**Politics and Poetry in the Fifteenth Century** V. J. Scattergood, 1971 *Politics and Poetry in the Fifteenth Century* V. J. Scattergood, 1972 **Politics and the Urban Sector in Fifteenth-Century England, 1413-1471** Eliza Hartrich, 2019-08-14 Since the mid twentieth century political histories of late medieval England have focused almost exclusively on the relationship between the Crown and aristocratic landholders Such studies however neglect to consider that England after the Black Death was an urbanising society Towns not only were the residence of a rising proportion of the population but were also the stages on which power was asserted and the places where financial and military resources were concentrated Outside London however most English towns were small compared to those found in contemporary Italy or Flanders and it has been easy for historians to under estimate their ability to influence English politics **Politics and the Urban Sector in Fifteenth Century England 1413 1471** offers a new approach for evaluating the role of urban society in late medieval English politics Rather than focusing on English towns individually it creates a model for assessing the political might that could be exerted by towns collectively as an urban sector Based on primary sources from twenty two towns ranging from the metropolis of London to the tiny Kentish town of Lydd **Politics and the Urban Sector** demonstrates how fluctuations in inter urban relationships affected the content pace and language of English politics during the tumultuous fifteenth century In particular the volume presents a new interpretation of the Wars of the Roses in which the relative strength of the urban sector determined the success of kings and their challengers and moulded the content of the political programmes they advocated **Cultural Politics in Fifteenth-Century England: The Case of Humphrey, Duke of Gloucester** Alessandra Petrina, 2004-04-01 This volume is an analysis of the development of cultural politics in Lancastrian England It focusses on Duke Humphrey of Gloucester brother of Henry V and Protector of England during Henry VI s minority Humphrey s intellectual activity conformed itself to the Duke s own position in the kingdom the book explores Humphrey s commission of biographies translations of Latin texts political pamphlets and poems as well as his collection of manuscripts acquired both in England and from Italian humanists Particular attention is dedicated to Humphrey s donations to the University of Oxford and to his relations with English poets and translators such as John Lydgate and Thomas Hoccleve highlighting his contribution towards the making of the nation s cultural autonomy **The Oxford History of Poetry in English** Julia Boffey, Anthony Stockwell Garfield Edwards, 2023 This volume explores a range of English verse from 1400 to 1500 It studies specific genres and modes of fifteenth century verse the contexts for its creation the material forms of its transmission and some of its individual practitioners **Romance and Its Contexts in Fifteenth-century England** Raluca L. Radulescu, 2013 Although the anonymous pious Middle English romances and Sir Thomas Malory s *Morte Darthur* have rarely been studied in relation to each other they in fact share at least two thematic concerns vocabularies of suffering and genealogical concerns as this book demonstrates By examining a broad cultural and political framework stretching from

Richard II's deposition to the end of the Wars of the Roses through the prism of piety politics and penitence the author draws attention to the specific circumstances in which Sir Isumbras Sir Gowther Roberd of Cisely Henry Lovelich's History of the Holy Grail and Malory's Morte were read in fifteenth century England In the case of the pious romances this implies a study of their reception long after their original composition or translation centuries earlier in Lovelich's case an examination of metropolitan culture leads to an opening of the discussion to French romance models as well as English chronicle writing

**Love, Religion and Politics in Fifteenth Century Spain** Ian Macpherson, Angus MacKay, 2023-08-21 Ian Macpherson and Angus MacKay bring together versions in English of sixteen articles published in journals and festschrift volumes over the past two decades The articles are revised and selected from those which deal with questions of love religion and politics in the fifteenth century Kingdom of Spain Ian Macpherson is a linguist and literary critic who aims to set his judgements in a historical and social context and Angus MacKay a historian whose writings are informed by an awareness of the social context and literary production of the Spanish fifteenth century The two authors have collaborated on many occasions and the joint volume provides insights into the complex relationships between real life and imaginative writing in this turbulent period of Spanish history *Gómez Manrique, Statesman and Poet* Gisèle Earle, 2019-11-04 Gómez Manrique c 1412 c 1490 had a long and active life engaging in military activity as a typical medieval knight before becoming a diplomat and statesman He was deeply involved in the political turbulence of fifteenth century Castile playing an important role in bringing together Fernando of Aragon and the infanta Isabel of Castile whose marriage sealed the union of these two kingdoms Although Don Gómez has long rested in the shadow of his more famous nephew Jorge he produced a larger and more varied corpus of verse courtly love poetry elegies moral and political poetry verse dialogues with friends consolatory poems and the first play by a known author in Spanish This study focuses on the social economic and political context in which the poet lived and draws comparisons with some other poets who were his contemporaries Gisèle Earle studied at the University of Oxford and King's College London and is now an independent researcher **English Historical Literature in the Fifteenth Century** Charles Lethbridge Kingsford, 1913 **A Companion to Medieval English Literature and Culture, c.1350 - c.1500** Peter Brown, 2009-10-26 A Companion to Medieval English Literature and Culture c 1350 c 1500 challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground breaking collection of newly commissioned essays on medieval literature and culture Encourages students to think beyond a narrowly defined canon and conventional disciplinary boundaries Reflects the erosion of the traditional rigid boundary between medieval and early modern literature Stresses the importance of constructing contexts for reading literature Explores the extent to which medieval literature is in dialogue with other cultural products including the literature of other countries manuscripts and religion Includes close readings of frequently studied texts including texts by Chaucer Langland the Gawain poet and Hoccleve Confronts some of the controversies that exercise students of medieval literature such as those connected with

