularly focused on traditional aims such as growth fair distribution and economic stabilisation and development Articles written by distinguished experts in the fields of public finance and economic development clarify the concepts of taxable capacity and tax effort and examine the connections between growth and changes within the tax system

**Agribusiness and Rural Enterprise Project Analysis Manual** Samuel R. Daines,1979 Revolution In Central America Stanford Central America Action Network,2019-06-12 Central America though affected for decades by profound socioeconomic transformations has been more or less quiescent politically The sudden eruption of revolutionary turmoil in the region as seen in recent events in Nicaragua El Salvador and Guatemala has shattered the political status quo and cast Central America into the U S foreign poli

*Guatemala, a Country Study* United States. Department of the Army,1984 **A Select Bibliography On Economic Development** John P. Powelson,2019-05-20 This bibliography of more than 2 000 titles

contains both books and journal articles primarily those published since 1970 Most of the entries are annotated The material is classified according to forty eight categories and there is also a list of relevant titles for each major country in Africa Asia and Latin America

**Bureaucratic Politics and Administration in Chile** Peter S. Cleaves, 2023-04-28 Bureaucratic Politics and Administration in Chile offers a nuanced examination of the administrative processes and political dynamics within Chile's bureaucracy during a transformative period in its history Moving beyond simplistic characterizations of bureaucracy in low income countries as either development oriented or mired in dysfunction this study introduces a framework that focuses on the interactions of ministries agencies and public enterprises with their relevant publics and organizational partners By analyzing key processes such as budgeting planning reform and client relations the book provides a detailed account of how political strategies coalitions and resource management shaped Chilean public administration from the Frei administration 1964 1970 through the early Allende years The research draws on 150 in depth interviews with key actors and a comprehensive review of published and unpublished sources The book blends descriptive analysis with reflective commentary exploring implications for leadership administrative reform and public service Conducted at a pivotal time beginning just after Salvador Allende's election and continuing through his presidency the study offers unique insights into how shifting political philosophies influenced bureaucratic operations Though grounded in Chile's specific context the work's comparative approach to understanding bureaucracy makes it an invaluable resource for scholars of public administration political science and Latin American studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974

**The Post-1945 Internationalization of Economics** Alfred William Coats, 1997 In addressing the internationalization of economics after 1945 these essays are concerned with aspects of economic education the economist's role in policymaking and the sociology and professionalization of the discipline These matters have rarely been considered in international terms While discussing organizations such as the World Bank International Monetary Fund and the European Community and presenting studies that are primarily concerned with the effect of these developments in particular countries this volume focuses on the situation of Latin America Arguably the post 1945 internationalization of economics has proceeded further more dramatically and with greater effect in that continent than in any other region of comparable size Contributors S Ambirajan William Ascher William J Barber Young Back Choi A W Coats Barend de Vries Margaret Garrison de Vries Peter Groenewegen Arnold Harberger Aiko Ikeo Maria Rita Loureiro Ivo Maes Veronica Montecinos Jacques J Polak Pier Luigi Porta Bo Sandelin Ann Veiderpass John Williamson