literary theory love and chivalry and war      *Ulster and the Isles in the Fifteenth Century* Simon Kingston, 2004 Kingston explores the considerable flow of people influence and power from the western islands of Scotland to northeastern Ireland over the period from the defeat of Scots by defenders of the English lordship of Ireland in 1318 at Faughart and the 1390s when the Mac Domhnaill of Antrim Clann Eoin Mhoir had transformed from retained warriors or seasonal mercenaries into locals Distributed in the US by ISBS Annotation 2004 Book News Inc Portland OR booknews.com      Medieval English Political Writings James M Dean, 1996-04-01 This volume collects poems and historical documents relevant to understanding the political climate of fourteenth and fifteenth century Britain many of which have been out of print for a century This new edition geared towards classroom use with its notes introductions gloss and glossary opens up the fascinating study of late medieval English history This volume contains five sections Poems of Political Prophecy Anticlerical Poems and Documents Literature of Richard II's Reign and the Peasants Revolt Poems against Simony and the Abuse of Money and Plowman Writings all tied together by a common attitude of satire and complaint and a distrust of those who may abuse power This volume would make an excellent source for a class on English satire or late medieval politics      A Bibliography of Fifteenth Century Literature Kate Leila Gregg, Lena Lucile Tucker, Susannah Jane McMurphy, Allen Rogers Benham, 1924      **New Historical Literary Study** Jeffrey N. Cox, Larry J. Reynolds, 2021-07-13 This volume growing out of the celebrated turn toward history in literary criticism showcases some of the best new historical work being done today in textual theory literary history and cultural criticism The collection brings together for the first time key representatives from various schools of historicist scholarship including leading critics whose work has helped define new historicism The essays illuminate literary periods ranging from Anglo Saxon to postmodern a variety of literary texts that includes *The Siege of Thebes* *Macbeth* *The Jazz Singer* and *The Chosen Place the Timeless People* and central issues that have marked new historicism power ideology textuality othering marginality exile and liberation The contributors are Janet Aikins Lawrence Buell Ralph Cohen Margaret Ezell Stephen Greenblatt Terence Hoagwood Jerome McGann Robert Newman Katherine O Keefe Lee Patterson Michael Rogin Edward Said and Hortense Spillers The editors introduction situates the various essays within contemporary criticism and explores the multiple contestatory issues at stake within the historicist enterprise      Literature and Law in the Middle Ages John A. Alford, Dennis P. Seniff, 2019-07-17 Originally published in 1984 *Literature and Law in the Middle Ages* is a comprehensive bibliography on the subject of literature and law in the Middle Ages The collection was composed with the notion that early society regarded literature law and religion from the same single point of view It discusses how for many medieval poets their art existed primarily to enforce obedience to God and king and suggests that society viewed law as a chief instrument of the divine will in human affairs The book's comprehensive introduction argues that eventually these areas of diverged and became separate this bibliography covers the broad period of the Middle Ages from the 5th to the 15th century and examines this period of transition during which the process was not yet complete This bibliography will be vital

resource for those studying medieval studies both in literature and history      **A Bibliography of Fifteenth Century Literature** Lena L. Tucker, Allen Rogers Benham, 1928      **Political Allegory in Late Medieval England** Ann W.

Astell, 2002-01-01 Ann W Astell here affords a radically new understanding of the rhetorical nature of allegorical poetry in the late Middle Ages She shows that major English writers of that era among them William Langland John Gower Geoffrey Chaucer and the Gawain poet offered in their works of fiction timely commentary on current events and public issues Poems previously regarded as only vaguely political in their subject matter are seen by Astell to be highly detailed and specific in their veiled historical references implied audiences and admonitions Astell begins by describing the Augustinian and Boethian rhetorical principles involved in the invention of allegory She then compares literary and historical treatments of key events in fourteenth and fifteenth century England finding an astonishing match of allusions and code words especially those deriving from puns titles heraldic devices and personal cognizances as well as repeated proverbs prophecies and exempla Among the works she discusses are John Ball's Letters and parts of Piers Plowman which she presents as two examples of allegorical literature associated with the Peasants Revolution of 1381 Gower's allegorical representation of the Merciless Parliament of 1388 in Confessio Amantis and Chaucer's brilliant literary handling of key events in the reign of Richard II In addition Astell argues for a precise dating of Sir Gawain and the Green Knight between 1397 and 1399 and decodes the work as a political allegory      Studies in Fifteenth-century Stagecraft John W. Robinson, 1991 Before he

suddenly passed away John W Robinson was working on a manuscript that he saw as effecting a marriage between the dramatic and the theatrical as he felt there was too large a divide between literary scholars and practitioners of the theater In it Robinson stated that his purpose it to expound as plays the New Testament plays of the Wakefield Master and some of the related York plays including two by the York Realist hoping to show that the meaning and effect of the Wakefield Master's and York Realist's plays will not appear unless they are approached with the understanding that they were performed with some idea of how they were performed and with some appreciation of what they meant to a medieval audience That manuscript is presented here a close study of eight plays and the elements Robinson considers essential to performance playwright sponsors location plot script players and audience      Reader's Guide to Literature in English Mark
